## SAVE TO LEARN HOW TO DO

YOUR HAIR IT READ AND HEED  
WHAT FOLLOWS.

SAVE YOUR HAIR.—The Law of Health  
and Beauty demand it. The custom of social  
life requires it. The matter is of great im-  
portance to every man.

REPAIR YOUR HAIR.—It is the  
surrounding crown of glory, and for the loss of  
it there is no compensation.

CULTIVATE YOUR HAIR.—For by  
no other means can it be saved and beautified.

## LYON'S

KATHAIRON.

Discovered thirty-five years ago by Prof. Lyon,  
of Paris, is the most perfect preparation for the  
hair for preserving and beautifying the hair.

Besides the best hair dressing  
ever produced, Lyon's Kathairon  
will positively prevent grayness, and  
will restore new hair to bald heads,  
if the roots and follicles are not destroyed.

It actually performs these seeming miracles,  
of which the following is

A FAIR SPECIMEN.

I had been entirely bald for several years,  
and I was told that I could never have my  
hair again. I tried many remedies, but  
without success. I then tried Lyon's  
Kathairon, and to my great surprise, I have  
a thick growth of young hair.

COL. JOHN L. DORRANCE, U. S. A.

In every important respect the Kathairon  
is absolutely incomparable. It is unequalled.

1. To Cure Baldness.  
2. To Restore Gray Hair.  
3. To Remove Dandruff.  
4. To Dress and Beautify the Hair.

BEAR IN MIND.—The Kathairon is  
not sticky, pasty, or greasy, and it does not  
weigh down the hair, but it keeps the hair  
soft and pliable, and it keeps the hair  
from becoming dry and brittle.

It is a splendid preparation for the  
hair, and it is a splendid preparation for the  
hair, and it is a splendid preparation for the  
hair.

It is a splendid preparation for the

## BY TELEGRAPH.

WASHINGTON, 30.—The story of  
an alleged bargain for the votes of  
14 or 15 southern representatives to  
procure the passage of the marshal  
appropriation bill, with its  
consequences, has been widely  
discussed in the House of  
Representatives.

There is no prospect of any  
break in the democratic ranks upon  
this question for any cause or in  
any contingency, as all likely to  
arise. Democrats of all branches  
of Congress appear to be united  
in favor not only of adjournment  
as soon as the veto is received,  
but of adjournment again immediately  
after the possible call. Even  
such conservative democrats as  
Ex. Sec. Stephens now turn with  
the rest of their party in open ex-  
pression of this determination,  
and to-day many of the  
representatives of the  
marshal appropriation bill,  
"I am for sending it to the Presi-  
dent as often as he calls us together  
until we get a majority of 100  
or 110, and I am willing to go on  
until the forty-sixth con-  
gress expires." He added that he  
did not know a single democrat in  
the House who would not be relied  
upon to fight out this controversy  
to the end.

Senator Ben Hill, who has been  
one of the most conservative mem-  
bers in all the democratic cau-  
ses, calculations heretofore held  
in session, asserts positively that  
no southern democrat will make  
any further concession.

Chairman Atkins says: "I shall  
not report the bill again, in fact  
shall not report it until next  
December, unless Congress goes  
into general legislation, and in that  
event we will not report any other  
bill in relation to marshals. It is  
therefore evident that the dominant  
party has reached the 'sticking  
point' of the bill, and that a  
few more votes in the House  
of Representatives to-morrow, and  
the Senate committee of appropri-  
ations will doubtless recommend  
the bill to the House.
