GOOD PROSPECTS FOR TRACK WORK

School Athletes Working Hard for Coming Contests.

THE BOYS LINE UP.

Many Caudidates Ready to Contest for Various Positions on Crack Team This Year.

This year's prospects for the local high school to regain its lost faurals in track work are pleasing and the stmost will be done by every one in onnection with the track to place the igh school at the head where it was or so many years previous. Two years go the school went down to defeat rd with the boys and will give them individed attention, as a number events are doubtful. Captain Lewis artick, who will lead the train rough the season is doing his best. facrease the size of the squad. Man-er William Caine is holding down and of the work as he is arranging for a number of practise meets, so that the boys will have a little ex-perience before entering the state meet. AN INDOOR MEET.

If the present plans are carried through the local high school athletics will rub against the athletes of the Y-M. C. A. in an indoor meet to be held in a short time. An indoor meet alhough less valuable to beginners will erre as a good starter for competitive work. This meet will be followed by to compete and for this reason a amber of boys of the school are ought out, some of whom should vivelop into first class athletes. At is meet the Athlete association will fer sliver medals to the winners of a places, bronze medals to the winners. irst places; bronze medals to the win-sers of second places and ribbons to he winners of third places.
