More Trouble with the Indians.

Bismarck, 12.—A special to the Pioneer Press says, advises just received from the Standing Rock agency indicate considerable trouble ahead. A chief named John Ureah was arrested for carrying supplies to the hostile camp, creating a strong feeling between the Indians and the military, who made the arrest.

A courier who left for this place, before he had crossed the river opposite Standing Rock, heard the long roll beat and the bugle sound, and saw the soldiers and the white men running towards the military quarters.

Increased for the Northfield Bank Desperders.

St. Paul, 12.—Governor Pillsbury has issued a proclamation of setting a reward of \$1,000 each for the capture of the bandits engaged in the attempt to rob the Northfield bank. The First National Bank at Northfield has also increased its reward to \$500 each. The horses and saddles of the robbers were found this afternoon in the timber near the river, and the trail was followed. This is accepted by some as evidence that the robbers have escaped through the canyon of pursuers.

Anniversary of the First Constitution of Pennsylvania.

Harrisburg, 12.—The Governor issued a proclamation to-day, recommending that the citizens of Pennsylvania residing abroad observe September 26th as a holiday; that they assemble in Philadelphia on that day and take part in the anniversary of the signing of the constitution, and assist in making the day memorable in the annals of the commonwealth. The day selected is the 100th anniversary of the adoption of the first constitution of Pennsylvania.

Republican Convention.

Columbia, S. C., 12.—The state republican convention, to nominate state officers, met to-day. Robt. Smalls, colored congressman, was elected temporary chairman. There are contesting delegations from several counties in opposition to Chamberlain, but are not strong enough to defeat his nomination for governor.

\$50,000 Fire.

Jamestown, N. Y., 12.—A fire this evening destroyed several large establishments; loss \$50,000.

Seabee Says Ohio Is Sure for Hayes.

Chicago, 12.—The New York Sun having stated that Hon. Carl Schurz, in writing to him in Washington, had said that in Ohio the German vote was arrayed against the republicans, and that the republican vote was arrayed in support of Hayes, the following is the answer:

"Michigan City, Sept. 12.

"I wrote no such letter and entertain no such opinion. Ohio is sure to me to be sure for Hayes. Use this as you please.

(Signed) C. Seabee.

This positive denial and expression of belief gives great satisfaction to the republicans here.

The Appropriation Bill—The Hawaiian Treaty.

The President's instructions to Gen. Humphreys, chief of the Hawaiian expedition, to expend not more than \$250,000 of the river and harbor appropriations, none of which will be for new work, but for an acknowledgment of the Hawaiian debt, and the officers conducting the work show it to be more necessary to protect the work partially completed.

Numerous letters are daily received at the War Department appealing to Secretary Cameron to prevent the reduction of expenditures of work on the Hawaiian Islands.

A number of importers of Cuban sugar, who receive their cargoes at New Orleans, claim that they are entitled to enter their sugar free of duty, and have paid the customs duties under protest, since the passage by Congress of the act to regulate imports under the recent treaty with the Sandwich Islands.

Presentation Banquet.

New York, 12.—The attaches of the White Star steamship line, on their return to New York, were given a banquet by F. Fugasi, the San Francisco agent of the line, and presented him with a gold badge. Mr. John Williams, chief officer of the White Star line, in this city, presided. Speeches were made by railroad men present.

The International Rifle Match.

The Tribune's editorial says: A contest took place yesterday at Sanderson on the short and long range matches. In the first contest twenty riflemen made from forty-one to forty-five points each out of fifty. In the second contest the shooting was still better; the average of twenty of the best competitors being higher. The first prizes in both cases were won by the American team. Mr. Jewell showed extraordinary skill in scoring fifty points at mid range, the highest number that could be attained. The contest, to-day, will excite further the championship of the world. Whoever wins, we may feel proud of our riflemen.

Nominations.

The Republicans nominated Ely Spaulding for Congress in Buffalo district.

St. Joseph, 12.—The republicans of the 9th district of Missouri to-day nominated B. F. Loen for Congress.

Forged Bonds to the Amount of \$300,000.

St. Louis, 12.—Reports have been in circulation since Sunday that a heavy forgery had been committed on the city banks, but the matter has been kept quiet. It appears, however, that a young man formerly living in Howard County, and now doing business here, forged the names of the city officers to some blank Howard county bonds, and borrowed money on them as collateral. The forgeries are said to be upwards of

Love and Glue.

We shall never forget that evening we spent at Magruder's years ago. We admired Miss Magruder, and went around to see her. It was summer time and moonlight, and she sat upon the piazza. The carpenter had been there that day gluing up the rustic chairs on the porch, so we took a seat on the step of her house, and she said to us, "Don't be in a hurry, we could glue into her eyes and drink in her smiles. It seems probable that the carpenter must have upset his glue pot on the spot where we sat, for after enjoying Miss Magruder's remarks for a couple of hours, and drinking several of her smiles, we tried to rise for the purpose of going home, but found that we were immovably fixed to the step. Then Miss Magruder said, "Don't be in a hurry, and we told her that we believed we wouldn't. The conversation had a sadder tone after that, and we sat there thinking whether it would be better to ask Miss Magruder to withdraw while we disrobed and went home in Highland costume, or whether we should urge her to wipe up the glue, or whether we should give one terrific wrench and then ramble down the yard backward. About midnight we were awakened by a noise, and we thought it was the door opening, and we rushed to the door, and found that we were immovably fixed to the step.
