SHOOTING AFFRAY, -- A telegram from Nephi, Juab County, received this afternoon per Deseret Telegraph Line, says:

A shooting affray took place near here last night, between the Postmaster of Treasure city, White Pine, and a man who had been engaged by him to take charge of a ranch owned by him near Treasure city. On Sunday last the man in charge of the ranch left it, taking with a number of stock teams and wagons, which he has since sold. The Postmaster, hearing of his departure, started in pursuit and overtook him at about midnight last night, while camped three miles north of this place, and there shot their departure. Any who neglect to do him. The Postmaster says he did not intend to kill him, but being excited, the pistol went off easier than he could have supposed.

The Postmaster came in and gave himself up for trial. OPERATOR.

FUNERAL OBSEQUIES .- The funeral obsequies of Elder George Smith took place at the Twentieth Ward school house this ing his spine and stomach. He was insenafternoon. Appropriate and comforting sible for two hours, having several convulremarks were made on the occasion by Elder'Geo. Q. Cannon and President Joseph Young. There were a considerable number of friends present to pay the last tribute of respect to the memory of the deceased.

MR. AND MRS. ST. CLAIR.-In a letter dated Boise City, Idaho, Novr. 6th, 1869, Mr. St. Clair informs us that he and his wife, Madame St. Clair, the popular lecturer, are returning to pay a farewell visit to Salt Lake City. They intend to stay here about a week, during which Madame will probably give some public lectures, the evening of the 25th instant being designed as a last and farewell appearance in this place when, we believe, it is her intention to express her views and feelings with regard to the people of Utah as freely as though she were in New York, or any other city. In the letter we have received, the warmest feelings are expressed by Mr. and Madame St. Clair towards the people here for kindness and attention received by themselves, and also bestowed upon their deceased daughter, who it will be remembered died here last winter. Expressions of friendship and gratitude for kindness shown in the hour of need are no more than might be expected, but the experience of the people of Utah, so far as transient sojourners in their midst are concerned, has sometimes been somewhat different, and especially from lecturers and persons of that ilk. Some of them after being made the recipients of kindness and hospitality in this city, have not unfrequently sought, when far away, to make about two miles of the gap remaining becapital by defaming the character of the people here in the most shameless manner. But to the credit of Mr. and Mrs. St. Clair, | will come forward in sufficient quantities | we must say that in all the notices of their now to keep the track layers busy at work. lectures that we have seen in our cotemporaries, when referring to the people of Utah their expressions have been such as a conscientious regard for truth and justice would dictate. The following notice of Madame St. Clair and party is from a recent number of the Idaho Statesman, published at Boise City: "Mrs. St. Clair who lectures on Sunday evening in this city, has in order to collate of all quack or patent medicines, we cannot materials for her lecture traveled in all the Territories and Pacific States, over four thousand miles in her own carriage, near three thousand miles on cars, and fourteen hundred miles by steamer and stage, at an expense of over thirteen thousand dollars. The party consists of herself and husband, Miss Brearly and coachmen, and during all this journey they have scarcely met with an accident worth mentioning. The journey was planned by her daughter who was well known for her accomplishments and talents in all the eastern cities, but in crossing the mountains last fall she contracted a fever and died last winter in Salt Lake a are slad to hear the ne City."

KATE DENIN .- This lady, an actress of considerable note in the theatrical world, both east and west, makes her debut before a Salt Lake audience on the evening of Monday next, She is said to be the possessor of great ability and versatility, playing either legitimate or sensational, tragedy, comedy, burlesque or farce.

## FROM SATURDAY'S DAILY.

A WORD MORE TO THE MISSIONARIES. -Elder Burr Frost, writing from Little Sioux city, on the 7th inst., re-iterates the cautions delivered by others, and already printed in the NEWS, for all the recently appointed missionaries, who have not yet left for their fields of labor, to make all arrangements for their passage by rail before this may expect considerable inconvenience or the privilege of paying double fares.

SERIOUS ACCIDENT ON THE U. P. R. R. -Mr. George Seaman, of the 14th Ward, has met with a serious injury at Granger, on the U.P.R.R. Missing his footing, while stepping between two cars he was literally doubled up between them, seriously injursions during the interval. His friends brought him into the city yesterday morning and placed him in charge of Dr. Anderson. He remains in a critical condition, but hopes are entertained of his eventual recovery.

PARTY AT THE TOWNSEND HOUSE.-Mr. and Mrs. Townsend, of the Townsend House, in this city, gave a complimentary party to a number of our leading citizens, on Thursday evening. The new hall of the hotel was elegantly fitted up for the occasion. Dancing commenced about 8 o'clock; supper was served between 10 and 11 o'clock. The music was of the very best quality, and the entertainment provided for the guests was of the most choice and elegant description; and when we say that the whole affair was gotten up in Uncle James' best style, we say all that can be said in its praise. Among the guests were the First Presidency, and several of the Twelve, and some distinguished gentlemen visiting the city. No pains were spared by the host and hostess to make the party an exceedingly enjoyable one, and the general expression of those present was one of pleasure and delight.

#### FROM MONDAY'S DAILY.

1 brother care SABBATH MEETINGS. - Elders A. W. Brown and H. J. Moore, returned missionaries, addressed the congregation in the Old Tabernacle yesterday morning, giving brief but interesting accounts of their labors while abroad preaching the gospel. Elder Orson Pratt followed in a powerful discourse. His remarks were reported.

In the afternoon Elder Joseph Young spoke of the great worth of the gospel and of the blessings and privileges enjoyed by those of the Latter-day Saints who live their religion. He also dwelt upon the necessity of observing care and wisdom in the selection of those articles of food best calculated to sustain and perpetuate life. Pres. B. Young followed on the same subject, giving much valuable instruction. His remarks will shortly be published.

GONE EAST.-Hon. W. H. Hooper, Delegate to Congress from this Territory, and Elders R. T. Burton and' Theodore Mc-Kean, left this city for the East yesterday; the former to attend to his duties in Congress during its approaching session, the two latter to perform the missions in the Eastern States to which they were appointed at the October Conference.

DEPARTURES .-- Under the head of "departures" the Millennial Star of the 27th ult., says:

"A company of 16 souls of the Saints left this port (Liverpool) on the steamship Colorado, Captain Williams, October 20th, for New York. Elder Charles Wilden, returning missionary, was also on board."

DROWNED. - Elder Samuel Pitchforth writes us, that on the afternoon of the 6th instant, Charlotte Love, daughter of Elder Andrew Love, now on a mission in the States, was drowned in the mill race of Brother J. Andrews, at Nephi, Juab Co.

Elder Pitchforth also sends an account of the shooting scrape that occurred a few days since near Nephi, between Myers and Hewitt, an account of which, received per Deseret Telegraph line, appeared in the NEWS the day after the occurrence.

CANARD. - Yesterday the telegraphic dispatches from the East contained a statement to the effect that a project was on foot for the erection of a grand Mormon temple tribe and four of them were arrested and at New York, for a resting place and asylum for the emigrants from Europe upon landing in this country. This is so absurd the Omaha Herald. A verdict of guilty a story that no refutation is necessary, and was brought in against them. The probawas no doubt a Canard invented by some bilities are that they will suffer the penalty of the agents of the associated press, in their desire to send sensational items of news across the wires. HOME-MADE INK .- Brother Amos Fielding, of the 6th Ward in this city, has commenced the manufacture of good black ink, which he offers for sale at cheaper rates than the imported article is selling at. It would be well for accountants and schools to give it a trial. It is perfectly black as soon as used, flows with freedom from the pen, and, its man"facturer says, will keep for any length of time without deteriorating in quality. As simple an article as ink seems there is a large amount spent yearly in importing it, which is unnecessary if, as Brother Fielding says, he can manufacture it equal in quality and at a lower price than it can be imported. Sustain home manufactures and try it!

Many of the guests left shortly after midnight, but the party did not break up until 3 o'clock.

WORK ON THE U.C. R.R. PROGRESSING. -We understand that for a few days past there has been a stoppage of work on the Utah Central, caused by want of iron; but enough has been sent forward to build tween the end of the track already finished, and Kaysville; and it is hoped that iron

CONVICTION OF INDIANS FOR MURDER AT OMAHA.-A Mr. Edward McMurty disappeared from Omaha early in May last, and suspicion was aroused that he had been murdered. On the 20th of June last his body was discovered, pierced with arrows and otherwise disfigured, Suspicion rested on some members of the Pawnee have had a long and patient trial at Omaha, which is reported at considerable length in of the law. Two of them, after the verdict was rendered, while being taken from the Court-house to the cell, contrived to make their escape in the darkness. One of ning away, and was recaptured, the other one, was still at large; preparations, how-ever, were being made to pursue him in BRIE AT DELLON the morning. DIED.-In the 14th ward of this city, at 11 o'clock last evening, Elder Thomas Bourne, aged 73 years and 17 days. Deceased was born at Ledbury, Gloucestershire, England, on the 26th Oct., 1796; he was baptized a member of the Church of Jesus Christ of Latter-day Saints, by Elder Theodore Curtis, at Cheltenham, in the year 1841, and for many years before emigrating to this country, was a resident of Birmingham.
