The question as to whether the city had better employ a man throughout the winter on Union Square was referred to a committee. The sum of \$2,000 was appropri-

The sum of \$2,000 was appropri-ated on the attesian well account. The mating of the building own-ed by Mr. Stoffar, First South Street, which has been considered unsafe, and which the inspector of public buildings ordered closed, was referred to a special committee of five, at the instance of the inspec-

tor, to report whether it would i advisable to allow a continuance of improvements on the building. The Mayor laid before the codncil a proposition made by a numac., and much more that limited space compels us to omit mention-ing. We next pass a neat display of marble, stone, and iron work. Alderman Armstrong offered advance an additional amount \$150 If the mains could still be exfit of the people living in the neigh borhood of the 11th Ward school house, who suffer greatly during winter months for want o

water. After the subject of extending th water mains had been fully discus-sed by the council, and after sug-gestions to the effect that people in other localities had also offered to make liberal advancements for extensions, the Mayor was authoriz tains some fine specimens of orna-mental iroff work, iron fencing, by Daniel Dunne; and morticing ma-oblines, older present latter present. The matter of the petition of chines, cider presses, letter presses, Isaac Hunter was again laid over dre grates, from the Logan United for one week. The Council then adjourned for
