EVENING NEWS.

BY TELEGRAPH.

WASHINGTON, 11.—Luttrell of-
fers a resolution instructing the
committee of ways and means to
inquire into the management of
these ports of entry whose expenses
are larger than their receipts.

The House then, at 2:30, proceed-
ed to the consideration of private
business.

Among the reports made was one
from the committee on foreign af-
fairs, adverse to the claim of Antoni
Pelletier, for indemnity from the
government of Hayti. The report
was tabled, and a resolution adopted
that the papers in the case be trans-
mitted to the President without re-
commendation.

There was a good deal of discus-
sion on one private bill, but no bill
was passed.

Relay presented petitions from
Philadelphia, New York, Boston,
and other cities, for the passage of
a law giving to all persons, without
preference, permission to establish
telegraphic communication be-
tween the United States and for-
eign countries, and the rejection of
all applications for exclusive privi-
leges.

Adjourned until Monday. After
adjournment, a democratic caucus
was announced for Monday after-
noon.

EASTERN.

PHILADELPHIA, 11.—A quo war-
rent issued by the Attorney General
against the Western Union Tele-
graph Company, to show by what
authority they exercised the rights
and franchises of a telegraph com-
pany in this State, a petition was
filed, to-day, in the court of com-
mon pleas for the removal of the
case to the United States Circuit
Court. The petition was accom-
panied with a bond, and as the re-
moval is a matter of right, the case
will go to the last named court.

DESTRUCTION OF PROPERTY BY FLOOD.

RICHMOND, 11.—The heavy rains
of the past two days have caused
another rise in the river. The
bridge over the Richmond River, on
the Richmond and Danville Road,
just replaced, was again swept
away, the third time inside of two
months. The iron bridge, over the
same river, on the Virginia Mid-
land, was also washed away. This
bridge was destroyed during the
great freshet in November, and
has since been replaced.

The Roanoke River at Weldon,
N.C., is very high, and the water
is rising six to eight inches per
hour. The great bridges at that
point are threatened.

ROCKLAND, Maine, 11.—The he-
aviest north east gale ever known
here prevailed last night, doing a
great amount of damage to ship-
ping and houses and wrecking a
number of buildings. The steamer
Ulysses, of the Rockland, Mount
Desert and Sullivan line, broke
from her moorings and went on a
rock at the south marine wharf,
where she broke up. Loss
\$20,000.

Mining Contest Found Dead.

DEADWOOD, D. T., 11.—A hot
contest for the position of the
Woolley and Peacock mine, situ-
ated near Central City, has been
going on for several days, between
some of the original owners and
the purchasers. Both miners
are now held by the sheriff and
deputies, awaiting the action of the
courts.

A man named Wm. Wilson was
found dead, with a bullet hole
through his neck, on the Blomack
road, about twenty miles from
Deadwood.

Disasters to Shipping, etc.

NEW YORK, 11.—Further reports
from Maine detail disasters to the
shipping and damage to property
from the gale, last night.

At Camden trees and fences were
protruded, barns blown down, and
houses unroofed. The damage in
the village exceeds \$10,000.

At Eastport, 40 chimneys were
blown down, and several small
buildings were blown to pieces. The
schooner Nightingale is ashore in
Broad Cove and full of water.

At Oldtown the steamer was
blown from the wharf. Two
schooners put into Seal Harbor
and went ashore on Norton's
island. Several schooners are re-
ported ashore at Tenants Harbor.

POUGHKEEPSIE, N.Y., 11.—There
was a heavy snow storm in Dela-
ware County, last night. The snow
is nearly two feet deep. The tele-
graph lines are down.

Fixed by a Train.

NEW YORK, 11.—This afternoon
a tramp entered a basement of Eu-
mali's bagging factory, 236 and
238 Water Street, Brooklyn, and
was ordered away. When going
out he carried a match against a
bag of jute, and in a moment it
was in flames, which rapidly ex-
tended to the lower part of the
factory. There were 150 girls employ-
ed in the upper part, who had a
narrow escape from being suffocated
and burned, the passageways being
in flames. They all escaped without
accident by the window, which
opened on the roof of a neighboring
shed. The flames were confined to
the lower part of the building, loss
\$3,000.

Negro Kidnapped.

NEW ORLEANS, 11.—On Tuesday
night, a negro, named Rice, was
taken out of the jail in St. Fran-
cisco, West Feliciana, and hang-
ed by a party of white men. Rice
was charged with the killing of
Wesley, a domestic, candidate
for sheriff, a few days before the
election in November, 1875.

50,000 FIRE.

WORCESTER, Mass., 11.—Davis &
Foster shoe factory, at Rockfield,
was burned this morning; loss \$50,-
000, insurance \$30,000.

WESTERN.

SAN FRANCISCO, 11.—The Hud-
son Bay Company's bark Lady
Thompson, from London with an
unsorted cargo, while entering the
Golden Gate, was wrecked on the
point of the Golden Gate, and
will probably be a total loss.

The bark Ocean, from Seattle
for San Francisco, collided with
the bark Aurora, on the 9th inst.,
near Narrows Point, Puget
Sound, and sank. She will be a
total loss. The Aurora was slight-
ly injured.

Arrested for Forgery.

W. T. Duncan, son of Joseph C.
Duncan, the abiding president of
the Pioneer Bank, and W. B.
Duncan, brother, were arrested
this evening on a charge of forgery,
for having assisted in the concealment
and subsequent flight of Duncan
and Lumsden, members of the Safe
Deposit Company. The bail was
fixed at \$10,000 each, which they
have not yet succeeded in obtain-
ing.

FOREIGN.

GREAT BRITAIN.

London, 11.—The St. Petersburg
Gazette, to-day, prints a special
dispatch from Vienna which con-
firms the London Times of the 7th, that
it was rumored Austria and Ger-
many had vetoed the idea of open-
ing the Dardanelles to Russian ves-
sels only, and that Russia had con-
sequently declined to raise the
question at all. A Globe tele-
gram says Austria has not discussed
this question with Germany and
Russia.

A dispatch from Berlin says Rus-
sia is negotiating with other Baltic
powers for the purpose of prohib-
iting war vessels of non-Baltic powers
from entering that sea.

It is announced that Hannu
Pasha has been appointed Grand
Vizier, in the place of Edhem Pasha,
who resigned.

The reply of the Grand Duke
Nicholas to the Turkish command-
er-in-chief, that he would refer the
latter's overture for an armistice to
St. Petersburg, states that the ne-
gotiations could only be conducted
with himself direct, and that there
could be no question at present of
an armistice without a basis for
peace.

The Russian journals, comment-
ing on the capture of the Turkish
army in Schigrah Pass, point out
that this is new evidence that the
Turkish power of resistance is ut-
terly broken, and remark that the
Cabinet at both Constantinople and
St. Petersburg are under the im-
pression that the Russian military
situation created by the
Russian army.

Such a surrender, this morning,
in consequence of the capture, by
storm, yesterday, of Goritsa, Venetia
and all the other heights command-
ing the city of the town. The
fighting lasted five days. The Ser-
bian loss is considerable.

A correspondent says the Prince
of Bulgaria, having applied to
the Russian headquarters for in-
structions relative to an armistice,
has been informed that he need
not send an envoy, as the Grand
Duke would take charge of his in-
terests.

A Pera correspondent sends the
following: The Porte has refused
to allow the questions of peace and
armistice to be considered together,
as it was understood that these
questions were to be kept separate
during the preliminary negotia-
tions. I believe the Porte has de-
termined that the defense of
Adrianople is virtually impossible.
The ministerial charges are regard-
ing the integrity and indepen-
dence of the country. It is of-
ficially stated that the terms of ar-
mistice proposed by Turkey is six
weeks.

A correspondent at Vienna states
that at the Schipka Pass the Rus-
sians captured 25,000 men, 1,000
horses, 12 mortars, 12 siege guns
and 200000 rounds of ammunition.
The Cossacks have cut
the Zamboli Railway.

A special from Constantinople
says the Russians have occupied
Delian, and the other near Varna,
cutting off the Turkish army. This
report is apparently due to a panic
in Constantinople.

Several special dispatches an-
nouncing that the news of the
surrender to the Servians, which
numbered 8,000, with 90 cannon,
12,000 rifles and a number of flags.
The main body of the Montenegrins
are now marching towards
Scutari.

Two Russian columns from Ka-
zan have arrived, one near Zoni
Suzhara and the other near Varna.
The Zamboli Railway is
threatened.

The civil population has been or-
dered to evacuate Constantinople, and
8,000 persons have already gone.
The civil government has been
transferred to Rodosto.

A Russian official dispatch says
the Turks left 300 dead in the for-
tifications of the Trojan Pass. Be-
sides these, a Turkish battalion was
almost annihilated in an encounter
with the Russian regular column.

A Fatal Leap.

A man committed suicide, yester-
day, by leaping from the Whis-
pering Gallery in St. Paul's Cathed-
ral.

TURKEY.

More about the Armistice.

CONSTANTINOPLE, 11.—It is stat-
ed in official circles that Layard,
the British ambassador, has infor-
med the Porte that, according to his
advices from Lord Derby, the state-
ment of the Grand Duke Nicholas,
that an armistice must be based on
the conditions of peace, could only
express his (the Grand Duke's)
views. Layard pointed out that
his view was confirmed by the re-
ply of the Grand Duke Michael,
who, when asked to open negotia-
tions for an armistice, answered
that he was without instructions in
the matter. It is declared that
Layard informed the Porte that the
British ambassador at St. Peter-
burg had been instructed to express
to Prince Gorkhakeff Lord Derby's
attachment to the non-fulfillment
of his promise, that the Russian
commanders should be ordered to
treat for an armistice, and to re-
sist an armistice being dependent
upon the conditions of peace or on
the appointment of a new grand
vizier.

ITALY.

Home, 11.—King Humbert the
First has ordered the Italian Court
to go into mourning for six months.
It is said that Humbert, though
originally in favor of Turin's, is now
disposed to agree to Victor Emanu-
el's proposal, that, according to his
will, he will consult his brothers. Signor
Mancini intends to introduce a bill
in Parliament appointing the Par-
liament to the burial place of the
Favre family.

Manly Promoted with a Medal.

Henry M. Stanley, the African
explorer, arrived here to-day. The
medal, which had been decreed to
him by the late king, was privately
presented.
