. November 13, 1885 BEVIEW OF THE UTAH COM-

MISSIONERS REPORT. shall therefore devote a little more

space to a consideration of its convided with the snug little position and

unan more tracking that "the sta-

relates to the registration and election | conflict with United States law. But | trusive. They complain that former deprive them of their positions will be any notice whatever should be taken of their unsolicited and unauthorized re-

now we found upon the registration hats and mone of this chast are holding office," as stated by the Commissionto their wilice, and indulge in asserprovince Pary pretend to name the !" actual number of plural marriages the will be passed that will interfere with and suffocating smoke were sole united in 1881, and er _o give particulars concerning the se in 1885.

But they know no more a gout the facts

13 Tu. 13 speculative and misleading make it appears that an " internal alltation" at 1 "incipie - contest" is gobecause a few of those individuals who have been prosecuted for unlawful cohabitation with their wives have promised to obey man rather than God, That every person put to the test is not get to that intended. And are natural. Attempt to force per ,pie to resounce caything which only be confirmed in their faith and become more united in its defense. And this is the feeling that has been aroused. in the bosoms of the Latter-day Saints, who have been taught to expect the unreasonable and unconstitutional measures hurled against a principle of their religion which, as the Commissioners themselves a mutted in their previous report is the men an acticle of their fails as by Loss for the remission of

all who declare their intention to obey obey the laws," can only be designated | jects can be accomplished by faith as whiful and barefaced falsehoods. This may us considered strong lanpunishment or penalty for their weak- makes it the more gratifying. ness. That the Commissioners had to resort to flagrant falsehood in order

ers of the calumny. of the Edmunds law. They assert that there have been "83 indictments found for polygamy and unlawful cohabitation," with 23 convictions and 43 awaitins trial. At the same time they know very well that there has been but know very well that there has been but two convictions for polygamy—one of the same time they is a convictions for polygamy—one of the same time they is a convictions for polygamy—one of the same time they is a convictions for polygamy—one of the same time they is a convictions for polygamy—one of the same time they is a convictions for polygamy—one of the same time they is a conviction of the same time they is a conviction of the same time they is a conviction of the same time they and place" to any other. What we have secomplished is good enough for them, and, as many of them seem to think, too good for us. The old feeling of hatred, envy, covetousness and injus-

them to direct opposition to the evi- tice which led to the mobiling rifling, great that men choke with tears in stock to the public. The object of this sible, more rank and rite than at any time disingenuous statement is undoubtedly during the dark days of the eastern to make it appear that great headway expulsions. The object is not merely of the great strike, which inflicted a monied loss on the business men of the great strike, which inflicted a monied loss on the business men of Galesston of fully strong this cahus to obtain credit for something legal privileges, but to obtain control that has not been achieved. The para- of everything we have that is worth graph is cunningly worded, but its un- having, after we have made it what it truthfulness is apparent.

The recommendation for a fourth hands we forged the link of civilizaudge for Utah would be very good if | tion which completed the chain unit it was likely to have any weight with | ing the Atlantic with the Pacific, they the coming session. Not because the before them that we have made it posfug a length comment, could not be Commissioners have taken upon them- sible for them to live comfortselves to tell Congress what to do, but ably and amass fortunes, they rebecause the necessity for it has al- ply, "Come within the laws;" ready been recognized. It is a shame to the assertion that we, as a people, and a reproach that judges in the Ter- have never refused to oney any one of ritories should sit in an appellate the many calls made upon to by the court and review and pass judgment Government, we are advised to "come ought to be freed from such an anoma- is less than in three-fourths of the re-

the action of the leaders of the have left the rest of the coun-Church and the principal part of try astern even in the one their following are concerned." matter of maturing matter Really. But what have these of- this will be regarded as sufficient of a ficials to do with the leaders departure to warrant the call-"Come of the Church, their action or the back within the laws!" if that one course of their followers? Who ap- argument were all at once to be strickpointed them to say what policy the eaders of any Church should pursue? It really seems as though "a little brief authority" turns some men's brains topsy-turvy. "WE are disappointed." Prodigious! Have they not yet learned that the conduct of Church affairs be-
