WESTERN MARKET LETTER.
(Special to the "News").

Kansas City Stock Yards, June 8.—Cattle receipts last week were 20,000 head, an increase over the previous week, but less than normal for this season. Continued heavy rain and con- sequent flood damage to railroads throughout Kansas and the south held down receipts all week. The market advanced 25 to 50 cents on all killing cattle and 10 to 20 cents on stockers and feeders. The supply today is 10,000 head, market steady to 15 lower, the main cause of the decline today being fear of the heavy rain here. Flood from the Kaw river, which is now running bank full. Unless rains fall within the next day or two in the valley, the wa- ters will begin to recede and no dam- age will have been done. Top native steers today sold at \$7.20, and a load of steers from Uray, Colo., shipment of T. A. Mostyn, sold at \$5.90, balance of the steers in this shipment at \$6.85. Straight grass steers sold at \$4.50 to \$5.90, range on cows is from \$3 to \$5.60, heifers \$3.75 to \$5.50, veals a quarter lower than last week at \$4.50 to \$5.50. Stockers and feeders are slow sale to- day, 10 to 25 cents lower, stockers \$5.50 to \$5.75, feeders \$4 to \$5.25.

The sheep market was dull last week and prices 25 to 40 cents below the pre- vious week. Receipts for the week

were moderate at 28,000 head, but there is a poor outlet for the meat, and liberal receipts have been coming to all the markets. Proportion of grass fattens has been smaller during the last week than formerly, and the small run of 2,000 head here today sold at strong prices. Some 100-pound Arizona weth- ers today sold at \$4.10, and 85-pound Arizona wethers at \$3.85. Top spring lambs are worth \$5.35, woolled lambs \$5.50 to \$5.90, clipped lambs, \$5 to \$5.50, fed western wethers \$4.50, ewes \$4.25, feeding sheep \$3.25 to \$3.75.

POOR MILK

Is often thought to be responsible for an infant's loss in weight or general poor health. The cause usually is that the child has worms. They get the nourishment in the food and the baby starves, actually starves. White's Cream Vermifuge expels the worms and nour- ishes the child, sure and safe. Price, 25c. For sale by Z. C. M. I. Drug Dept. 112 and 114 South Main Street.

RECEPTION AND BANQUET

Religion Class and Other Church
Workers Meet for Enjoyable Af-
fair in Ninth Ward.

One of the first and most enjoyable affairs of its kind in the history of the Church, was the reception and banquet tendered to the officers and teachers of the various Religion classes of Lib- erty stake by the stake superintendency at the Ninth ward amusement hall last evening. Present were President An- thony H. Lund, general superintendent of the Religion classes in all the world, to whom is due the honor for the es- tablishment of the work; Elder George Albert Smith, President H. B. Hinckley of the Liberty stake presidency, and the general superintendency and aids of the stake and ward officers and teachers to the number of probably 150.

The hall had been beautifully dec- orated with flowers and var-colored pa- per crepe, twisted into fanciful arrange- ments. A program of toasts was re- sponded to, Elder H. B. Hinckley acting as toastmaster. Responses were made by Stake Superintendent, M. M. Nicholson, Assistant K. K. Stoddard and Edward W. Brady, Supt. Dan Jones of Murray, Mrs. Christine Clay- ton, Miss Blanche Musser, Elder Geo. A. Smith and President Anthony H. Lund, who gave a brief history of the inception of the Religion class move- ment. The banquet was composed of numerous delicate and artistically serv- iced viands, and was successful in every respect. During the progress of the festivities songs were rendered by Miss Willey, Sadie Braby and Thomas H. Ashworth. The general program and banquet was a success in every way. Hyde and Mrs. W. H. Loysey, and were unanimously voted the success of the season.
