Soap Sharing

Isn't pleasant to think of. It's slovenly and unclean. But how are you going to be sure that your soap is used only by yourself? Particular people use Pyle's Pearline. That solves the problem. They fill a salt shaker or sifter with Pearline. Then they use that instead of soap, for the toilet or the bath, with no fear of using it after anybody else. A Pearline bath is like a Turkish bath in freshening you and bracing you up.
