DESERET EVENING NEWS.

Friday, July 11, 1890.

THE RIGHT WILL RIGHT ITSELF.

When overcome with anxious fears,
And moved with passion strong,
Because the right seems losing ground
And everything goes wrong,
How oft does admonition say:
"Put trouble on the shelf;
Truth will outlive the liar's day,
And right will right itself."

By all the triumphs of the past,
By all the victories won,
The good achieved, the progress made
Each day, from sea to sun;
In spite of artful ways employed
By perfidy or pelf,
Of one thing we can rest assured,
The right will right itself!

Unshaken in our faith and zeal,
'Tis ours to do and dare,
To find the place we best can fill,
And serve our Maker there;
For he is only brave who this
Puts trouble on the shelf,
And trust in God, for by His aid
The right will right itself.

DISORDERLY SCENE.

A Democratic Candidate for Governor Faced by an Angry and Bloodthirsty Mob.

FAILURE OF THE CROPS IN OKLAHOMA.

The Re-canvass of Denver.—Race Riot in Georgia.—Diamond Robbery.

By Telegraph to the NEWS.]

Yells, Pistols and Personal Encounters.

COLUMBIA, S. C., July 10.—One of the most extraordinary meetings in republican or democratic times was held at Sumter today. That is the home of General Earle, who is the straight-out democratic candidate for governor, against Captain Tillman, the farmer movement candidate. It proved the largest and most disorderly meeting held in the State since 1876.

About one thousand Tillman men were rushed in on special trains from other counties. They were thoroughly organized and instructed to prevent Earle from speaking. The majority of the assembly proved to be in favor of Earle. Captain Tillman spoke before Earle, and although frequently interrupted was allowed a hearing.

When General Earle was introduced a stormy scene ensued. For half an hour the candidate faced a yelling mob, and was unable to say a word. There were many personal encounters, pistols were drawn and on half a dozen occasions a bloody and general fight seemed imminent. The Earle men finally massed and charged up to the stand, carrying everything before them. The speaker was still interrupted by howls on the outskirts of the crowd and they were only quieted by being charged by the police and the Earle men. Bloodshed was expected every moment, but after this action the meeting was for Earle and he carried the day.

Re-Nominated.

WATERLOO, Ia., July 10.—The republicans of the Third District have renominated Congressman Robertson.

The Convention.

HURON, S. D., July 10.—The independent convention adjourned today, after nominating the following ticket: Governor, H. L. Loucks; lieutenant-governor, B. L. Van Osdel, of Yankton; treasurer, Frank Roberts, of Millbrook; auditor, Captain Lowe, of Bijou; secretary of state, Henry Hanson, of Harvard; attorney-general, S. W. Ossard, of Gettysburg; superintendent of public instruction, Bowdy, of Redfield; commissioner of public lands, F. F. Meyers, of Alpena. For Congress, W. F. Leavett, of Lincoln County.

Ohio Democrats.

ORRVILLE, Ohio, July 10.—The democratic congressional convention in the Sixteenth (McKinley's) district met here today. Eight names were proposed, but after taking thirty-seven ineffectual ballots the convention adjourned until tomorrow.

Crop Report.

WASHINGTON, July 10. — The crop report for June gives the condition of wheat at 78.2 against 78.1 last month. Spring wheat advances from 90.3 to 94.4. Taken together winter and spring wheat makes an average of 82.1 instead of 82.4 as last month.

An Oklahoma Failure.

KANSAS CITY, July 10.—A dispatch from Topeka, Kans., says: Fourteen families of colored people have just returned from Oklahoma to Topeka. They say everything is drying up there and the settlers all leaving as fast as they can get away. The crops will be almost a total failure.

A dispatch from Kingfisher says a heavy rain fell this afternoon, succeeding nearly a month of dry weather, and too late to do good in a great many localities.

The Population of Denver.

DENVER, July 10.—Since the recanvass of the city, an unofficial statement of the population of the city is placed at 125,000.

Diamond Robbery.

NEWPORT, R. I., July 10.—Mrs. Peran Stevens is reported to be the victim of a heavy diamond robbery, and detectives are now working on the case. The amount of valuables missing is variously estimated at from sixteen to forty thousand dollars. This report is thought to be exaggerated.

Chopped to Pieces.

DEVILS LAKE, N. D., July 10.—Agnes Baldwin, a notorious prostitute, today murdered one John Kinner at her homestead across the bay, and chopped his body almost to pieces.

Louisiana Legislature Adjourns.

BATON ROUGE, La., July 10.—The legislature adjourned sine die tonight.

Not Shot.

LONDON, July 10.—The alleged shooting of M. Stambuloff is not confirmed.

Chicago University's President.

CHICAGO, July 10.—A local paper says the trustees of the new university of Chicago have practically decided upon Professor Harp Royale, for president.

The Wyoming Bill Signed.

WASHINGTON, July 10. — The President signed the Wyoming admission bill at 5:30 this afternoon.

California Improvement Company.

CHICAGO, July 10.—A special from St. Louis says: The California Improvement Company was incorporated today under the laws of Illinois, the papers being filed at Belleville, across the river from here. It is understood the company includes some of the most prominent capitalists in St. Louis. It is the intention to build a railroad from Los Angeles to San Francisco. The company has been formed for the purpose of buying the Los Angeles, Pasadena, and Glendale. Those interested are very reticent as to the intentions. One of the incorporators, B. J. Hobart, has intimated that the road might "go to the sea." This is believed to mean that the projectors intend to build a road to San Francisco, thus invading the territory now monopolized by the Southern Pacific. The Atchison, Topeka & Santa Fe has long been seeking a terminus at San Francisco via the Atlantic and Pacific. This road has a branch to Los Angeles, and it is regarded as probable in railroad circles that the franchise controlled by the new improvement company may be of great value to the Atchison.

A Train Strikes a Carriage.

AUBURN, N. Y., July 10.—Passengers arriving on the Lehigh Valley trains tonight reported that a carriage containing five ladies was struck near Oswego. Mrs. Burt Cleveland, Mrs. James S. Hay and Avery Witmarsh were killed and Mrs. Thomas Bahan and Mrs. Harvey Van Dusen badly hurt.

An Ex-Senator Dies.

LOUISVILLE, July 10.—Thomas B. McCreary died at his home near Owensboro, Ky., today, aged 74.

"Caution—£200 Reward."

LONDON, June 10.—The following notice appears in the morning newspapers of London today:

"Caution—£200 reward. All kinds of slanderous reports have been maliciously invented and circulated in London society concerning Mrs. Mackay and family. The latest offense is the circulation of an extract from a scurrilous American newspaper. The editor and publisher are being at once prosecuted in America. We are authorized by Mr. John W. Mackay to offer a reward of £200 to any person or persons who shall, within one calendar month from the date thereof, supply sufficient evidence to lead to the conviction in England of the persons circulating here the false statements referred to. Johnson, Budd & John, 24 Austin Friars, London, solicitors."

Mrs. Mackay refuses to say what are the circumstances that led to the insertion of the advertisement. The solicitors also refuse to make any explanation.

A Race Riot.

GRIFFIN, Ga., July 10.—A fatal race riot occurred at Starr's millpond, Fayette County, this afternoon. Four negroes were killed and six wounded, two of whom are reported dying. Eight whites were shot, but it is thought only one of them fatally, making eighteen in all killed and wounded.

The trouble started with a row between a darky, who was selling wine, and a white man. The quarrel was taken up by others until many became involved, and shooting soon became general. After emptying their weapons a demand was made on a merchant for more ammunition. He refused to sell, but the infuriated rioters helped themselves to all he had. There were over five hundred people on the ground, and it is a mystery the shooting was not more fatal in results. The trouble, it is feared, is by no means ended and another serious fight is expected tonight or tomorrow.

A RACE WAR FEARED.

BALTIMORE, July 10.—A special to the Sun from Charleston, W. Va., says: There are great fears of a race war in Pocahontas mining region. All the evening of July 8 a couple of hundred colored miners who had been on an excursion train on the Norfolk & Western road were returning home, many under the influence of liquor, and set upon a white man in the train and nearly killed him. Four of the railroad's detectives who were on the train interfered and a terrible fight ensued in which the detectives were badly done up and one negro shot and others badly beaten. The train was stopped at the station and the citizens saved the detectives' lives. Since then the feeling has been very bitter and trouble is momentarily expected.

A Regatta Spoiled.

MARBLEHEAD, Mass., July 10.—The Eastern Yacht Club regatta this afternoon was spoiled by a calm and the race declared off before the yachts got half way over the course.

Bright's Disease Cured.

About two years ago our daughter had complaints of the kidneys, which developed into Bright's Disease. Her body was swollen to an enormous size—she measured 45 inches around the waist, and 38 inches below the knee. After physicians had given up her case, I determined to have her try Dr. Kennedy's

"FAVORITE REMEDY,"

of Rondout, N.Y. Gradually the swelling was reduced from 45 to 29 inches. She began to gain strength and was able to walk without crutches. We do not know how to express our gratitude for what it has done for our child. We are confident the Favorite Remedy will do all that is claimed for it—surely God has blessed it in this case, and we can only recommend it to all suffering from kidney disorders.—E. D. VanBuskirk, Deposit, N. Y.

CREATE A STUPENDOUS SALE

The coming two weeks will tell a tale of a (we) markably successful venture—a stupendous offer indeed; one which will cause a turn in our enormous establishment. Every garment of our celebrated **HIGH ART AND CUSTOM MADE** Clothing, as well as every dollar's worth of Clothing that is exhibited on either of the three floors, is submitted to stupendous reductions on retail prices. Here and there are separate stacks of suits, both overcoats and trousers, intended for an immediate fit, for the short and the long built man; the extreme stout or the lean individual, as well as our regular **PROPORTIONAL FITTING CLOTHING** are made of the purest materials and finest of trimmings, manufactured by us for our trade exclusively. For the next two weeks we cause to every dollar to be invested in Clothing, and therefore propose to offer the following:

DOLLARS	8.00, 10.00, 12.00,	DOLLARS

Will purchase a suit that sold previously at $12.00, $15.00, and $18.00, made of all-wool materials, beautiful light or dark patterns, honest trimmings, and well made up. A thoroughly reliable garment in every sense of the word.

FOR THE MECHANIC AND THE WAGE WORKER.

DOLLARS	15.00, 18.00, 20.00	DOLLARS

Will secure a nobby Business or Dress Suit, quoted previous to the day at $20.00, $22.50 and $25.00. A Spring or Summer apparel that looks and fits nobby, either sack or frock style, artistically cut and finished, reliable fabric, and surely the prettiest and most genteel patterns and designs produced anywhere. Just the suit.

Dollars	22.50, 25.00, 27.50	Dollars

All we ask for these beautiful tailor-made dress suits, which retail across the board at $30.00, $35.00 and $40.00. Made exclusively by tailors and cut by custom cutters only. We care for this class of garments mostly inspected and surely the finest of domestic trimmings. We have them in black, 1, 2, and 4 button Cutaway, Prince Albert or Prince Charles' styles, either round or raw edge and rolled fronts.
