

of persons returning from Califor-

nia from Montana, from Idaho

from Nevada, from Utah even,

and also from the rich prairie sec-

tions of the Western States east of

the Rocky Mountains, the Plains,

and the States to the east of the

Mississippi River, are not all for

the fertile alluvium of the Missis-

sippi and Missouri and their tribu-

taries east of the mountains, for

the intervening rich rolling

prairie lands, some of the papers

called "Western" begin to arouse

the interest of the people.

West for various reasons, such as

the further west you go, the more

board the higher are the prices for

the interior the lower they are,

particularly in regard to wheat,

potatoes and garden vegetables,

the things which the most of the cul-

tivators profit, east of production

considered. For contrast, the fur-

ther we go from the eastward, the

higher the price of nearly every

thing becomes. Hence, it is not all

for the fertile alluvium of the Mis-

sissippi and Missouri and their tribu-

taries east of the mountains, for

the intervening rich rolling

prairie lands, some of the papers

called "Western" begin to arouse

the interest of the people.
