Cache County-Normal Institute.

HYRUM CITY, Cache Co.,

Editor Deservet News:

Pursuant to a call from Superin andent Samuel Roskelley, the cation met at the City Hall, Logan on Friday and Saturday, the 29th and 30th ult., and held a two days' section of the Cache County Nor-mal Institute. Miss Mary E. Cook, Miss Emma Wells, of Salt Lake City, and Miss Ida I. Cook, of Logan, conducted the exercises. It is only necessary to mention this fact to know that our Institute was a decided succes

The Council adjourned till next Tuesday evening, at half past six. The Culvert—The stone culvert on North Temple Street, built to confine the waters of City Creek in that locality, is now, after the completion of the recent repairs and additions, a most substantial and s additions, a most substantial and a

very creditable city improvement. The two days were spent by the received and a given strict teachers in explaining and illus-received and the work of trating on the black-board their Supervisor Hyde has given strict repairing and adding. The whole methods of teaching the various porting the success that had attended their labors since adopting the method introduced by Miss Ida I. Cook, at our two weeks session in July last. of the original culvert, from its western terminus to the headgates, on East Temple Street, has been re bottomed with huge boulder rock, deeply and firmly embedded, the

The importance of these meetings cannot be estimated. They are as read cast upon the waters, the englits to be seen in the future. The headgates are a great im-provement on the old ones. They are iron plated, work in iron grooves which are fitted into solid masonry, and are raised and lowered by means of a cog wheel. The rock means of a cog wheel. The rock

apon which the gates shut down is ihroughout the session, and gave much valuable counsel. He is alive to the educational interests of the county, a friend to the teachers, and has their respect and confi-

Bishop Preston encouraged the feet at the top. At the upper or wished them to remember that, eastern end the bottom rock is while educating the head, they heavier than below, the extreme must not forget the heart. In order wide at the bottom and sixteen

square foot. 5000 gallons fine Enamel Paint, mixed ready for use, on inside or outside work, at \$3 per gallon.

Send for sample card of colors. All or-ders must be accompanied with the money or satisfactory city references. No goods shipped C. Q. D., unless express charges are Sample orders solicited. *
