Cure boy. It attacked me in the legs, arms and shoulders. The pain in the latter was particularly severe. I, of course, took medicine for it, but did not obtain permanent relief. One day about three years ago while reading a newspaper, I saw an advertisement of Dr. Williams' Pink Pills for Pale People and determined to give them a trial. I had taken but three boxes of the pills when the trouble, which had been my affliction from childhood, entirely disappeared. "About a year later, I had another attack of rheamatism which was brought on by working in a damp place. I remembered well what Dr. Williams' Pink Pills for Pale People had done for me, so I immediately purchased some. Strangely enough just three boxes again cured me, and I have been entirely free from rheumatism eversince. I have fold a number of people about Dr. Williams' Pink Pills for Pale People, and they have taken them with the most beneficial results. W. J. DALTON, Secretary Board of Trade,

Tropic, Garfield Co., Utah, Nov. 27 .--Perhaps nowhere in Utah are there to be found placed so easily within reach materials for the building up of prosperous and happy homes than are to be found in this beautiful and fertile location. Phenomenal is a term not mis-applied in setting forth what this settlement has accomplished in the short space of seven years, and is ac-complishing, as, for instance, within the past two years in the neighborhood of thirty modern residences have been treeted besides remodeling the meeting ouse, which is now the most commo house, which is now the most common flous in the country. This has been done in the face of an unprecedented frouth (now happily broken) and last-ing two years. This speaks volumes for the thrift and enterprise of this young community, composed mostly of accretic young people. of energetic young people.

Young Stage Driver Goes Over a Prec: ipice on Little Colorado River.

Last Friday night David Perea was put on the Springerville mail cart as a new driver, says the St. Johns, Arizona, Herald. He made the trip to Springerville all O. K., left there at the usual time 5 p. m. and started for St. Johns, when he was about eight miles from Springerville the horse left the road, as it was a dark rainy night it was im-

possible for any person to see any land narks whatever, so it seems that he let the horse take its own course, when the Little Colorado was reached it stopped. and the signs show that David got to learn what was the cause of the horse stopping. Little did he think he was within two

steps of death's door, for in taking three steps he went over the edge of a 60 foot precipice and down into the canyon of the Little Colorado. His neck and left leg, and left arm were broken, and the left temple probably fractured. The body was found in a slitting posture between two rocks, but all indica-tions shows that death had been instantaneous. A search party was or-ganized and sent out after the boy was missed, and Basilio Cooper and the dead boy's brother, Pablo, were the first to find his remains, which were brought to St. Johns, and Justice Salazar held an inquest over his body and found that

he had died by accident. The deceased leaves five brothers,four sisters and an aged mother to mourn his loss. He was a good boy, being well known here, and no one can say aught against him. He was but nineteen years old, and

CRAZE FOR VACCINATION.

An enterprising English pisciculturist has invented a lymph with which he proposes to vaccinate young lobsters to et them against a growth which is fatal to little crustaceans, according to the London Leader. The vaccinated lobster will have a peculiar scar at the base of his tail to distinguish him from his unvaccinated brethren.

NURSING MOTHERS want Scott's emulsion of codliver oil, almost without exception. So before they get to be mothers, eating for two is no small tax, continued for

months.

The emulsion not only is food itself; it gives strength

for digesting usual food. If the milk is scanty or poor,

the emulsion increases supply

and enriches quality.

We'll send you a little to try if you like. SCOTT & BOWNE, 409 Pearl street, New York.
