

WASHAKIE COMPANY

The Latest Concern to Win Attention of Incorporation.

OWN PROPERTIES ON THE LINE
Which Shows an Abundance of Good Ore—the Gal or Better—on Mining Items.

The Washakie Mining company is the name of the latest concern to file articles of incorporation. It has a capital stock of \$200,000, in shares of \$1 each, and in the organization has for its object the thorough development of a tract of mining claims lying partly in Idaho and partly in Utah. These claims are the Bullion and Iron Horse in Cassia county, Ida., and the Chloride in Box Elder county, Utah. They are properties containing silver, lead and gold in large quantities and have been developed to the extent that their value and future production is already assured. The Chloride has been worked to a great extent, than the other, and has over 200 feet of tunnel already dug. The ore averages about 15 ounces silver, 25 per cent lead, and from 20 to 40 in gold. The material is nearly 100 tons on the dump, and this will be shipped just as soon as a force of men is put to work. The ore is in a very rich state now. The ore is not strictly a shipping material, although it can be shipped, but greater values will be realized by concentrating it, which the company will undoubtedly do at some future time. The company is composed of representative men, the incorporators being Messrs W. Taylor, O. H. Belford, R. E. Richards, Martin Christopher, A. C. Campbell, E. V. Taylor and John W. Taylor. All reside in Salt Lake except Mr. Belford, whose home is in Glenwood, Colorado. Messrs W. Taylor is president; H. E. Richards, vice president; and A. C. Campbell, secretary and treasurer. These together with Martin Christopher go to make up the directors.

WILL FILE IN ARTICLES.
Prospective incorporation of the Washakie Mining Company.

Before the setting of tomorrow's sun another mining company undoubtedly will have slipped into existence, the same to be known as the Washakie Mining company, which will have a capitalization of \$200,000 divided into shares valued at 50 cents each. A. H. Anderson is president; W. Taylor is president; H. E. Richards, secretary and treasurer; and A. C. Campbell, E. V. Taylor and John W. Taylor make up the directors. This company owns the Chloride and Chloride claims in the Box Elder county, Idaho, and the Bullion and Iron Horse claims in Cassia county, Idaho. The latter is in especially fine shape and is now being worked by a small force of men, and is expected to yield upwards of 100 ounces of silver to the ton. With the incorporation of the company, it is expected that the Chloride claim will be given a renewed vigor, the end being to make of the mine a bonanza, it being now in the hands of a small party. The articles come from Denver, La. this morning and as soon as the Salt Lake incorporators sign, they will be ready for filing with the county clerk.

It Runs Rich to Gold.

In company with Mr. McIlwain we went over the mountains to the base of the mountain, and found a trail that would have been a find. We failed to find the prospect, but the find had been reported. We went over into Deep creek, where we found J. W.

WEATHER VANE.

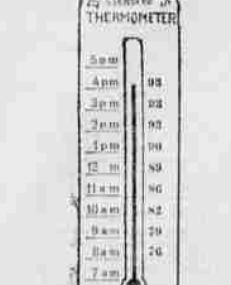

Observations Taken at Utah, Idaho, Montana, Wyoming and Oregon Stations.

Weather reports showing observations at 8 a.m. today:

Salt Lake City—Barometer, 29.85; temperature, 70; minimum, 67; wind, south, 5 miles per hour; clear.
Boise City—Barometer, 29.95; temperature, 65; minimum, 64; wind, south, 5 miles per hour; clear.
Cheyenne City—Barometer, 29.92; temperature, 65; minimum, 64; wind, southwest, 5 miles per hour; clear.
Denver—Barometer, 29.95; temperature, 65; minimum, 64; wind, southwest, 5 miles per hour; clear.
Hialeah—Barometer, 29.95; temperature, 65; minimum, 64; wind, southwest, 5 miles per hour; clear.
Idaho Falls—Barometer, 29.92; temperature, 65; minimum, 64; wind, southwest, 5 miles per hour; clear.

Today's temperature is shown in the face of the thermometer given below:

APPEAL DISMISSED.

Supreme Court Decision in a Prior Case.

MRS. VOUGHN—A DIVORCE.

The Supreme Court today rendered a decision in the case of Mrs. Voughn vs. her husband, which was an appeal from the decision of the District Court in Salt Lake City. The decision was rendered by a majority of five to four. The court held that the husband's conduct was not sufficient to warrant a divorce, and the appeal was dismissed.

THE COURT'S DECISION.

The court held that the husband's conduct was not sufficient to warrant a divorce, and the appeal was dismissed. The court found that the husband's conduct was not sufficient to warrant a divorce, and the appeal was dismissed.
