CONFESS BURGLARY.

1968, showing improvements made in the way of graveling, etc., together with money collected and expended. Superintendicat of Waterworks and Sever Holdaway reported that 96 pri-vate water services had been put in the past year. He called attention to the necessity for a larger main line in order to supply the demand for water. The east drain should be repaired and aniarged and private sewers should be orderinged. A complete system of sever should be constructed as the present system was inadequate. For the cemetery a pipe line for irrigation conveying water from the east Union Canal company's canal was recom-mended. \$7,603.06 had been collected by the waterworks system and im-provements made to the amount of \$6,429.63.

Watermaster Farrer submitted his port for 1998. The report showed as-esments for 1998 and delinquent taxes

seesments for 1998 and definquent taxes for former years amounting to \$4,590.39 as resources for 1908, and expenditures amounting to \$4,590.20. City Recorder Johnson reported 11-censes collected for the quarter ending Dec. 31, 1998, amounting to \$3,276.25. The reports of the city recorder and the treasurer were referred to the com-mittee on finance without reading.

The committee on sever recommend-ed the condemnation of the sewer on Academy avenue and that a new sewer

Robbery Cases¹ Continued — The cases against Bob McGuire, B. E. Blumlett and J. H. Garett, proprietors of the Apex saloon, who were charged with robbery, have been ordered contin-ued by Judge Murphy.

Prof. Coop Honored-Prof. Squire Coop, late musical director of the Ogden public schools, at the high school yesterday afternoon, was presented with a beautiful ivory and ebony di-rector's baton by the high school or-chestra as a token of esteem and appreciation for their former leader.

No Trainmen Laid Off-The announcement was made in railroad ein-cles late last evening that no freight train or switching crews on the South-ern or Union Pacific reads have been puiled off during the last week as was rumored Saturday afternoon.

Signing Water Bonds—The new water bonds have arrived and are in the hands of Mayor Brewer and Re-corder Brown, who are signing them. The bonds will be turned over to the Harris Trust company of Chicago or their representative as soon as all are signed signed

Work on Rapid Transit—The build-ing of the cement abutments in Ogden canyon on the line of the Ogden Rapid Transit company, which is building its extension through the canyon, is pro-gressing satisfactorily. About 30 men are employed upon the work and as rap-idly as possible the gang will be in-creased, so that the work can be rush-ed through before the river starts to rise. The work of grading the roadrise. The work of grading the road-bed will not begin until the ground is in such a condition that it can.

If you will take Foley's Orino Laxa-tive until the bowels become regular you will not have to take purgatives constantly, as Foley's Orino Laxative positively curves chronic constipation and sluggish liver. Pleasant to take. F. J. Hill Drug Co., ("The Never Sub-stitutors.") titutors.")

On Saturday the principals and supervisors of the school districts met in Provo for the purpose of ar-ranging important educational matters for the current school year. The new county superintendent, Prof. W. G. Chulk presented numerous important county superintendent, Frof. W. G. Childs presented numerous important steps to be taken for the advancement of education within his jurisdiction. Among other important matters transacted was the organization of a supervisor's round table. Its first meeting will be held at Pleasant Grove, Fab. 2 Pure Drugs and Prescriptions our specialty. ing will consist of lectures in the forenoon session by eminent state educa-tors, and department work for all the grades in the afternoon session will continue to be a leading feature.

continue to be a leading feature. The following persons were named to preside at department meetings: N. K. Nelson, high school; Aird and Pryor, seventh and eighth grades; Walker and Gleason, fifth and sixti; grades; Wilgon and Crandall, second, third and fourth grades; Osmond Jus-teson and Clata Arnold, first grade and beginners".

beginners'. Prof. Joseph A. Rees continues as general secretary, a position he has held for upwards of a fourth of a cen-

Academy avenue and that a new sewer be constructed. Report adopted. A bill condemning the sewer was passed. It forbids further connection with the sewer after Jan. 15, 1969, and all use of the sewer after Jan. 1, 1910. Mayor Decker reported the resigna-tion of Dog Tax Collector E. R. Brim-hall. The mayor recommended that a larger salary be provided for the dog tax collector. Referred to the commit-tee on finance. A communication was received from

tury. It is probable that Supt. A. C. Nel-son of the state schools and Dr. George H. Brimhall, president of the B. Y. university, will lecture at the next teachers' institute. A committee was appointed to draft resolutions in approval of the excel-ient labors of Lars E. Eggertson as county superintendent of the Utah county schools during the past four years.

You would not delay taking Foley's Kidney Remedy at the first sign of kidney or bladder trouble if you real-ized that neglect might result in Bright's disease or diabetes. Foley's Kidney Remedy corects irregulaties and cures all kidney and bladder dis-orders. F. J. Hill Drug Co., ("The Never Substitutors.")

LEHI.

SHOCKING DEATH OF CHILD.

Sult for divorce has been commenced Suit for divorce has been commenced by G. Elizabeth Thomas Gilson against M. E. Gilson on the ground of deser-tion. The parties were married in Salt Lake March 27, 1907. Plaintiff asks for alimony and \$75 attorney fees. Judge Booth has gone to Richfield to hold court in the Sixth district and Judge Chidester will hold court here. Given a Drink of Carbolic Acid by Its Brother in Absence of Mother.

Lehi, Utah Co., Jan. II.—A shocking death of a little child occurred here yesterday. While Mrs. Charles Hites-man was away from home on an er-rand, her 6-year-old boy procured a bottle of carbolic acid from the cup-board and, not knowing its deadly conboard and, not showing its deadly con-tents, gave some of the acid to his little 2-year-old brother and encouraged him to drink it. Before medical ald could be obtained the little one died in great agony. The funeral was held this afternoon at the Fourth ward meeting-house.

SALINA. Death of Mrs. Margaret Bird-Road Improvement.

Special Correspondence. Salina, Sevier Co., Jan. 6.—The coun-ty has made a splendid graded and graveled road between Redmond and Salina.

Mrs. Margaret Bird wife of Fred Bird, daughter of Mr. and Mrs. John Gates, died of Bright's disease last
