The Latest Discovery.

Of more value than any silver mine in Colorado, is GREEN'S CATARRH CURE—a remedy prepared especially for the cure of Catarrh and severe colds in the head, that invariably lead to catarrh, which are so common in this climate. Remember that catarrh, if not checked promptly, goes to the lungs and ends in consumption. Each day's delay lessens the chance of cure. Price only 50 cents. For sale by the manufacturers, Brown Medicine and Manufacturing Company, Leavenworth, Kansas, and wholesale and retail druggists in the west.

Brown's Cough Balsam

Will cure that cough. It cures by allaying irritation, and producing easy expectoration. It is the most reliable cough cure in the west. Beware of remedies that contain sleeping opiates. Is your throat sore? Are you hoarse? Are you not inducing a cough by lead to a bronchial or lung disease? Brown's Far-Troches will cure that hoarseness and soreness, and strengthen the voice. For sale by Z. C. M. I. Stationery, Globe Bakery, and Moore, Allen & Co., Salt Lake.

NO MORE DIPHTHERIA.

Five hundred testimonials of persons who have used HALL'S CASKER REMEDY. There have been no deaths from Diphtheria where it has been used. See circulars, etc. Z. C. M. I. Wholesale agents, and for sale by all dealers.

The scarcity of Diamonds, Gold and Silver, and the difficulties met with in securing them, is a sure indication of their value.

Thus it is with a valuable medicine—Dr. Aug. Kasper's Celebrated German Pulmonic Elixir, through the jealousy of rivals, has met with the most bitter opposition, and apparently almost insurmountable obstacles have been thrown in its way; but the opponents, in their well tried to change the course of the river, sweep back the ocean with a wave, or put out a prairie fire with a spark.

For the cure of Throat and Lung diseases, such as Coughs, Colds, Consumption and Bronchial Affections, it is unequalled. The cure is truly magical. Ask your Druggist for it. The genuine bears the signature of Dr. Aug. Kasper, and has his name blown on every 75 cent bottle. Trial bottle, 25 cents.

Various Cures.

Advancing years, care, sickness, disappointment, and ordinary predispositions—all conspire to turn the hair gray, and either of them inclines it to fall out prematurely. A woman's Hair Vase will restore faded or gray, light and red hair to a rich brown or deep black, as may be desired. It softens and cleanses the scalp, giving it a healthy action, and removes and cures dandruff and humors. By its use falling hair is checked, and a new growth will be produced in all cases where the follicles are not destroyed or glands decayed. Its effects are so beneficial to the hair, weak, or sickly hair, to which a few applications will produce the gloss and freshness of youth. Harmonize and cure the scalp, it is comparable as a dressing, and is especially valued for the soft lustre and richness of tone it imparts. It contains neither oil nor dye, and will not soil nor color white cambric, yet it lasts long on the hair, and keeps it fresh and vigorous. For sale by all dealers.

Look out for Dwyer's Grand Opening on Monday evening, at 8 o'clock.

Has Brown's Cough Balsam occurred recently between two horny handed sons of toil, which resulted in a broken arm for Smith and a cracked rib for Jackson. For bad blood there is nothing equal to Scott's Blood and Liver Syrup which drives out all impurities like magic.

Whooping Cough is successfully treated by separating the patient beyond hearing distance of each other, and by the employment of Fellows' Hypophosphites. Whooping Cough is a nervous disease of a sympathetic nature, that a paroxysm may be produced in one sympathetic by simply hearing the cough of another person. The above-named treatment has been found highly effective.

EVENING NEWS.

Monday, December 8, 1919.

LOCAL AND OTHER MATTERS.

Information Wanted.—The present address of Edwin and Walter Stedman, who came from England in the last company, will be thankfully received at this office.

Transferred.—Major Stanton, who has held the position of Paymaster U. S. A. at Fort Douglas for a long time, has been ordered to Omaha. He left this city Saturday evening, and probably started east this morning.

Postal.—A Postoffice has been established at Henry's Summit, County, with H. B. Driscoll as postmaster.

James Jansen is appointed postmaster of Draper, Salt Lake County.

Funeral Services.

A very large congregation was present in the 17th Ward Assembly Rooms yesterday morning, to pay the last offices of respect to Elder William Clayton. In the absence of Bishop John Henry Smith, who was kept at home by sickness in his family, his Counselor, Brother Tingle, conducted the service.

After the opening exercises, Elder Joseph F. Smith addressed the assembly, prefacing his remarks by reading an affidavit signed and authenticated by the deceased, referring to the revelation on plural marriage and to his connection with transcribing the same. The document was well prepared and very interesting. Remarks of an instructive and consolatory character were also made by Judge Elias Smith, Elder D. H. Wells and President John Taylor. During the services the congregation joined the choir in singing the hymn composed by Bro. Clayton known as "The Resurrection Hymn." A great number of carriages filled with relatives and friends followed the remains to the cemetery, where after the usual ceremonies the body was consigned to the grave. A verbatim report of the entire proceedings was taken, and will be published in the News to-morrow evening.

"The Manly Art."—On Saturday evening two young men named "Ike" and "Abe" Hunter, engaged in a fight with two other young men named Bouché, all the parties living in the 18th Ward, where the encounter also took place. This evidence showed that the Bouchés were opposed to settling so trifling a quarrel by blows, and only fought when actually driven to it, but when once aroused they handled their opponents rather roughly. They were accordingly discharged, and the Hunters had to pay the costs of the prosecution and a fine of \$30 each.

One of the witnesses, in giving his testimony said: "I put my arm out, and the ran against it, and I kept putting it out, and he kept running against it until he got hold of it." This produced a general laugh in the courtroom, as did also the following remark made by another witness: "He tried to put his fingers in my mouth, and I just held them in there a little while. When he commenced to yell I let them go."

A Sorry Sunday Spectacle.—Yesterday afternoon about five o'clock a young man was seen on Main Street in a beastly state of intoxication. He lay groveling in the mud, and had to be carried home by two friends. A partially filled bottle was taken from the pocket of the inebriated youth and smashed upon the ground by a spectator, the crash of the flying glass being regarded by a pitiful groan from the owner.

There were quite a number of drunken people abroad during the afternoon and evening, and some slight disturbances occurred. On the State Road, a short distance below the Theatre, a crowd of young people made rather more noise than was appropriate to the Sabbath day.

"Dispatch" Items.—One hundred and nine emigrants passed through Ogden on Saturday. Pretty good for the time of year.

On Saturday a large cargo of iron for the Southern Pacific Railroad was transferred to the C. P. car.

Another race between two of Ogden's "flyers" is expected to take place shortly.

Fourteen Chinese merchants went east Saturday, some of them intending to open places of business in the Black Hills, while others would proceed on to New York. They spoke English quite fluently and were well and tastefully dressed.

Mr. Merlin Jones, one of the oldest residents of Weber County, died at Mount Fort on Thursday, aged 84 years.

Junction Joke.—The Junction proposes to publish a mammoth New Year's number. The idea indicates a commendable spirit of enterprise.

Judge Williams has entered a motion for a new trial in the case of the People vs. Moroni Hicks at Malad.

The two men arrested for robbing the stage at Pilgrim Hill, Idaho, on the 17th ult., were to have been tried on Wednesday. Articles found in their possession leave little reason to doubt that the men are guilty.

Doubly Bereaved.—By reference to the obituary notices in our columns this evening, it will be seen that Brother Edward Parry, a well-known mason of this city, died today from diphtheria. His little daughter died yesterday, and her funeral took place to-day, the friends having only returned from the cemetery a few minutes before Brother Parry himself was called to a better world. We extend our sympathies to the afflicted family.

Christmas Displeasure.—Several of our standard mercantile houses have their windows closed to-day, but inquisitive persons can easily discover that one or more bustling clerks are behind the blinds up to their elbows in work. We expect to see something new when the monuments of their taste are uncovered.

Dwyer's grand opening takes place this evening. Look out for it.

Poll's Court.—Business in the municipal temple of justice has brightened up and the magistrate was quite busy this morning.

Quizzes the Hunt-Brook quarrel, mentioned elsewhere in this paper, two men for drunkenness, disturbing the peace, and for not paying \$10 and the other \$15.

The weather.—The weather of the last few days has been a little bewildering mixture of snow and thaw, rain and frost, hail and wind, and clouds and sunshine. Out of such a variety everybody ought to get suited.

SPECIAL ELECTION.

PROCLAMATION BY THE GOVERNOR. Territory of Utah, Executive Office.

WHEREAS, the Hon. A. P. Rockwood was a Representative elect to the coming Legislature, and by his death a vacancy is occasioned thereby; and

Whereas, said vacancy can only be filled by a special election called for that purpose.

Now, therefore, I, Geo. W. Emery, Governor of said Territory, do hereby call a special election to be held in Salt Lake County, on Saturday, the 27th day of December, 1919, to elect a Representative to the next Legislature, to fill the vacancy occasioned by the death of said Rockwood.

Of this the electors and officers in Salt Lake County will take due notice and govern themselves accordingly.

Said special election will be conducted in all respects as the law requires general elections to be conducted in this Territory.

In testimony whereof I have hereunto set my hand and caused the seal of the Territory to be affixed. Done at Salt Lake City, this 8th day of December, A. D. 1919. Geo. W. EMERY.

By the Governor, ARTHUR L. THOMAS, Sec'y of Utah Territory.

Wasatch Meeting.—To-morrow evening, at 7:30 sharp, there will be a special meeting of the Wasatch Engine Company No. 2. FRANK MAY, Foreman.

Plenty of Water.—No one complains of scarcity of water now. In the lower wards of the city many cellars are said to be flooded. Though no one would like this weather to become continuous, we feel that the country can stand it for a few weeks yet.

Bad News.—The bereaved household of Hon. A. P. Rockwood received word this morning that another member of their family had been stricken with the hand of death. Further than that the deceased is a married daughter of Bro. Rockwood, and lived in Peterson, Morgan County, where her death occurred.

"Bow Bells."—Mr. Samuel G. Read, whose store lies near the Theatre, makes a specialty of importing English papers and periodicals. He has just received the Christmas and New Year's part of the London magazine, Bow Bells. It contains 193 pages and embodies a large amount of extra reading, music, cuts, etc. It is a mammoth number.

Thanks.—Brother J. G. Folkman, of Gentile Valley, Idaho, formerly of Soda Springs, whose new house was burned to the ground a short time ago, desires, through the News, to return heartfelt thanks to his friends who have rendered him material aid in his trouble, and particularly to Hon. W. H. Hopper, who has personally rendered him assistance and obtained help for him from his numerous friends; also to Hon. W. B. Preston, of Logan, for similar assistance.

Panoramic Exhibitions.—The views painted by Bro. Christiansen of Sanpete, and collectively exhibited under the name of the "Church Panorama," will be shown this evening in the 14th Ward Assembly Rooms to invited spectators only.

Kirkham's Great character sketches, shown in connection with the Panorama entitled "Across the Continent," will be produced in the Seventh Ward Assembly Rooms, this evening. To-morrow evening it will be exhibited in the 12th Ward, and on Wednesday evening in the 17th Ward, after which the proprietors start on a tour through the settlements.

The Elko Shooting.—The Elko Independent gives particulars of the shooting scrape mentioned in Saturday's News, in which George Hill was one of the parties. It appears that Hill and his antagonist, whose name is Smith, were in a drinking saloon, apparently on friendly terms, when they suddenly commenced loud and threatening conversation. Smith finally struck Hill in the mouth with his fist, and the men immediately grappled. The bartender went to interfere, and saw both the combatants clutching a pistol, the handle of which was in Hill's hand. In the struggle the weapon was discharged, the ball passing over Smith entirely and grazing the bartender's head. A second shot was then fired, which seriously wounded Smith, though he is expected to recover. The hearing is to take place to-day.

The Latest "Irregularity."—"Curly" Dix, a character who figured some months ago in connection with a cutting scrape in the Walker House room, has made himself again notorious, this time developing a real aptitude for business. His relations with Lou Wallace, the proprietor of a house of ill-fame, who died a few months ago, were generally known by the class who keep themselves posted in such matters, and since her death he has occupied a room in the establishment. Becoming tired of this town, however, he made up his mind to leave, and last evening secretly disposed of a quantity of jewelry, claimed by the sister and successor of the deceased woman, and this morning about 5 o'clock had a dray at the house to receive the furniture. He had it hauled away to Cranston and hand store, sold it, received his pay, it is supposed, and took the morning train for Ogden, all before the inmates of the house were awake. Information being given to the police, a telegram was sent to Officer Brown, of Ogden, to look out for the man, but whether he has been captured or not is still uncertain. But if Wm. Brown received the telegram in time, he will have his man sure.
