Alton Takes Off Through Cars to Denver-Brakeman Schneffer Hus Narrow Escape.

When the veterans of two wars had a reunion at Lagoon last week, they -just double the regular price. As many of their friends predicted, the affair, which lasted for two days, was a financial fallure, notwithstanding the fact that the soldiers furnished a very fine sham battle exibition and fireworks display. However, one thing helped to make the week a bad one for excursions and regular amusements and that was the six-day run of Pain's fre-works, which nightly took in a couple of thousand amusement seekers. Today the veterans are allowing the regular fare to be charged on the Sait Lake & Ogden railway, and they hope thereby to be patronized by their many friends. They promise that on tonight they will give a sham battle that will put its predecessors in the tackground, the exhibition beginning after dark. The af-ternoon trains on the Sait Lake & Okden today carried our some good. and the attendance promises to be large.
