Stake Conference. - The regular quarterly conference of the Salt Lake Stake of Zion will convene in the Tabernacle, on Saturday, August 2nd, 1884, WM. W. TAYLOR, at 10 a.m. Stake Clerk.

High Council .- The members of the High Council are requested to meet in the Social Hall, on Friday, July 25th, 1884, at 7 p. m.

WILLIAM W. TAYLOR, Clerk.

Pioneer Day To-morrow. - The NEWS will honor the memory of the brave men whose tired feet halted in this valley, thirty-seven years ago, and celebrate the day. No paper till Friday evening.

Base Ball.-There will be a match game of base ball on Washington Square to-morrow at 2.30 p.m. between the Blue Stockings and the Olympics. Judging from the constant practice that both teams are having, the public may look for a close and interesting game.

Celery .- "How to Grow Fine Celery" is the title of a little pamphlet of four-teen pages, published by H. M. Crider, York, Pa., at 25 cents a copy. It claims to describe a new method for the successful cultivation of this generally uncertain, but highly profitable crop, and is really a compliation of letters written by the author to the New York Tribune.

Sports on the Square .- The Athletic Association have arranged an interesting programme of exercises for to-morrow afternoon on Washington Square, full particulars of which will be found in our advertising columns. There will be bicycle and foot racing, besides the base ball match mentioned elsewhere, for all of which a good deal of hard practising has been done. A good afternoon's sport may be rellad upon.

In addition to the attractions enumerated in the advertisement in another column, the exercises throughout will be eahvened by jubilant strains from the Sixteenth Ward Brass Band, the same organization that performed so creditably on the Fourth. Look out for them on the street this evening.
