could be repealed.
The bill was finally killed by a vote of 6 to 5—Carlisle, Smoot, Tuttle, Wimmer and Woolley for the passage of the bill, and Shurtliff. Young, Bryan, Howe, Murdock and Olsen opposing it. H. F. 6 (regulating marriage), was then called up and, pending consideration, was ordered printed.
H. F. 72 (crimes against the public health), was called for second reading, read the third time under suspension of the rules and passed.

TOO LAVISH.

YESTERDAY afternoon, in the House pending the motion to appropriate \$164,481 20 to the territorial insade asylum, Speaker Riter made the startling declaration that the Assembly had already appropriated more-money than the Territory, under the laws of Congress, had the power to borrow, and that there remained less than the ordinary revenue with which to meet ordinary expenses.

What the Speaker said was true, but he might have still further astonished members by laving further facts and figures before them. Including appropriations which have been made which must be made, and the making of which is being urged upon the As sembly by members and others, with in criminal cases should be paid. He favorable prospects of success, over \$800,000 has been disposed of. The hausted and that all should be paid. Referred to the committee on claims available assets of the Territory for the next two years, including the amount now in the treasury, the amount due it, and the college.) probable revenue for 1888-9 cannot be depended upon to reach \$500,000. The lean bill as it passed the House provided for borrowing \$150,000, but sage. The report was adopted and the this amount will have to be more than bill filed for second reading. doubled, or else a sharp turn in the

doubled, or else a sharp turn in the direction of economy will have to be taken by the Assembly. In the present condition of the busi-ness before the Assembly and commit-tees, it is simply impossible for mem bers or others to even approach ascu-racy in a statement showing the finan-cial condition which will result from the making of the appropriations now pending, but the above may be accept-ed as being an exhibit as favorable as the facts, if they were accurately the facts, if they were accurately adopted, and the bill sent to the House. stated, would justify. Although it has for full value of stock killed. stated, would justify. Although it has been time and again admitted by members that they had so far F. 65, with slight amendments, which lost track of the Ascal business were adopted. Mr. Olsen, for the committee on enbefore the Assembly that they had no definite idea as to the assets and liabilities of the Territory to date. licensing intoxicating liquors. Mr. Olsen, for the committee ou claims and public accounts, reported favorably on the Territorial auditor's both houses have voted for lavish expenditures, until, with the qualifications stated above, the revenue for recommendation to pay the jurors four years and all or nearly all the certificates for 1882 and 4883; recomtions stated above, the revenue for money which the Territory has power mended that the claim of W. F. Cato borrow, have been disposed of.

The revolution in the old time finan-

quietly it was betterso than to have Seegmiller asked if it was humane the liquor saloons wide open as a temptation to the youta. He favored and just to make the law apply to Indians. Allen thought it was. The bill passed by a vote of 19 to 1, Moyle, from the committee on edu-cation, reported a bill conforming to a trial of the bill Bryan said if he could prohibit liquor

selling in the nation, the territory, or the Governor's suggestions respecting a deaf mute institute. The buildings but he would not yote for a law promust be erected upon the University grounds, and \$50,000 or so much thereof as may be necessary, is appro-priated therefor, or as annual appro-priation jof \$0000 for the maintenance of the institute, is made. The vote on making the bill special order for tomorrow was a tie, and the speaker voted against postponement, and consideration of it was continued. Several amendments to reduce the

amount of the appropriation were put. Moyle and Hoge were the only two who favored \$30,000. Hatch moved to make the amount 20,000. Carried. Farnsworth said enough to erect

Hooper residence for \$15,000.

of the rules and passed. At 5:15 the Council adjourned to

meet at 10 a. m. tomorrow. March 7th, 1888.

The Council convened at 10 a m. H. F. 83 (substitute), providing for a revision of the record of marks and brands, was read the first and second times and filed for third reading. House again fixed upon \$20,000. Hatch moved to make the annual Bryan presented a petition from the county court of Jusb County, praying for an appropriation of \$40.00 for a dugway and bridge in the southern part of the county. Referred to the committee on highways. H. F. 65, the loan bill, was called appropriation for maintenance \$5,000 instead of \$6,000. Carried. Hatch was the original mover of \$20,000 for build-

up for second reading, read, amended and filed for third reading. Smost moved that the rules be sus-

among which was stipuisted the erec-tion of suitable structures at a cost of smoot moved that the rules be sus-pended for any business that might come up. Carried. Marshall reported that the law passed in 1882 authorized the issuance of certificates to jurors, etc., in civil and criminal cases but that the Legisnot less than \$20,000. Lowell moved to refer the commu-sication to the agricultural committee with instructions to draw a bill to meet the conditions of the tender.

Thurman thought the Assembly had lature had ruled that only certificates laid out about enough money and onght to pause. Hoge and Seegmiller favored the motion, and an appropriation for fair

and public accounts. The Council was notified that the House concurred in the Council's amendments to H. F. 81 (agricultural nuilding Moyle said that by appropriating \$20,000 for fair buildings the Territory would get more than that amount from the city. The claim of J. Z. of the Emperor. 11 p.m.—The Emperor has suffered a serious relapse and has been in a heavy Sleep since 2 o'clock this morning. His condition causes great anxiety. 4:30 p.m.-The Emperor awoke at 8:30 this afternoon and took some nourishment. His condition is criti-cal. Prince Bismarck left the palace at \$ o'clock.

SAN REMO, March 7.—The Crown Prince had a good night. He rose in a cheerful mood and with a good appe-tite. His cough and expectoration have nearly ceased. He took a long walk in the arden walk in the garden.

THE EMPEROE'S STRENGTH FAILING.

BERLIN, March 7.—The Reichstager publishes the following bulletin, which has been issued by the Emporor's physicians: The general symptoms of the cold, which have affected the Emperor since Saturday, together with the affection suitable buildings should be appropri-ated, otherwise not more than \$15,000 was needed, and moved to reconsider. Saturday, together with the affection of the mucous membrane of the throat and irritation of the membrane of the eyelids, have been added, dur-ing the past few days, painful abdom-inal disorders, which have occurred frequently since yesterday. The Em-perer's appetite is materially dimin-ished, ewing to which there has been a marked decrease in his strength. Bueurs, March 7, 7:30 p. m.—The King said the latter sum was enough, and thought possibly the Governor might he induced to reconsider his ac-tion against the purchase of the The motion to reconsider was car-ried, and the question of the amount was again before the House. Farns-wort, and King favored \$15,000. Var-ious amounts were voted upon, but the BERLIN, March 7, 7:30 p. m.-The Emperor of Germany is dying.

English Markets.

MANCHESTER, March 7 .- The Guardian's article says: Tuesday's business was unusually light. Prices are occasionally irregular. The prevailing tone sionally irregular. The prevailing tone is steady, and sellers for the most part are not inclined to press the sales. The eastern trade is much him p r.d by the recent fall in the exchange and the difficalty of raising prices, and orders for minor foreign markets are not plentiful. Buying for italy has nearly reased, owing to an enforcement in the general tariff on March 1st, and trade with the United States

IS TEMPORARILY CHECKED,

in consequence of a possible reduction on import duties, should the demo-cratic tariff bill be accepted. There has been a small miscellaneous inqu'ry has been a small miscellaneous inqu'ry for export yarns, but the sales have been scanty. The cloth departments are quiet, there having been only a small amount of buying and but little inquiry. India and China staples in most cases are well held. Printing cloths are duil. Common makes are offered more freely. The business in home trade in fancy and white goods is more active. Cloths and Mexicans and other keevy goods are quiet with a slow demand. slow demand.

Outhwaite Bill Agreed to.

WASHINGTON, March 7 .- The House committee on Pacific Railroads today unanimously agreed to the Outhwaite bill, extending the time for the pay-ment of the government debt by sub-sidized roads comprised in the Union

The Governor approved the equali-zation bill, and the one in relation to life insurance companies. The elections committee reported favorably upon the liquor bill. The bill in relation to county re-corders, defining their duties, etc., was read by sections. A debate took place on the provision making it optional with county re-corders whether or not they make out abstracts of title on application.

making it optional with county re-corders whether or not they make out abstracts of title on application. Creer offered an amendment to make it obligatory upon recorders to furnish abstracts. King, Jones, Hoge and McLaughlin approved the amendment, holding it improper to compel recorders to fur-nish abstracts unless they might choose to do so. The bill passed by
