The report of the theological department shows an enrollment of:

Table with 2 columns: Department and Number of Students. Includes entries for High Priests, Teachers, and other theological students.

Two departments have been organized since the beginning of the year...

Entrance to classes in this department is conditioned by the following requirements: Applicants must be at least fourteen years of age...

Students are admitted without advance credit...

The following institutions have been visited by a committee of the faculty...

Members of the normal department whose general education in schools has been satisfactory...

These who successfully complete all the studies of both the first and second years...

Physical culture and gymnastics—Under the efficient labors of Miss Babcock...

I would recommend that as soon as possible a gymnasium be fitted up...

M. I. A. Normal—Under the tuition of Dr. Harby...

The regular first year course leading to a degree now offered in this department...

THEOLOGICAL DEPARTMENT.—Regular lectures by the members of the faculty...

THEOLOGICAL DEPARTMENT.—Regular lectures by the members of the faculty...

THEOLOGICAL DEPARTMENT.—Regular lectures by the members of the faculty...

THEOLOGICAL DEPARTMENT.—Regular lectures by the members of the faculty...

THEOLOGICAL DEPARTMENT.—Regular lectures by the members of the faculty...

Normal, and all the regular teachers of the preparatory school...

The members of this class in theory of teaching have been given a course in educational subjects...

French has been taught by Prof. Phillips and grammar by Sister Kind...

Science.—Through the liberal appropriation for apparatus made by you...

The natural sciences under Professor Wolfe enjoy an importance...

Music.—The students in music have been under the direction of Professor Gibe...

Mathematics.—The students in mathematics have been under the charge of Prof. Clark...

Library.—Add to the books on our shelves, we have on our table...
