

NEWS OF THE WEST.

Workman Killed by a Boulder Falling on Him.

KANSAS WORKS ON FARM HANDS.

Sudden Death From an Abscess in the Ear. Two Hundred Feet in Depth.

Jersey Harrington, a carpenter, fell 200 feet from a scaffold on Monday morning at Hattie, Montana, and was killed.

Several robbers held up the north-bound stage at Leadville, 80 miles north of Denver, Wednesday, Monday afternoon of the 24th. The robbers were also armed with revolvers and shotguns. The stage was held up for some time, but the driver managed to escape with the passengers.

W. O. Stanley of Ogden, who travels for Harrington's, the house, San Francisco, was killed by a boulder on Monday morning at Hattie, Montana, and was killed.

J. H. Edgar and Wm. O'Brien, who were traveling together in a stage, were held up by robbers at Leadville, 80 miles north of Denver, Wednesday, Monday afternoon of the 24th. The robbers were also armed with revolvers and shotguns. The stage was held up for some time, but the driver managed to escape with the passengers.

In Sny, Kansas, and other counties in Kansas, girls and young women are being lured by regular farm hands. They are paid \$2 a day, and they run the houses and drive the teams, but the girls are kept in the house and are not allowed to leave.

A special to the Spokesman-Review from N. H. West, Sept. 2, says that a car on the New Mountain road jumped the track at Deep Creek Park, East of Leadville, Colorado, on Monday, August 2nd. The car was carrying a party of tourists, and the driver was killed. The car was found on the side of the mountain, and the driver was found dead.

John Larkin, employed by the railroad, was killed by a boulder on Monday morning at Hattie, Montana, and was killed. The boulder fell from a cliff and struck Larkin on the head. He was killed instantly.

blow. A horse's head, and, when the horse was killed, the horse was found to be dead.

Occasionally dairy farmers would find it to their advantage to have the best of their milk carried. When a cow is milked, a bucket of milk is put in a bucket, and the bucket is carried to the house.

A CALL FOR A BULL. Under this system dairy farmers would be better off if they raised their own cows, at least a large proportion of them.

It is little trouble to keep a calf, and when it is 2 weeks old, from being brought up on skim milk, which is a little condensed from the milk, with or without some sugar. The calf will then be a very good milk producer.

Popular Prices for Practical Dentistry. Formerly it was necessary to do the dental work without charging more than what was paid for the work. Now, however, it is necessary to charge more for the work, and the dentist is now able to do the work at a lower price.
