Services will be held in the various non-Mormon churches tomorrow as follows:

Mrs. Cota, Confined to Bed and In Constant Pain, WAS PERMANENTLY CURED BY DR. WILLIAMS' PINK PILLS.

Every Sufferer From Rheumatism Should Read This Statement of a Grateful Woman.

RHEUMATISM.

Rheumatism can be inherited and that fact proves it to be a disease of the blood. It is necessary, therefore, to treat it through the blood if a perto treat it through the blood if a per-manent cure is expected. External ap-plications may give temporary relief from pain but as long as the poison-ous acid is in the blood the pain will return, perhaps in a new place, but it will surely return. Dr. Williams' Pink Pills cure rheumatism because they go directly to the seat of the disorder, purifying and enriching the blood. Mrs. Henry Cota, of West Cheshire, Conn., is the wife of the village ma-chinist. "Several years ago. "she says, "I was laid up with rheumatism in my feet, ankles and knees. I was in con-

feet, ankles and knees. I was in con-stant pain and sometimes the affected parts would swell so badly that I could not get about at all to attend to my household duties. There was one per-iod of three weeks during which I was confined to the bed. My sufferings were awful and the doctor's medicine

confined to the bed. My sufferings were awful and the doctor's medicine did not help me. "One day a neighbor told me about Dr. William's Pink Pills and I decided to try them. After I had taken them a short time I was decidedly better and a few more boxes cured me. What is better; the cure was permanent." Remember Dr. Williams' Pink Pills do not act on the bowels. They make new blood and restore shattered nerves. In this way they carry health and vigor to every organ and fiber of the body. They tone up the stomach and restore impaired digestion, bring healthful, re-freshing sleep, give strength to the weak and make miserable, complain-ing people strong, hungry and ener-getic. And they are guaranteed to contain nothing that can injure the most delicate constitution. They are sold by all druggists, or will be sent postpaid, on receipt of price, 50 cents per box. six boxes \$2.50, by the Dr. Williams Medicine Co., Schenectady, N. Y.

at 10 a. m. A full attendance is de-shed, because of the assignment of Chrisimas exercises. Church service, with preaching, at 11 a. m. At this service new members will be received and the Sacrament of the Lord's Sup-per will be administered. All are welcome to those services. Meeting of the Sunday school teachers and of ficers immediately after the morning service. Meeting of the church coun-ell at the parsonage, Monday evening at 8 o'clock.

. BULLFROG EXCURSION.

WARD

ENTERTAINMENTS

Rhyolite, Nev., will celebrate RAIL-ROAD DAY December 15th. For this event, the Salt Lake Route, Utah's most popular road, will operate its sec-ond low rate excursion to the Bullfrog district. Chance to visit Greenwater also. Owing to the big crowd going, it is important to make changes. it is important to make sleeping car reservation at once. 'Phone 1986, 169 South Main Street.

pushed forward with the greatest en-ergy. The river Kafue, one of the great feeders of the Zambesi, has been spanned by a bridge 1.400 feet long, and the railroad is now at Broken Hill. miles farther north. A gentleman who has just returned from a visit to the scene of operations says that the country is on the whole

says that the country is on the whole very healthy, though there is some fever, which must always be looked for in virgin soil. The plateau north or the Kafue, which the railway has entered, is 4,000 feet above sea level, and the air is bracing. Ice an inch thick may be seen on the pools in the mornings. The country looks as if it could grow anything; the cattle are sleek and healthy, and there is an abun-dance of native labor. Some day the agricultural resources of this territory will be developed by the white man with great benefit to South Africa. Broken Hill is the present railway Broken Hill is the present railway Broken Hill is the present railway terminus. The mining field consists of a number of kopjes, which have only to be quarried for the zinc and lead ore which they contain. Of this ore, according to the engineers, there is at least 750,000 tons in sight, and proved going down to the water level of 30 feet. The mines are now being worked, and the first trial shipment of zinc was disthe first trial shipment of zinc was dis-patched from Beira to Swansea, Wales, the other day. The zinc ore is quar-ried out of the kopies and calcined on the spot. The ore gives 50 or 60 per cent of zinc, and the cost of mining and sending the ore to Wales, including all charges, should be about \$19.47 a ton, and assuming the cost of treat-ment at Swansea to be 24 cents a unit, that would make \$14.60 a ton to reduce it to spelter, so that to produce crude zinc should cost \$34 a ton of ore. With 50 per cent of metal that would make \$88 a ton of zinc, while the present market price of spelter is between \$21 and \$136.
