weight Sparring Partners.

San Francisco, July 31.-Even money is being wagered that Stanley Ketchel will knock out Hugo Kelly inside of 15 rounds tonight when the middleweights clash at the Coliseum rink for the championship honors of that class. On the general result, the Grand Rapids fighter rules a strong favorite at two to one, and betting is proceeding briskly, the short enders, if anything, being the majority,

ONE POUND OVER.

Ketchel was the first to abandon his training, and at once proceeded to seek recreation. He spent last evening at local theater, and although still a triffe over the specified weight, informed the press that he can take off a few pounds without half exerting himself. Ket-chel's weight today was less than 159 pounds. The articles of agreement call for 158 at 6 o'clock tonight.

KELLY'S TWO VICTIMS.

Kelly aunounced last night that he was below the required weight. He has was below the required weight. He has undergone a most severe conditioning campaign, boxing, in particular, being brought into play. Kelly's farewell to his training camp was made noteworthy by two clean knockouts, Fred Ward and Charlie Miller, his heavyweight sparring partners, falling victims to the Italian's fierce onslaughts.

Salt Lake, Ogden and Chicago have sent delegations to witness the middle-weight struggle. county, as governor, at 4 o'clock this morning The convention had struggled for hours over the only two planks in the platform that were not unanimously approved. These two planks were the negro distranchise-ment and "Jim crow" planks, which, after the resolutions committee had reported them favorably, were made a part of the platform amid scenes of wildest excitement this afternoon. The text of the negro disfranchisement plank follows:

text of the negro disfranchisement plank follows: "Believing that the extension of the elective franchise to a race inferior in intelligence and without prepara-tion for the wise and prudent exercise of a privilege so vital to the mainten-ance of good government was a mis-take, if not a crime, committed by the Republican party during the reign of passion and prejudice following the Civil war, for political ends and pur-poses, we declare that the Democratic party is in favor of so amending the constitution as to preserve the purity of the ballot and the electorate of the state from the evil results from con-ferring such power and privilege upon those who are unfit to appreciate its importance as it affects the stability and preservation of good government. "We favor the enactment of a law requiring common carriers engaged in passenser traffic to furnish separ-ate coaches or compartments for white and colored passengers."
