Great Ball Team of Hugh Jennings Once More Leads American League

Fierce Struggle the Closest Pennant Contest Ever Waged on Diamond—End of Determined Fight.

Chicago, Oct. 6.—What is said to have been the closest pennant contest ever waged in the American league came to an end in this city today, when Detroit, champion of 1907, captured the emblem for another year by defeating Chicago, 7 to 0. Detroit, Cleveland and Chicago struggled all season for first place, never being far from each other in the percentage table, and not until today could the winner be picked. St. Louis put Cleveland out of the running yesterday, leaving the field to Detroit and Chicago. Chicago's fight has been an uphill one, but Manager and Captain Jones never despaired until the last Chicago player had been today. Had Chicago triumphed the pennant would have come to this city, but the defeat of the local team in the final test left no subject of debate. Detroit's victory was clean and unobserved. The six Chicago pitchers—White, Walsh and Smith—could not subdue the Detroiters. Donovan pitched the first half that will win almost any game. His teammates coming first to bat lent him confidence in the initial inning by knocking White out of the box and putting four runs over the plate. Donovan's manner was confident as he faced the Chicago batsmen, and in the first inning, with a calmness approaching nonchalance, he proceeded to make first base a very hot pole of unattainability for his opponents.

CHICAGO DID NOT HAVE SHOW.

Two hits in different innings were all that Chicago could make and a local runner perched on second base just once. That was the only time that Chicago made even the breath of a threat. Donovan, usually the best pitcher in the league, with Chicagoans on first and second bases had an unfamiliar appearance, straightaway struck out Captain Jones and the gigantic Isbell and retired Dougherty with a high fly to right. This being the first time the Chicago enthusiasts had had an opportunity to cheer, they seized it and for a time beat him would have appeared to be compared to the south side ball park. J. Atz, of the Chicagoans, coaching off third base, became so excited that he intruded on the diamond and was ordered to the bench by Umpire Sheridan. Atz protested with such vigor that he was expelled from the grounds. Detroit's assist column showed a total of only two, for when Donovan did not strike out the batsmen he pitched the brand of ball which resulted in flies. All told, he struck out 10 men. Behind his errorless ball was played, and hits were made when hits were needed. There were 15 of them, a total proportion of them, from the local viewpoint, being in the first inning. Detroit's batting alone would have appeared to be a game with ease, but assurance was made doubly sure by Chicago's errors. Five number.

New York, Oct. 6.—There was another big gathering of fans at the Polo grounds today and they had an anxious time during the first five innings. Ferguson held his clubmen so well in Chicago that the sixth inning, when they scored one run and followed up with three more in the seventh, Willie was very effective, but the visitors saved a shutout through Seymour's miss of Ferguson's fly and the Boston twister got home on a double hit center by batteries, after Becker had beaten out a nicely placed bunt.

BIG FOOTBALL SQUAD

Seventy-Five Gridiron Enthusiasts Have Lively Scrimmages.

Cummings held at the State University presented a lively game yesterday afternoon. Seventy-five football enthusiasts were on hand for the scrimmage, and they certainly carried out their intentions. The U. had out the big team and a number of scrub elevens. Twenty men represented the High School and All Hallows College was there with two teams. Under the direction of a corps of coaches they divided off into scrimmage squads and, after more than an hour's work, naturally fought it out. It was a good practice for all and the boys learned considerable about the game. The U. team is already in excellent shape and Coach Maddock is enthusiastic over his team in picking a first class eleven.

NEW SWIMMING CLUB.

Last night in the Y. M. C. A., the new swimming club was launched. Plans were thoroughly discussed and the light committee to draft a constitution and by-laws was appointed. It is composed of Adams, Mace, and Chumley. Next Wednesday evening this committee will make its report and at that time permanent officers of the aquatic club will be elected.

FOOTBALL GAMES SET FOR TODAY IN THE EAST

Pennsylvania meets Villanova, which team will be lively for the Carlisle Indians the following day. Today's eastern schedule follows:

KENTUCKY RACES OPEN.

Lexington, Oct. 6.—The thirty-sixth annual meeting of the Kentucky Horse Breeders' association began here today. Many famous stallions and horses present from the various states and Canada. The Harvester, owned by August Belmont, and driven by Edgar, won the 3-year-old division of the Kentucky Futurity, said to be the best stake for trotting horses in the world. The race was easy for the victor, who in the last heat went the mile in 2:08 1/4, establishing a new record for the event.

POST SEASON GAMES WILL BE NECESSARY.

New York, Oct. 7.—Although the last regularly scheduled games of the national league season will be played today the day will end with the race for the pennant still undecided. Post season games will be necessary in any event, and there is even a possibility that Pittsburgh, which practically abandoned hope when her season ended last Sunday, may yet win the years' baseball honors. Only one material game remained to be played today, that being New York and Boston at the national league grounds in this city. It was the last of a final series.

Tangle Necessitates Post-Season Games Between Giants and Cubs.

Chicago, Oct. 6.—For the first time in the history of the National league of baseball clubs, a post-season game for the settlement of the championship is announced for Thursday of this week. The tangle that arose over the last series in New York between the New York and Chicago clubs having brought a decision today from the National league directors to that effect. For nearly two days, and a large part of one night, the directors listened to evidence and considered the matter in its various phases and finally announced their decision late this afternoon.

Chairman Ebbetts made a little speech before asking August Hermann to read the text of the decision, calling attention to the importance of the case and the care that had been given to it. He also expressed his confidence in the proper consideration to all interested. Two protests were up for decision, on appeals from the ruling of President Pulliam. New York appealed from the decision.

Chicago, Oct. 6.—President Murphy of the Chicago National league club tonight said:

"We will play Thursday and we'll let 'em, too. We will make it so decisive this time that no boy-headed base running can cast a shadow of doubt on the contest. We want to win the championship of the playing on the field, and not in the legislative halls of baseball politics. The Cubs will take the Twentieth Century Field tomorrow and arrive in New York Thursday. Manager Chance and his players are all in good condition and we will have no excuse if we fail to bring the third successive National league pennant to Chicago."

SOME FANCY SHOOTING.

An Interesting Exhibition Given Gun Club by the Topperweins.

Members of the gun club were treated to a most interesting exhibition of fancy shooting with rifle, shotgun and pistol yesterday afternoon by Mr. and Mrs. Topperwein. The light member of the team surprised those who saw her work, as she held her own with her husband, who is regarded as one of the best shots in the country. The traps were not working very well, but Mrs. Topperwein managed to break 49 out of a possible 50 blue rocks, and that's going some.

The Topperweins then gave an exhibition of rifle and pistol shooting, hitting small cones, walnuts, marbles and cards which were thrown into the air. Mr. Topperwein threw four apples into the air and put a bullet through each before they reached the ground. His most interesting feat, perhaps, was to draw a perfect Indian head with a stream of bullets from a rifle.

Speedy Harness and Running Events Mark Day as One to be Remembered by Turfmen.

A fast track, a warmer day, a larger crowd—all made yesterday afternoon's state fair card better than the initial one, run in a sea of mud. The track is now in splendid condition. Saturday afternoon will be Salt Lake Turf Exchange day with a purse of \$300. Each entry will cost \$10, and the amount will be added to the purse. For weeks the fastest horses of the week and those expected from the northwest most by horse men will be seen Saturday.

Short breath, pain around heart, choking sensation, palpitation, fluttering, feeble or rapid pulse, and other distressing symptoms follow. Dr. Miles Heart Cure is a medicine especially adapted to the needs of these nerves and the muscular structure of the heart itself. It is a strengthening tonic that brings speedy relief.

"For years I suffered with what I thought was stomach trouble, when the doctor told me I had heart trouble. I had tried many remedies, when the Dr. Miles' Heart Cure came into my hands, and I concluded to try Dr. Miles' Heart Cure. I have taken three bottles, and now I am not suffering at all. I am cured, and this medicine did it. I write this in the hope that it will attract the attention of others who suffer as I did."
