## THE FORTH IN JUNCTION CITY

Less Noise. No Mishaps. With  
Abundance of Amusements  
Characterize Day.

### OPENING OF CONVENTION.

Deaf and Blind Instructors in National  
Meet—Pickett Grocery Again Bur-  
glarized—News Notes.

Ogden, July 6.—With perfect summer  
weather and not an accident or mishap  
to mar the pleasures of the day, the  
Glorious Fourth was observed in a most  
quiet way in Ogden. While there was  
no special celebration, there were spe-  
cial attractions and features at all the  
parks and resorts. From early morn-  
ing until late at night great crowds of peo-  
ple patronized the streetcar lines en-  
route to the resorts.

A noticeable feature of the day was  
the absence of the firecracker and bomb  
shells. Although Young America was  
much in evidence with the small fire  
cracker and torpedo caps, which he  
found great delight in placing on the  
street car tracks, there were none of  
the usual Fourth of July accidents re-  
ported.

The baseball game in the morning  
and the races in the afternoon attract-  
ed about 5,500 people to the Internoun-  
tain fair grounds. The Sylvan and  
Glenwood parks in the evening were  
thronged with merry makers, dancing  
being the chief amusement.

All day long the road in the canyon  
was one of the busiest thoroughfares in  
the state. Autos and vehicles of all de-  
scriptions carrying pleasure seekers to  
the canyon resorts traversed the road  
from long before sunrise and through-  
out the night. The Hot Springs and  
Sanitarium with their splendid bathing  
facilities came in for a share of lib-  
eral patronage.

Hundreds of Ogdenites went to  
Huntsville and Devil's Slide, where spe-  
cial celebrations were held. Several  
hundred went to the Lagoon, Saltair,  
and the resorts in Salt Lake city.

### DEAF AND BLIND CONVENTION.

Instructors of Unfortunates from U. S.  
in Triennial Gathering.  
Ogden, July 6.—The first business  
session of the eighteenth triennial con-  
vention of the American Instructors of  
the Deaf was held at the gymnasium  
of the state school for the deaf and  
blind yesterday afternoon, at which

were about 150 prominent educators  
from all parts of the United States and  
Canada.

The Moral and Religious Teachings  
and How Sundays are spent in the  
schools for the deaf was the subject  
upon which short addresses were made  
by the following: Supt. W. K. Argo of  
Colorado Springs, Miss Margaret Ste-  
venson, Olaf, Kan.; J. Schuyler Long,  
Iowa; Warren Robinson, Wisconsin;  
H. G. Hammond, Kansas. A general  
discussion followed the addresses. The  
session which lasted about two hours  
was presided over by Supt. E. McKay  
Goodwin of Morgantown, N. C.

Yesterday morning different churches  
were visited and in the evening special  
services were held in the tabernacle at  
which Elder D. O. McKay was the  
speaker, devoting his theme to the  
doctrines of the Latter-day Saint  
church. The choir under the direction  
of Prof. Joseph Ballentyne rendered a  
number of selections.

The forenoon session today was de-  
voted mostly to class work by stu-  
dents of the various departments of  
the work. The afternoon session will  
consist of a large number of papers,  
followed by discussions.

This evening there will be a general  
reception on the school lawns. Music  
will be furnished by the blind orches-  
tra, which also furnishes music at each  
meal time and in the evening for dan-  
cing.

### BURGLARY ON THE FOURTH.

Up to noon today the police have  
found no clue to the burglars who blew  
the safe of the Pickett Grocery com-  
pany early Saturday morning. There  
remains but little doubt in the minds  
of the officers that the job of blowing  
the safe was done by amateur crack-  
smen. Enough powder was inserted in  
the hole after the outer combination  
had been knocked off to blow the safe  
to pieces. The shot broke the outer  
door from its hinges and sent clay and  
papers all over the store floor.

The contents of the safe which was  
later learned consisted of about \$1,000  
in papers, collaterals and currency  
caught fire and was destroyed and the  
robbers only succeeded in getting away  
with about \$40 in coin. It is evident  
that the robbers were frightened away  
before securing further plunder.

The burning papers and books in  
the safe fell out onto the floor and the  
fire began to spread in the room when  
discovered by an early morning cele-  
brator and the fire department was  
summoned as were the police. There  
was no damage by fire.

The burglars took advantage of the  
general noise caused by Fourth of July  
celebrations and worked with little fear  
of being detected. Another thing to  
their advantage was that the building  
being on the east side of Washington  
avenue there was little traffic on that  
side of the street and it lessened dis-  
covery.

### SALT LAKERS MARRY ON FOURTH.

James J. Davis and Mrs. Mary Ste-  
phenson of Salt Lake City were grant-  
ed a license to wed by the county  
clerk late Saturday afternoon and El-  
der G. D. Folkman, pastor at the coun-  
ty house, performed the ceremony. The  
couple stated that they had tried to  
get a marriage license in Farmington  
in the early part of the day but were  
unable to do so as the clerk's office  
was closed. They came to Ogden where  
the matrimonial knot was tied.

### FUNERAL OF MRS. BIXON.

The funeral of Mrs. Sara Bixon will  
be held this afternoon at the family  
home in Harrisville. Mrs. Bixon died  
last Thursday at Rigby, Idaho, where  
she had gone to visit her son, Riley  
Bixon. Mrs. C. D. Brown, a daughter  
of the deceased, went to Idaho to es-  
cort the remains to Ogden. The de-  
ceased was 84 years of age and had

The manager of a fur-  
niture factory says that  
if women realized the  
value of soap and water  
there would not be so  
great a demand for fur-  
niture polish.

But soap and water  
must be used with judg-  
ment, as strong soap is  
injurious to furniture.

This is his recipe:

Make a tepid suds of Ivory  
Soap; dip a cloth in it, squeeze  
and go over the furniture sev-  
eral times. Polish with a  
chamois cloth.

been a resident of this county for more  
than 40 years.

### TELFER BURIAL AWAITS IN- STRUCTIONS.

As yet no instructions have been  
received by Undertaker Lindquist in  
regard to the disposition of the body of  
J. E. Telfer, the young man who was  
found dead in a bed in the Healy  
house. Telegrams have been sent to  
relatives of the deceased in Calgary  
and Montreal, Canada, but no answers  
have been received.

### VICTIM OF SPINAL MENINGITIS.

Annie Henrietta Southwick, the 7-  
year-old daughter of Joseph and Hen-  
rietta Southwick, died Saturday after-  
noon at the family residence in Lib-  
erty, of spinal meningitis. The funeral  
will be held this afternoon at the Lib-  
erty meetinghouse.

### PROVO.

#### SERIOUS BOMB ACCIDENT.

Wm. H. Ray May Lose Sight of Both  
Eyes—Launch on Lake.

Special Correspondence.

Provo, July 6.—Wm. H. Ray, one of  
Provo's prominent business men, met  
with a very serious accident, which  
may result in the loss of both of his  
eyes. Mr. Ray had lighted a giant  
fire cracker and laid it upon the  
ground, when one of the neighbor's  
children ran over to the firecracker  
and in the attempt to intercept the  
child, got too near to the explosive,  
when it went off, striking him in the  
face. He was immediately taken to  
the hospital, and the attending phy-  
sicians gave out the report that he  
had lost the sight of his left eye and  
probably might lose the sight of the  
other eye.

Developments show that the acci-  
dent, though quite bad, was not as  
serious as at first reported. Mr. Ray  
was taken to Salt Lake yesterday  
morning and will be placed under the  
best specialist for treatment.

### LUNCH ON UTAH LAKE.

One of the most enjoyable of the  
"pleasure excursions" of the Fourth was  
a launch party on Utah lake, arranged  
by a number of the employees of the  
Teller Power company, and chap-  
tered by Mr. and Mrs. W. L. Bier-  
sack.

The launch Cleo was chartered for  
the day, and from Wilson's resort, di-  
rectly across the lake to Pelican Point  
where the senior members of the Salt  
Lake Y. M. C. A. are in camp. A  
game of ball was played, when the trip  
on the lake was resumed, and Saratoga  
Springs was made. Here such a

dainty and appetizing luncheon as  
will long be recalled, was served be-  
neath the shade of the old apple trees.  
The afternoon was spent in boating,  
bathing and other amusements, the re-  
turn trip across the lake being made  
by moonlight, during which singing  
and the graphophone added to the  
romantic surroundings. The party was  
indebted to Miss Vera Sjodahl, of Salt  
Lake, who was one of the guests of  
the day, for adding several miles to  
this delightful return trip, the pilot  
having surrendered the wheel to her  
and afterwards becoming oblivious to  
the fact that the boat was  
all but going in several di-  
rections at the same time. Captain  
Wilson came to the rescue in time to  
avert stranding on a sand bar, and the  
party was safely landed in time to  
catch the last stage for Provo.

### FACES SERIOUS CHARGE.

At the instigation of Wm. S. Pratt,  
J. P. Coldren was arrested by the  
city marshal, charged with a statutory  
offense with Mrs. Rebecca Pratt, who  
probably will also be arrested. Coldren,  
who is a transient painter, has been  
boarding with the Pratts. Mrs. Pratt  
commenced suit for divorce against  
her husband three days ago.

### SPRINGVILLE.

#### SAD DEATH OF YOUNG BRIDE.

Mrs. Ina Maycock Sumson Succumbs  
To Lung Illness.

Special Correspondence.

Springville, Utah Co., July 6.—A  
gloom has been cast over this town by  
the announcement of the death of Mrs.  
Ina Maycock Sumson, wife of James  
Sumson. They had just been mar-  
ried four months to the day. She was  
the oldest daughter of the late Bishop  
Geo. H. Maycock, and had just got set-  
tled in Chester, Sanpete county, where  
Mr. Sumson has a large farm home.  
About three months ago Mrs. Sumson  
was taken very ill, and was taken to  
the U. S. hospital in Salt Lake for  
treatment. An operation for abscess  
on the kidney proved unavailing, and  
death supervened July 5. The body  
was brought to her mother's home  
over the R. G. W. railroad, where the  
deceased was laid in state. Mr. and  
Mrs. Sumson were married in the  
Maycock home, where the body  
will lay in state for the arrival of a  
younger brother, J. Leslie, who is in  
Chicago on a mission, when he arrives,  
which will probably be Wednesday.  
The funeral will be held. Mrs. Sumson  
leaves a husband, widowed mother,  
brothers and sisters and a host of  
friends.

The deceased was a good and efficient  
worker in the Springville First ward  
Sunday school and Y. L. M. I. A., be-  
ing an officer in each organization un-  
til moving to Sanpete three months  
ago. She has been a trusted employe  
of several business firms here and  
earned the love and respect of all the  
people of Springville and all who met  
her.
