druff and humors. By its use fall-ing hair is checked, and a new growth will be produced in all cases where the follicles are not destroyed or glands decayed. Its effects are

beautifully shown on brashy, weak, ance and guidance; for the labor required at the hands of the Saints or sickly hair, to which a few applications will produce the gloss cailed for more than a natural en dowment; but, with the Lord's as sistance, the labors of the weak parable as a dressing, and in

## STAKE CONFERENCE. NOTIOE.

<sup>2</sup> p.m. April 5th, 1879... Conference reassombled. After the opening exercises, President Angus M. Cannon stated that as the saints of this Stake would have an opportunity of voting for the general authorities of the Church at the general annual con-ference they would not then be presented. He requested the saints, in voting for the authorities of the Stake, to do so freely, and to mani-fest it, when they could not fully sustain any who were presented. The authorities of the Stake and the officers of the various associa-There will be a Territorial annual meeting of the Young Men's Mutual Improvement Associations in the Theatre, on Tuesday evening, April 8th.

The Young Ladles Associations are invited to meet with us on this

The representatives from the st v-eral Stakes invited to this meet-ing on Sunday evening will please take notice of the change of date, and govern themselves accordingly. Meeting will commence at half the officers of the various associa-tions and institutions thereof were past seven o'clock.
