THE SCARCITY OF DIAMONDS, Gold and Silver, and the difficulties met with in securing them, is a sure indication of their value.
Thus it is with a valuable medicine: Dr. Aug. Kaiser's Celebrated German Pulmonic Balm, through the jealousy of rivals, has met with the most bitter opposition, and apparently almost insurmountable obstacles have been thrown in its way; but its opponents might as well try to change the course of the sun, or sweep back the ocean with a broom, or put out a plain fire with a tear.

For the cure of Throat and Lung diseases, such as Coughs, Colds, Consumption and Bronchial Affections, it is unequalled. Its cures are truly magical. Ask your Druggist for it. The genuine bears the Prussian Coat of Arms, the facsimile signature of Dr. Aug. Kaiser, and has his name blown on every 75 cent bottle. Trial bottle, 25 cents.

For sale, wholesale and retail, by the Z. C. M. I. Drug Department and Moore Allen & Co., Salt Lake City.

THE *Millennial Star* will be mailed to any address, on receipt of the publisher's, of \$2.00. Three copies will be forwarded for \$4.50, the reduction being on account of the difference in postage. Address: William Budge, 421 Lexington, Liverpool, England.

There is nothing to cleanse an impure circulation or wake up a dormant liver like SCOVILL'S BLOOD AND LIVER SYRUP. It does the business thoroughly in either case, promoting active bilious secretion, restoring to the life current the purity of perfect health and removing from the cuticle disfiguring eruptions and sores. Chronic Rheumatism and gout also succumb to its curative influence. For the diseases peculiar to the gentler sex it is a capital remedy. All druggists sell it.
Comfort and Relief for the Afflicted.
At last there has been an article found which is a certain cure for all Coughs, Colds, Hoarseness, Difficult Breathing and all Affections of the Throat, Bronchial Tubes and Lungs, leading to Consumption, which is known as HALE'S HONEY OF HORSERADISH AND TAR. This remedy is compounded from the favorite recipe of Dr. Hale, a celebrated physician of Europe, who for many years used it with the most complete success in his extensive private practice. The beauty of this medicine is that the patient is not obliged to continue taking it for weeks before receiving any benefit, but on the contrary, the first few doses give relief. One bottle is sufficient to cure any ordinary cough or cold, and from six to twelve bottles cure the worst cases. Sold at all drug stores and at Crittenton's Central Medicine Warehouse, 7 Sixth Avenue, New York City. Prices 50 cents and \$1 per bottle. Great savings by purchasing the dollar size.

LOCAL AND OTHER MATTERS.

Will Close.—Saturday next, February 22d, Washington's Birthday, Being a national holiday, Z. C. M. I. will be closed.

H. S. ELDRIDGE, Supt.

Correction.—In last Friday evening's News we mentioned the organization of the Y. M. M. I. A. of the 13th Ward and stated that the weekly meetings would be held every Wednesday evening. Upon this matter we were misinformed, Tuesday evening instead of Wednesday having been selected for the meetings.

"Woman's Exponent."—No. 18 of the *Exponent* is just issued and laid before us, filled as it always is with suitable interesting reading for the sex whose cause it so ably maintains. Among a host of other good articles, the editorial, written about the "visit to Washington," will be perused with more than ordinary interest at the present time.

London Bank of Utah.—The advertisement of the London Bank of Utah will be found in our paper this evening. Mr. Anthony Godbe, on his recent visit to London, having perfected the necessary arrangements to place this institution upon a firm financial basis, is now able to transact a general and complete banking business. His ability in conducting an enterprise of this character is well known in Utah, and the London Bank of Utah has excellent prospects of full success.

Lectures.—Elder H. W. Naisbitt will deliver his popular lecture of "Random Shots," in the 7th Ward Assembly Rooms, to-morrow evening, at 7 o'clock, under the auspices of the 7th Ward Mutual Improvement Association. Admission free. All invited.

Prof. O. H. Riggs will deliver his interesting lecture on "London and Paris," in the 13th Ward Schoolhouse, to-morrow evening, at 7:30. It will be under the auspices of the Mutual Improvement Association, and all are invited. Admission free.

Elder Jos. F. Smith will deliver a lecture at the 8th Ward Meeting House this evening at 7 p. m. The public are respectfully invited.

Gone East.—Mr. T. E. Taylor, of the business department of this establishment, left this morning on a trip through the Eastern States. He will visit all the principal cities in the interest of this paper, and expects to be absent about six weeks.

S. P. Teasdel, Esq., started this morning for the East. He goes to make purchases for the Eagle House, principally in New York, Philadelphia, Boston, Chicago and St. Louis.

We wish both the gentlemen a pleasant, prosperous journey and a safe return.

Third District Court.—Proceedings on Saturday. M. Schaeffer, Chief Justice, presiding: Brigham F. Grant vs. Susan Grant et al.; demurrer to the complaint overruled and the defendants given twenty days to answer.

Albino Williams et al. vs. Benj. F. Cummings et al.; dismissed for want of prosecution.

Thomas Hawkins vs. Harriet Hawkins; the motion by the plaintiff to dismiss the appeal was overruled and the plaintiff given fifteen days to answer defendant's petition.

The court adjourned until this morning at 10 o'clock. Proceedings to-day: The empanelling of the jury to try the case of the United States vs. General R. T. Burton was proceeded with this morning. The grand jury were in attendance but were excused until 2 p. m. Judge Tilford appeared in behalf of Gen. Burton, and Mr. Beatty deputy district attorney, appeared for the government. Some jurors were challenged by the defense and excused, and at 12 o'clock the further proceedings were postponed until 3 p. m. to-day, at which session it is hoped the jury may be all empaneled and ready to go on with the case.

At 2 p. m. the grand jury were in court and were sworn, after which Judge Schaeffer proceeded to deliver his instructions to them. The charge was brief and impartial, devoted entirely to the duties they should perform. His Honor told them that their proceedings were to be secret, that they should appoint a clerk, one of their own number, and that in framing indictments as a jury, they should know no man as a friend or as an enemy. After the conclusion of the charge, the jury proceeded to their room, accompanied by the deputy U. S. Attorney.

Train Ditched.—We have just received the full particulars of the ditching of a Central Pacific train from our Ogden correspondent, "Semper."

At 2 o'clock p. m. yesterday the regular freight train left here bound for the west. Nothing unusual occurred until it had reached a curve about one mile west of Quarry, where a little over 40 miles from here, when a herd of cattle were discovered on the track, the engineer being unable to see them, or to stop the train in time, it ran into them, lifted some of them on the "pilot," run over and killed several of the animals.

The engine and seven cars—three loaded with coal, the others with merchandise—were thrown from the track. The engineer, fireman and brakeman—the latter is Geo. Ensign, of Ogden—jumped off the train; the former two escaped with very slight hurts, but young Ensign had his right leg broken between the knee and the hip. As soon as the news reached Ogden, Supt. Pratt dispatched a wreck train, on which went Dr. Condon, accompanied by Horace Ensign, brother of George, to the scene of the accident. This morning they returned with the patient, when I visited the young man, who complained of a pain in his back, which, he told me, was more severe than in his leg. Neither of his hurts, however, are considered dangerous, and as he has good treatment and kind nursing, it is hoped he will soon be able to move around again. He bears his pains with fortitude, and is doing as well as can be expected.

Educational Association.—The Association met in the Thirteenth Ward Assembly Rooms, Saturday, Feb. 12th. The exercises, as usual, were of an interesting character. Bishop Thomas Taylor spoke on the "Duties of Trustees," giving some very good instructions. He was followed by Mrs. Cobb, principal of the Mission School in the 13th Ward, who spoke on primary instruction and first steps in composition, and illustrated her manner of teaching German. Mr. Arthur Parsons, teacher of the 16th district, gave an address on orthography and his method of teaching it.

Meeting adjourned for two weeks, to meet in the 13th Ward Schoolhouse.
