NO LOCOMOTIVES ON LINCOLN AVE.

Pres. Bamberger Withdraws Re-
quest to Use Steam on His
Interurban Road.

TESTIMONIAL TO BP. WATSON

Big Damage Suits Filed Against O. S.
L. and S. P. - Burglaries Becoming
Common Occurrence.

Ogden, May 15.-The heated contro-
versy between the residents of Lincoln
avenue and President Bamberger of the
Salt Lake and Ogden Railroad company
was terminated yesterday when Senator
Bamberger filed with City Recorder E.
P. Brown an open letter addressed to
the mayor and city council asking that
his formal request to use steam as a
 motive power through Lincoln avenue
for the temporary operation of his
trains, be withdrawn.

The communication stated no reasons
for this action. What President Bam-
berger proposes to do regarding the
electrifying of the road is not
known. C. R. Hollingsworth, his local
attorney, refuses to make any state-
ment.

The only thing left to be done until
the road is electrified is the erection
of a temporary depot at Thirty-first
street where the line enters Ogden to
accommodate the passengers from this
city to Salt Lake and intermediate
stations. It is probable that since Mr.
Bamberger has already announced a
schedule of excursions over the inter-
urban road beginning on Decoration
day, an automobile line will be soon put
on from the Thirty-first street terminal
to Ogden canyon. This is merely con-
jectural, however, as Mr. Bamberger
could not be seen last evening, he hav-
ing left for Salt Lake City.

BIG DAMAGE SUITS.
Claims \$20,000 for a Switchman's Life
\$3,500 for Wrecked Auto.

Ogden, May 15.-In the district court
yesterday, A. L. Stone as administra-
tor of the estate of William B. West,
deceased, instituted an action against
the Oregon Short Line Railroad com-
pany for \$20,000 damages for the lat-
ter's death.

According to the complaint West
was employed by the company as a
switchman in the railroad yards at
Allen's Ferry, Idaho. While engaged
in switching cars last summer West
was knocked from the engine by an
oncoming freight car standing on a
slight grade and was ground to death beneath
the wheels of the train. Negligence
is charged against the company for
failing to have the yard sufficiently
lighted to ensure the safety of work-
ing train men.

Charles Gardner and Joseph Carroll
are seeking to collect \$3,500 from
the same company, which they claim
as damages for an automobile
destroyed in a collision with a freight
train of the company at Elko, June 5,
1907.

The plaintiffs assert that while driv-
ing the machine over a crossing, a
freight train moving at a high rate of
speed swept down upon them, hurling
the machine from the track, smash-
ing it to pieces. The reason of the
fact that a string of box cars shut
off the view of the approaching train
and the failure to give the customary
warning provided by statute, they de-
clare they were standing at fault and
the company wholly to blame.

The plaintiffs assert that they had
a joint ownership in the wrecked car.

EP. WATSON TESTIMONIAL.

Touching Tribute in Honor of Es-
teemed Ecclesiastic.

Ogden, May 15.-Fully 700 people were
present at a farewell reunion of the
Latter-day Saints of the Fifth ward
held in the Weber Stake academy as-
sembly hall, Wednesday evening to
honor and render expressions of es-
teem and affection to retiring Bishop
John Watson who was recently called
to the position of second counselor to
President Shurtliff by the Weber stake.
When President L. W. Shurtliff, El-
der David O. McKay, President C. F.
Middleton and President John Wat-
son entered they were met with an
ovation from those gathered in the
classic hall, which lasted until the
honored ecclesiastics were seated.

The meeting was called to order by
H. C. Jacobs, first counselor of the
Fifth ward. After a hymn had been
sung, Judge H. H. Rolapp acted as
master of ceremonies.
Speeches were then made by
President Shurtliff, President Middle-
ton and David Eccles in which the
retiring bishop was highly complimented

on his labors in the bishopric, his value
as a citizen and his work as a high
counselor.

Several solos and musical numbers
were then rendered in which Belle S.
Hose, Mary Jones and Willie Hancock
took part. Martha Cooley recited an
original poem dedicated to Bishop Wat-
son.

H. H. Rolapp presented on behalf of
the Fifth ward a scroll of thanks to
President Shurtliff, President Middle-
ton and the new president, John Wat-
son. Neatly engraved on the inside
of the scroll were the words: "The
first two rings were the inscription,
"1883-1908." They were presented
to Bishop Watson was engraved "Our
Bishop, John Watson, 1908." A check
was also presented to the retiring bis-
hop for \$500, the amount of the indebt-
edness of the Fifth ward.

Following the presentation of the
rings, Elder David O. McKay delivered
a short address on "Love," at the con-
clusion of which he presented the con-
gratulations of the twelve apostles to
the new president.

A touching part of the program was
the presentation to Chris Piggare, son
of the deceased President Nils Piggare,
whose death caused the vacancy which
will be filled by President Watson, a
handsome medallion from the mem-
bers of the Fifth ward to be hung over
the altar of his home.

After the evening's program had been
completed a delightful course of re-
freshments was served.

SYSTEMATIC BURGLARY.

Night Marauders Putting in Overtime
And Keep Police Busy.

Ogden, May 15.-A gang of system-
atic burglars is paying considerable
attention to Ogden at the present time,
and is giving the police plenty to do.
An average of three burglaries a
night is the record.

At an early hour this morning bur-
glars made a haul on the saloon of
Lars Jensen, on Lincoln avenue, north
of Twenty-fifth street and secured sev-
eral bottles of liquor and some cigars.

Four burglaries were reported to the
police yesterday. They were from the
back and the Banquet rooming houses
in lower Twenty-fifth street and the
residence of A. J. Bidwell, 2443 Lin-
coln avenue, and Joseph Rothwell, 141
Twenty-fourth street. All the scenes
of the burglaries of Wednesday night
and last night are in the block bound
by Wall and Lincoln avenues and
Twenty-fourth and Twenty-fifth
streets, and which is within a block
of the heart of the city.

From the Bidwell residence the bur-
glars secured \$10 and a silver watch,
while from the Rothwell residence they
escaped with \$24 and a gold watch. No
clues were left behind in any of the
cases. In all cases the burglars oper-
ating in rooms where people were
asleep.

SHOOTING TROPHIES.

Ogden, May 15.-The first of a series
of "shoots" for the Browning Brothers
gold trophies was held at the grounds
of the Ogden Gun club yesterday after-
noon. In all six three-men teams com-
peted and the total scores were very
close. The winners of the shoot were
Messrs. G. L. Becker, A. P. Bigelow and
Morrison Skeen, all of Ogden.

The trophies consist of three gold
medals, which after being won four
times by a team become the property
of the shooters. The team winning will
be handicapped two yards until the
handicap is six yards. The distance
from the blue rock traps was 16 yards.

LOGAN.

CACHE CO. SCHOOL BOARD.

Districts Transfer Property-Smith-
field Wants New School.

Special Correspondence.

Logan, Cache Co., May 13.-At the
meeting of the county board of educa-
tion yesterday, the report was made
that 15 of the county school districts
had turned over their funds and prop-
erty and that others were getting their
material in shape to have it trans-
ferred to the new county school board.
The Wheeler pupils, it was reported,
are now being carried to Lewiston, as
their school is closed. The arrange-
ment is meeting with favor. Smith-
field applied for new school buildings to
accommodate its students. The board
will investigate and will likely act fa-
vorably. The matter of having the
eighth grade examinations held
throughout the county with two or
three districts combined instead of
coming to Logan has been referred to
Supt. J. L. McCarey with power to
act.

All bills that pass the board will be
paid promptly on the 15th of each
month. Meeting adjourned till the 19th.
A marriage license was yesterday pro-
cured by Wilford McClellan, 22, of
Preston, and Miss Clara Kingsford, 32,
of Cov. Utah.

Monday, May 18, at 10 a. m. and 2
p. m., the Cache stake Relief society
conference will be held in the taber-
nacle. Visitors are expected from Salt
Lake.

Logan has withdrawn from the state
baseball league of the M. I. associa-
tions. A stake league has been organ-
ized which promises much sport in this
line during the summer. The follow-
ing games have been scheduled: Ben-
son vs. Hyde Park at Hyde Park, May
23; Second ward vs. Providence, at
Providence, May 23; First ward vs.
Fifth ward, May 22.

a house on Crockett avenue in
which to hold meetings until the new
meetinghouse hall has been built.
The \$250,000 church will pitch
tents here May 21. A big street pa-
rade will be had at 10:30 a. m.

Prof. J. C. Hogeness of the U. A. C.

PAYSON.

CLOSE OF HONORED CAREER.

Charles David Evans Lays Down
Life's Work at 79.

Special Correspondence.

Payson, Utah Co., May 15.-Charles
David Evans, one of the most promi-
nent characters of this county, died here
yesterday afternoon, after an illness
of 21 hours. The day before he was
enjoying the best of health and spirits,
despite his ripe age when he was sud-

denly seized with a pain in his heart,
which terminated fatally as stated.

Deceased was born 29 years ago in
England, where he became a member of
the Church in early days. For over 40
years he has been an active and promi-
nent Church worker in the Utah stake,
was bishop of Springville for many
years and later a patriarch. He has
been an indefatigable worker in the
unbuilding of this section of the state,
being widely known for his faithfulness
and integrity, filling many positions of
trust with honor. He is survived by his
wife and five children.

Funeral services will be held here in
the Payson tabernacle at 10 a. m. Sat-
urday, at the conclusion of which the re-
mains will be taken for interment to
Springville, where services will also be
held at 10 a. m. Sunday.

RICHMOND.

NEW IRRIGATION COMPANY.

Industrial Club-New County Road-
Old Folks Festival.

Special Correspondence.

Richmond, Cache Co., May 12.-
water users of the Richmond irriga-
tion district met in the city hall on
Tuesday night, May 12 and incorpo-
rated into the Richmond Irrigation
company, having a capital stock of
\$100,000, with \$62,000 paid up, and
\$38,000 of treasury stock. The offi-
cers elected were: President, George
H. Merrill, president and director;
George H. Naylor, vice president and
director; P. N. Nelson, secretary and
director; J. W. Hendricks, and C. Z.
Harris, directors and S. W. Hendricks
treasurer.

There are some differences between
the Coveville Irrigation district and
the Richmond Irrigation district,
which it is hoped will be adjusted
amicably, as water law suits are very
expensive luxuries.

The Richmond Industrial club is
rapidly forging to the front, and is
beginning to feel that its labors will
soon bear fruit. The club met on
Monday night in its handsomely
furnished quarters over the bank. The
old officers were re-elected for another
year, consisting of S. W. Hendricks,
president; Dr. H. A. Adams, vice
president, and A. A. Thomas, secre-
tary and treasurer; and the following
as members of the board of directors:
J. W. Funk, C. Z. Harris, C. E. Mer-
rill, J. W. Hendricks, Joseph Peart,
C. N. Nelson, T. H. Merrill.

Some time ago the club took up the
matter with the county commission-
ers of opening a road directly west
from Richmond to the towns of
Lewiston, Trenton, Clarkston and
Newton, and were happily surprised
by being notified that the county
would bridge the two rivers of Cub
and Bear and maintain the road pro-
viding the right-of-way was furnis-
hed by the people. The matter was
referred to a committee which is
meeting with such success as to insure
the opening of the road.

The next meeting of the club will
be turned into a social party, and
members will be accompanied by
their lady partners and a good time
is assured. The club has an enroll-
ment of 50 members.

The farmers are very jubilant over
the bounteous rain. It will now in-
sure crops that have been doubtful.

OLD FOLKS' FESTIVAL.

The old folks of the Benson stake
will meet here on June 4. The com-
mittees having the matter in charge
are making preparations for a grand
time.

W. K. Burnham, the local repre-
sentative of the "News," has been
confined to his bed with a very se-
vere attack of rheumatism.

Bishop M. A. Hendricks of the
Pocatello ward is here on a visit with
his parents and many friends.

Hon. David Eccles paid a hasty vi-
sit to the local offices of the High Creek
Electric Light company, on his road
to the sugar factory at Lewiston. He
has joined with the Lewiston people
in the establishment of a large mer-
chandise store at the factory with
Charles Pond, recently from Oregon,
as manager. It is rumored that he
has arranged to open his bank here
on June 1.

The district schools are nearing
completion and next Friday night, be-
fore the eighth grade pupils take their
examination, the seventh grade will
certify their diplomas. They will give a
program and serve a delicious lunch.

On Thursday, May 28, the interest-
ing drama, "Babbie," will be given by
the Richmond school, and on the fol-
lowing night, the graduating class will
give its exercises.

The banquet to be given Monday
night by the Richmond alumni prom-
ises to be the great social event of the
season. The affair is now being
planned, and is yearly augmented by a
progressive group of graduates.

Steffensen was well along in the nin-
eties, having lived a good and honor-
able life.

Morten Anderson, for many years a
resident of the Temple city, passed
away this week after a short illness
caused by a stroke of paralysis. Mr.
Anderson was well along in years, al-
though apparently healthy and feeling
quite strong previous to his sudden call
from mortality. He was a faithful
Church worker and an honorable, up-
right citizen. He was a native of Dan-
mark and is survived by a wife and
several grown children.
