Cleverand, Ohio.

formerly lived near the early homes of Joseph Smith and Brigham Young and birthplace of "Mormonism." 51, he said he first came to Utah with a view to studying the prevalent region, remained only a few days and me back in 1880 on a similar errand, at had to confess that he still knew so e about it that he was quite ashamed hunself. In his opinion the exagger-ed statements so often made about the peculiar people and religion of this country are due to the parties making them never having become thoroughly parinted with the "Mormons," and been brought under the magnetic fullu-ture of their leaders. He had been to the perturnallistened attentively to all the services. It all tended to remind him of an anecdote of a Scotchman who, shile out in a foz, noticed what he at first supposed was a great monster, but winell, upon investigation, proved to chis twin brother. The interence which the audience

critically drew from the speaker's re-marks thus far was that he was favorly impressed by that which he had or and heard, but it was soon evithat he did not want his hearers of away with such an idea. On the dear of love for his fellowmen he said. Fuller, Danby, N. Y. proposed to criticise some things in alluded to the claim set up by Latter-day Saints that theirs is th true Church. In view of the fact spooned inimbitants of the earth I that their claim was disputed by Leveept their own Church members, he considered it preposterous, (What looks) By parity of reisoning the chara of Jesus Curist to being the Son of Gall and the Savior of the world was preposterous!) this claim of the Latter-Saints be true he consid-Bittle a failure and - Christian religion a dead loss. The ethorists, lay-aid, numbered 3,000,-680, the Bapt's salmost as many, and the atherents of the evangelical thes of America, combined, 53, on, leaving only an insignificant or, so for "Mormons" and infidels some proof of the evangelical harches being right and the "Morions" wrong. He evidently forgot hat the Savior said: "Straight is the ate and narrow is the way which saleth unto life, and few there be that In combining the Saints and the re-rigion because of there un-popularity he lost sight of the fact that sus said to his disciples "Ye shall be ated of all men for my name's sake and "Woe unto you when all men shall tall speak well of you! for so did heir fathers of the talse prophets." He next proceeded to ridicule the Thavite; the first the blood, read and acts on the Bowels. Breaks Colors and shell on the shore of naving to en restored and to the me and Melchisedec Præsthoods umanity. Then he touched upon revelation, declaring that it was upresnely absurd to say or believe that the Lord would add revelation to revelation while there was so much contained in the New Testament which Wholesale Agents, Falt Lake City. 135 but the Lord would add revelation to

was a hypocratical preferes!

Referring to the practice of patriarchal marriage by the Latter-day
Saints, he appealed to popular prejudice and resorted to risticule to make appear in the worst possible light, and justified himself in rejecting it bewith the area of one who offers unun-answerable areument, he asked: "Would tool throw himself into the tie of the best merals and enlightenat of the age by requiring such a

start as if tool had not come in conact with the boasted morals and endemonstrat every age in which He or revealed His will! What were e ancient prophets, the Savior him-climed His apostics subjected to vio-ent deaths for, if not because they austit napopular dectrines and threw nonsciences in the face of what was insidered the heat mergis and en-interment extant? The subsect of persecution was set-tied by the speaker with the assertion

hat Christians were never persecuted for immorally, and the intimation that the "Mormons" were; and then be found fault with "Mormonism" because "there is so much money in it." The Christian immisters of tohis weir represented as a most self-significant class, who possessed ability, which would, it sappled in the practice of law, command tent and the amount the "Mormons," however, although here were no salaried officers and embers as tithing, all of which to his view broked very increenaty. If did not, however, prevent him from having the pintes passed around at the close of the service for the scoop-Figurity be came down to the subject of authority and forms and ceremonies,

all of which he denounced as unnecessary, unreasonable, etc., declaring among other things that, "Baptism does nothing but kill," which lafter expression rather startled his anchence as they had expected, such a be claimed to be a Haptist, that he would not repus diate the one doctrine upon which his church is supposed to be founded. He probably did not intend to go quite so far in that one particular, but in his anxiety to denounce everything -At Phillipsours, Montana, last pertaining to "Mormonism," he inadxertently tore the foundation out of his osyn fabris

Not a passage of scripture was quoted, not a lock at reason ad-duced during the whole of his harangue to support any of his assertions, and, to use a homely phrase, his audience large numbers at Unitah and are de- felt that for once, at least, the Rev. De Visitors The New hard a call this in that vicinity were troubled some bottom to the forther for the future he had better tackle something more easily masticated than "Mormonism."
