MANAGER, - E. A. LARKIN.
Telephone 128-2.
2417 Grant Ave.

Advertisements for the Daily, Saturday and Semi-Weekly News accepted on the same terms as at the Salt Lake office.

NOTICE TO OGDEN SUBSCRIBERS.

The delivery of the Daily and Saturday News by carrier, in Ogden, is now in the hands of M. H. Thomas, whose office is at 2417 Grant Ave.; telephone 637-X. All accounts due for copies of the "News" delivered after Jan. 1, 1934, should be paid to Mr. Thomas.

OGDEN, UTAH, - FEB. 18, 1934.

FRUIT GROWING IN WEBER COUNTY.

An Association of Orchardists Will be Organized on Saturday.

IMPORTANT COUNTY INDUSTRY

To be Fostered and Promoted—Happy Wedding Bells—Junction City Briefs and Personal.

A meeting of all the fruit growers of the county is called for Saturday morning at 11 o'clock at the rooms of the county commissioners in the court house.

At the meeting Hon. Joseph Stanford will preside. The purpose of the gathering is to effect an organization to be known as the "Weber County Fruit Growers' association." It is of great importance to the fruit raisers of the county, as subjects of great moment to the fruit growing industry will be discussed. The object of the organization is to unite the horticulturists of the county for educational purposes and for mutual protection in growing and selling fruit.

Weber county is one of the best fruit growing districts in the state. Some of the finest fruits that are grown in the west come from Weber county orchards, yet there is much to be learned in this great industry. This was shown at the recent irrigation congress exhibit held in this city, when such a magnificent display of Utah fruits was made, but when the judges came to examine the fruits they found some of the exhibits wormy, due largely to the want of proper spraying as the law directs.

These, together with many other matters of importance, are to be studied by the organization, so that our fruits may be improved in quality, size, etc. The organization will also consider the regulation of the prices on Weber county fruits, so that its interests in this matter may also be protected. At the meeting Saturday very little will be done. It is expected except the effecting of an organization, and at subsequent meetings the culture of fruits, etc., will be considered.

WEDDING BELLS.

A social event of considerable importance took place last evening at the home of the bride's parents, 2339 Adams avenue when Miss Adella Bauser, daughter of Joseph Bauser, was married to Oscar B. Madison, proprietor of the Model dairy. There were present at the reception only the relatives of the contracting parties and a few intimate friends. The happy young couple left today on an extended wedding tour of Oregon, California and Mexico. They will return to Ogden about June 1 to begin their home here.

A license to wed was granted to Charles C. Biber, 27, and Miss Hannah Aldous, 25, both of Ogden. They were married at the home of A. T. Hestmark by Rev. John V. Bluth and departed on a wedding trip through California.

BRIEFS AND PERSONALS.

Joseph Cottrell of Farmington, Davis county is visiting in Ogden for a short time and may remove his family to the city to make his future home.

The two prisoners who sealed the fence at the city rock pile yesterday were apprehended by Officer N. A. Herlick.

Mrs. A. H. Moyes has returned from a visit with relatives in the southern part of the state. She said there was some very hard freezing weather when he left. Mr. Bradshaw will move his family up there the 15th of next month and will engage extensively in the cattle business in Canada.

Mr. John Brown, agricultural superintendent of the Grand Junction, Colorado, sugar factory, returned to his home here Friday. He reports that that factory has already secured contracts for 4,200 acres of beets and it expects to get over 50,000 tons of beets in the fall. Much irrigating will have to be done, he says, as no snow has fallen there this year.

The 7-year-old child of Mr. Mert Stewart, which died in Mantoloking last week, was brought here and buried last Friday.

The last few days we have been having a great thaw and yesterday it was raining and snowing the greater part of the time. The farmers are very much elated at the fine prospects for an abundant supply of water.

The weather is delightful. Snow almost disappeared. General health of the people good.

A NIGHT ALARM. Worse than an alarm of fire at night is the brassy cough of croup, which sounds like the child's death knell and it means death unless something is done quickly. Foley's Honey and Tar never fails to give instant relief and quickly cures the worst forms of croup. Mrs. P. L. Cordeur, of Mantoloking, Ky., says: "My three-year-old girl had a severe case of croup; the doctor said she could not live. I got a bottle of Foley's Honey and Tar, the first dose gave quick relief and saved her life." Sole agent, F. J. Hill Drug Co.

MINERSVILLE. MRS. JOSEPH MYERS DEAD. Veteran of Early Days Closes Useful and Eventful Career.

Minersville, Beaver Co., Feb. 15.—Sarah Eyre Myers, wife of Joseph Myers, died on Feb. 7, at their home in Minersville, of pneumonia and general debility. The funeral services were held Wednesday and were well attended.

The speakers were Bishop Dotson, and Elders McKnight and Banks. The music was furnished by members of the church. The funeral was held at 11 o'clock Wednesday morning at the home of the deceased. The body was buried in the cemetery.

THEATRE, ARIZONA. TEMPERANCE CAMPAIGN. Election Under Local Option Does Not Satisfy Saloons.

Thatcher, Graham Co., Ariz., Feb. 11.—Last evening closed one of the most interesting campaigns and elections held in this valley. Each of the "Mormon" saloons voted for the "saloon." The local option election covered all the settlements in the Gila valley except Solomonville and San Jose, and all won out in favor of prohibition. It was a great victory for the cause of temperance.

For 10 days the voters have been in the throes of an exciting campaign. Miss Louise Hollister from Illinois, a worker for the Woman's Christian Temperance Union, was our leading speaker. She was associated with her Rev. Mr. Wardlaw from Safford. President Andrew Kimball. There were also local workers, both English and Spanish speakers. The academy choir and Whitehead's orchestra furnished music. Mrs. Ella Birdso and Josephine Clark recited. The meetings commenced with religious services in the church in Safford Sunday, Jan. 31, and concluded with like services in Solomonville last Sunday, Feb. 7.

Meetings were held every night. Feb. 2, in the opera house in Safford; Wednesday, Feb. 3, in Layton meeting house; Thursday, the 4th, at Pima Opera House, and Friday night in the academy chapel. Each of these meetings was crowded with intelligent citizens and were characterized with the spirit of patriotism.

Monday night closed the campaign with a rousing meeting in the academy, conducted by the Woman's Suffrage association, at which some talking was done in Spanish for the benefit of the Mexican population in attendance, and the academy Spanish class sang, "O My Father," and other selections.

The election was ordered by precincts, taking in its scope Safford, which includes Layton and Graham wards; Thatcher, Central, Pima, which includes the Matthews and Bryce wards; Hubbard and Eden. The latter includes the Hot Springs, a pleasure resort and saloon town.

In consequence of the conditions existing at Eden with the Hot Springs included, it is believed the prohibitionists are defeated, though it will be no less than three or four miles from Eden.

Thatcher had one saloon, the returns show 113 votes for prohibition and 11 against. Pima has two saloons, the returns show 113 votes for prohibition and 11 against. Safford has one saloon, the returns show 113 votes for prohibition and 11 against.

So far as is known at this writing prohibition went off without trouble. Liquor flowed like rain at Safford. It looked like they had every Mexican and unmanly citizen drunk and used them at Thatcher and Pima, the two business centers of the valley, and headquarters for the "Mormon" people. Matters were quiet and orderly. There was almost universal rejoicing last night, and to celebrate the occasion, the Relief society of Thatcher gave a leap-year ball, which was a pleasing affair. The campaign against liquor has been intrusted to a committee of several of the prominent citizens of the county, aided locally by the anti-saloon committees in the towns. The Relief society of the latter-day Saints were among its members. Andrew Kimball, chairman; Rev. Wardlaw, Mr. Glascock, Mr. O'Brien of Safford, Mr. Fred Bryant of Solomonville, Bishop Moody and Thomas S. Kimball of Thatcher, and W. T. Webb of Pima.

THURBER. HOOKED BY A COW. Grandma Gardner Seriously Injured by Violent Brute—Primary Festival.

Thurber, Wayne Co., Feb. 14.—Grandma Gardner was hooked by a vicious cow yesterday afternoon, breaking her collar bone, injuring her internally, and bruising her seriously. When found she was lying helpless after getting out of the way of the brute. Patriarch Blackman from Loa is attending her today and loving care are doing all that is possible for her relief. She is 72 years of age.

The Primary and Religion class entertained friends and parents with a decided success. We had a fine snow the first of last week but it is like summer weather again.

IONA, IDAHO. THRIVING COMMUNITY. Grand Banquets Mark Close of Sugar Campaign—Ideal Winter Weather.

Iona, Bingham County, Feb. 12.—This has been an ideal winter, with delightful for the past seven weeks and the end is not yet. The weather at no time has been extremely cold and no thaws until yesterday, but it is colder today.

Stock is looking exceedingly well and the abundance of good hay, which makes a fine ration for milk cows and saves about one-half of the hay. The Iona Sheep company is feeding for market, 6,000 sheep and they are now in prime condition.

Bishop C. W. Rockwood and his counselors have been making their annual house to house visit to the ward. There are about 225 families here now against 110 two years ago.

The Idaho Sugar company has finished the run of the season. At the close of the campaign the company gave a grand ball and banquet to their

employees at the Iona pavilion. About 150 couples were well taken care of by the committee. This affair was duplicated a week later and all of the beet growers south of the Snake river were invited. The pavilion on both occasions was taxed to utmost capacity.

Our recent quarterly stake conference was held here in the beautiful meeting-house recently completed. There were over 500 people seated and it is certainly commendable the way the good people of the ward cared for the many visiting friends.

Owing to the disastrous snow storm last May, there has been no revenue from our sheep herds for the year. This industry has become a source of considerable revenue to the ward and its accustomed good dividends are missed. Our farm crops, however, were all that could be desired.

The voluntary donations of the ward for the last year were as follows: Tithing, \$200; meetinghouse fund, \$1,700; paid toward the erection of the Ricks academy, \$582; missionary fund, \$110; fast offerings \$85; other purposes, \$25; total, \$5,602, and we do not feel any the poorer for it. Our greatest need is more people to help till these broad acres.

The farmers are busy getting ready for spring work.

MAKING HIM TOUGH. "Bannister left his dog out all night, and Peterson felt so sympathetic he got up and let the poor brute into his kitchen. The next morning he told Bannister what he had done, and Bannister said he locked the dog out to toughen him."

"He added that while he believed the low temperature would make the dog tough about as quick as anything, he didn't know but that associating with Peterson's family would have precisely the same effect. And now the Bannisters and Petersons don't speak as they pass by."—Cleveland Plain Dealer.
