A CARD.

To the Inhabitants and purchasing Community of this Territory:—

Owing to the great decline in the prices of goods in the Eastern Markets (being determined to keep IN RATIO with them,) I have made a further reduction in the prices of goods, which upon examination will speak for themselves. I have also on hand a great many articles that have laid over for one and two years—which I will sell, REGARDLESS OF COST, even lower than the present rates in the Eastern Markets will permit of; viz: Table and Pocket Cutlery, Spades, Shovels, Scythes and Snaths, Bake Skillets, Locks and Latches, Tea and Table Spoons, Carriage Bolts, Cast, Bilster and Plough Steel, Soap, Lye, Tobacco, and an immense variety of other goods, which are necessities for every day use. Farmers and Country Merchants would do well to call and examine the stock and prices, and as Greenbacks are scarce in the country, I will take for pay, Cattle, Wheat, Flour, Barley, Oats, Pork, &c., for which I will give a price that will guarantee satisfaction.

EAGLE EMPORIUM

WM. JENNINGS,

PROPRIETOR.

d21-w47tr

Congressional:

THE STANTON CASE!

AUSTRIA PREPARING TO REDUCE HER ARMY!

ITALY SENDS A MINISTER TO MEXICO!

Stirring Events looked for immediately in Washington!

GRANT YIELDS THE PORTFOLIO OF WAR TO STANTON!

Washington, 14.—Senate:—Cole introduced a bill for the better security of the lives of passengers on steam vessels referred. Also a bill to reduce the number of Major and Brig. Generals in the army.

Williams introduced a resolution relative to funding the national debt into obligations whose principal shall never become one, bearing interest at the rate of four per cent.; also looking to the imposition of high duties upon costly fabrics, with a view to check the exportation of gold.

Davis called up his resolution for establishing a constitutional tribunal, and spoke at great length in favor of its adoption. Nye made a brief reply.

On special order was taken up the House anti-contraction resolution, and a number of amendments were offered, which were rejected. The debate was protracted at great length until the adjournment was finally carried. During the debate the House amendments, requiring two-thirds of the Supreme Court to invalidate a law of Congress, came in and were referred to the Judiciary Committee. Sherman expressed himself in favor of the amendment.

House:—Schenck reported from the

Committee of Ways and Means the Senate amendments to the bill repealing the cotton tax, recommending non-concurrence. The House refused to concur.

The Senate amendments to a large number of bills and resolutions were introduced. Holbrook introduced a bill granting aid to construct a railroad Telegraph Line from the Union Pacific Railroad, through Idaho and Portland, to Puget's Sound.

The House resumed the consideration of the reconstruction bill reported yesterday. Brooks presented a minority report in behalf of himself and Beck. Brooks spoke in opposition to the bill; Bingham advocated it. The debate continued at considerable length, and the House adjourned without a vote.

Washington, 14.—Stanton did not attend the Cabinet meeting to-day. Grant attended by special invitation of the President. It is supposed the Stanton case was under consideration. Republican Congressmen are signing a petition, requesting Stanton to remain in the war office. The impression now is that Johnson will not recognize Stanton, but will transmit all business through the Headquarters of the Army.

Vienna, 14.—The Government is preparing to reduce the numbers and expenses of the standing army.

St. Petersburg, 14.—The official organ denies that the British Cabinet protested against the alleged intrigues of the Russian agent in Roumania.

Florence, 14.—Italy is the first European power to recognize the restoration of the Mexican Republic. Senor Loehivasso has been appointed Minister to Mexico and will proceed thither immediately.

Vienna, 14.—The Dobbate, the semi-official journal, asserts that negotiations between France and Italy for a new treaty to displace the September convention is rapidly progressing, and is now nearly concluded.

London, 14.—The employees of the telegraph company in Belfast, recently arrested on suspicion of Fenianism, have been discharged.

Trenton, 14.—Both houses of the Legislature have organized, and a resolution was offered which rescinds the ratification of the constitutional amendment, which was referred to committee.

Helena, 14.—1 p.m. thermometer 20 above zero. It looks like snow.

Chicago, 14.—The Ohio Senate yesterday passed the House resolution rescinding the resolution ratifying the Constitutional Amendment.

The Republican's special says there is some probability that Sunset Cox will be confirmed Minister to Austria. Senator Sherman favors him.

There is great excitement in Washington over the action of the Senate in reinstating Stanton. It is not known what Stanton intends to do.

Garfield introduced a bill yesterday, reducing the number of Major Generals of the regular army, intended to get rid of Hancock. The bill provides for the last name to be dropped. The new reconstruction bill will probably pass to-day, under the previous question. The National Intelligencer has a lengthy editorial supposed to reflect on the President's views on reconstruction. It says if Grant attempts to assume the functions awarded by the new bill, after it has been repassed over the President's veto, he must be cast into jail to await his trial for treason to the country.

Stirring events are immediately looked for.

Washington, 14.—Grant yielded the portfolio to Stanton. The President has taken no action.

Columbus.—Thurman is elected Senator. The Republicans voted for Wade.

San Francisco 14.—An excitement in the mining share market has been caused by the reported discovery of rich ore in the Hale Norcross mine, which stock sold to-day at 3070; Savage, 150; Kentuck, 300; Chollar, 250; all descriptions have advanced.

Arrived:—Stormy Petrel from Glasgow, Queen of the East from San Juan Del Sur.

Cleared:—surprise for Boston, 1600 barrels of flour and 3,000 sacks of wheat.

Sailed:—Pasetha for Swansea; Endeavor for Hong Kong. Flour quiet \$7.50 @ \$8.00. Wheat nominal, \$2.60 @ \$2.70. Legal tenders, 71½.
