The familiar voice of lawn-mowers furnished another evidence of spring and approaching summer, this morning, as numerous persons over the grassy plats in front of societal residence on easy Sunday's toilet.

Dust filled the eyes, ears and nostrils and covered the clothes of pedestrians as they passed to and fro on South Temple street today. It is to be hoped that Superintendent Jones, of the street sprinkling department, got to work.

The exhibit of the Utah Dairymen's association in the Hall of Relics is still attracting the attention of the latter and many people. The gentlemen in charge of the exhibit, Messrs. Taysom and Hewitt, say it will close this evening at 10 o'clock.

Those who are in the habit of using the streets as a dumping place for their garbage and refuse, are warned that on April 1 they do not change their habits. Street Supervisor Seddon and Sanitary Inspector Hewitt have their eyes on them, and will be prepared to arrest the first one they see.

REUNION OF ARTILLERYMEN.

Veterans of the Nauvoo Legion Indulge in the Merry Dance.

A MOST PLEASING AFFAIR.

The Finger of Time Seemed to Turn Backward, and Old Days Became Young.

Nearly one hundred members of the old Nauvoo Legion gathered in the Thirteenth ward assembly hall last night on the occasion of the reunion of the majority of the surviving members of that brigade.

The authority was the first of a series of similar reunions of the association of Veteran Artillerymen of the Nauvoo Legion held since 1870, when the legion was practically disarmed by Governor Shaffer.

The artillerymen organized their association in 1887, and meet on the first Wednesday in each month in the Thirteenth ward assembly hall. The branch of the legion may become members on the same conditions as the artillerymen. Male persons over eighteen years of age or any of them are also eligible to membership. In all cases good moral character is a prerequisite. Female relatives are rewarded as honorary members, and can attend the social gatherings.

DISCHARGED UTAH VOLUNTEER HOME.

Comes Back from the Philippines and Presidio Hospital.

MANILA NOT WORST PLACE.

Tribute to the Brave Boys From the Archive State—Major Penrose's Faithfulness.

Private Benjamin Smith, who has been acting as hospital steward with the Utah light artillery at Manila, came into Salt Lake this morning over the line through Western from San Francisco. He left the Philippines last November on the transport Scandia and arrived at the Golden Gate about Christmas time. For the last three months he has been in active hospital service at the Presidio, where he has been in attendance upon the sick soldiers who have been invalided home and have been unable to resume further service in the battle lines in the Philippines. He stated that when he left there a few days ago that there were only eighty-four men in the hospital, so he reports that the number will be greatly reduced by the time that the four transports from the islands that are carrying quite a number of returning soldiers arrive.

Private Smith, who is a Mount Pleasant boy of 22 years, enjoys the distinction of having been the first man to storm artillery and a white hand around the walls of Manila. The cold-blooded and cruel ambushment device, he participated at Fort Douglas last May and since that time has been with the members of the Utah light artillery and witness the fast-flight battle that he carried several bullet wounds. He was brought to the hospital, but through a mishap with his wounds he was the first man to be prepared to stay in the city of Manila, so he began to assist the friends and relatives of some of his old comrades across the seas.

Private Smith pays a glowing tribute to the boys who composed the ranks of the Utah battalion and recited many incidents connected with the organization of the battalion and the performances of last year's taxes for the State school fund at the end of Dec. were counted in the apportionment of five in recent years.

There will be a third semi-annual apportionment of state school moneys will be made immediately after March 31 and the 1st of July, of each year.

CONFERENCE PROCEEDINGS

The Deseret News, by direction of the First Presidency, will issue a pamphlet giving a complete account of the proceedings of each General Conference, including the entire reports of the discourses. It is now completed, as an appendix, an account of the conference proceedings of the Deseret Sunday school Union. The cost items will be the same as the price of the volume, and will be ready immediately after April Conference.

The reasons for this publication, in the minds of the Presidency are:

It is a means of making the saints more familiar with the views, sentiments and instructions of the Church authorities, thus bringing them in closer touch with each other.

Such a publication is of great historical value.

It can be made useful abroad through the missionary system, and will help to bring souls not by mail to distant parts to the Saints.

The price of the pamphlet is nominal. It will be mailed to any address, one free, for fifteen cents. Agents will be offered a liberal discount for quantities to be ordered for the next issue or early in position.

ROBSON'S LEGITIMATE ART.

He Is One of Our Most Conscientious Players.
