LOOK OUT FOR CATARRH

It is bound to come now that winter is here with its cold waves, keen cutting winds, rain and sleet, and snow and slush. It takes just such weather to produce and develop Catarrh and bring out all its humiliating and disgusting symptoms. The slight cold becomes a stubborn and protracted one, while the discharges from the nose are most offensive and sickening. As the inflammation extends further up into the head and the delicate mechanism of the ear is attacked, there is a continual buzzing and ringing in the ears, and frequently the hearing is partially or totally lost. Headaches are almost constant, with sometimes acute pains in the eyes, and the nose becomes so plugged up that the patient must breathe through the mouth while the filthy secretions are forced back into the throat, requiring almost continual hawking and spitting to

dislodge them. At certain stages of the disease, the odor of the breath becomes fearfully offensive, to the great mortification and embarrassment of the sufferers and disgust of all who come near them. Little by little the foul matter finds its way into the Stomach, ruining the digestion, and a most miserable form of dyspepsia or Catarrh of the Stomach is the inevitable consequence. The blood becomes contaminated by the foul secretions and unhealthy matter, and these are distributed through the body, and Catarrh is then a deep-seated, dangerous constitutional or systemic disease, and its effect upon the general health and system is soon apparent-appetite and strength are gone and the disease frequently settles in some vital organ or terminates in Bronchitis or dread Consumption.

While sprays, washes and the many other local remedies so diligently used give temporary relief, chronic Catarrh sufferers know that they possess no curative properties and fail to reach the true source of the trouble and all the benefits received from such treatment are swept away by the first breath of winter.

To cure Catarrh permanently, the blood must be purified and the system cleansed of the accumulated

poisons, and for this purpose nothing equals S. S. S. It reaches cases in this way that seem almost hopeless and beyond the reach of medicine. S. S. S. not only purges the blood of the effete matter and catarrhal secretions, but at the same time invigorates and builds up the entire

system, and as rich pure blood begins to circulate through the body, the inflamed membranes and other parts of the system affected by the Catarrh, begin to heal, the mucous discharges gradually grow less and finally cease, and all the disagreeable and disgusting symptoms of Catarrh disappear. S. S. S. tones up the Stomach and stimulates all the vital organs and keeps the blood in such a state of

healthfulness that one is not so susceptible to cold or so liable to contract Catarrh even when exposed to bad weather. Cold wave flags cause no anxiety to those whose systems are nourished and strengthened by rich pure blood. S. S. S. is a purely vegetable remedy and can be taken with perfect safety by old and young or persons of delicate constitution. Write us about your case and our physicians will advise without charge.

CELEBRATE GOLDEN WEDDING.

Mr. and Mrs. James Stevenson Observe Happy Anniversary.

Special Correspondence.

Farmington, Davis Co., Nov. 5 .-James and Elnora White Stevenson the former a brother of the late Edward Stevenson of Salt Lake City, and about 70 relatives and friends celebrated their golden wedding anniversary last Mon-day evening, Nov. 3. A larger number would have participated if the size of their residence was more spacious, sumptuous banquet was served, appropriate recitations, pithy speeches, nicely rendered songs and sweet music were interestingly listened to until midnight. The bride is now 71, the groom 72

years old. Three sons and a daughter were present; a son in Idaho could not attend, and one son is in New York on a mission. Many beautiful presents vere given the happy couple, including a lady's watch, spoons, vases, etc., with happy congratulations, and many ex-pressed wishes that if good health and providence permitted, that they may live to see their diamond wedding an-niversary, 25 years hence.

The address of welcome was made by Counselor C. A. Welch, who heartily welcomed the governor and introduced him as a warm friend to the colony. Following came the address of the governor who expressed genuine pleasure in noting the success of the colony especially in the completion of the canal. His sincerity bore evidence of his feelings of friendship and respect for the people of this colony. He stated that in his closing hours if he had done nothing else in life he would take comfort and consolation in knowing he had been instrumental in making it possible for this people to locake here. The entire audience had the pleasure of meeting Gov. Richards personally. Mr. Chatterton, made an able address

detailing the financial condition of the state which is good, and the success which has attended the business-like Republican administration during the

sions, was down from the park road, and addressed the people in a happy vein. He has known Gov. Richards for many years and spoke in highest praise of the executive, also of other leading men of Wyoming.
