CLOSE FINISHES, SPLENDID RACING

Favorites and Second Choices Get in The Money and Public Has Best Of the Bookies.

The racing at the fair grounds track yesterday afternoon was of a high class order and seemed to greatly please the crowd. The attendance was good, the track fast and most of the finishes close and exciting. Three favorites and two second choices, all well played, romped home in time to get the money and the bookies wore glum looks when the long line of turfites lined up to the windows to cash their tickets.

There was a great field of evenly matched horses in the Pioneer handicap, the feature of the day. Long before the race started the wise ones decided the race would be nearly between Ethel Day and Work Box and those who got down on the latter were not disappointed with the result. Ethel Day was the favorite and got away well but soon had to take second from Pimkin. In the back stretch Pimkin, Ethel Day and Work Box were neck and neck. The crowd shrieked and on rushed the horses. Meddling Hannah tried hard for third position but turned too wide. Coming into the stretch Ethel Day passed Pimkin but could not make the necessary strides to head off Work Box who finished in a sensational manner. Work Box was well played.

The third race brought a surprise when Liberto showed remarkable speed and simply ran away from the others. Red Leaf, the favorite, would surely have been in the money but for the poor ride of Radtke. Buckthorn was heavily placed for place and got it. Good Ship took the second race and the sixth went to John H. Sheehan with ReyDel Mundo a good second.

CRYING FOR HELP.

Lots of It in Salt Lake City, But Daily Growing Less.

The kidneys cry for help.

Not an organ in the whole body so delicately constructed.

Not one so important to health.

The kidneys are the filters of the blood.

When they fail the blood becomes foul and poisonous.

There can be no health where there is poisoned blood.

Backache is one of the first indications of kidney trouble.

It is the kidneys' cry for help. Heed it.

Doan's Kidney Pills are what is wanted.

Are just what overworked kidneys need.

They strengthen and invigorate the kidneys; help them to do their work; never fail to cure any case of kidney disease.

David John, vice president of the Brigham Young university, and living at 287 south Academy street, Provo, Utah, says: "Doan's Kidney Pills are the best remedy I ever used to keep me free from pains caused by my kidneys. I have used this preparation for years whenever I have felt that my kidneys were out of order and I have never failed to get the desired relief. I can certainly recommend Doan's Kidney Pills in the highest terms and do so hoping my endorsement may be the means of benefiting some other kidney sufferer."

Plenty more proof like this from Salt Lake City people. Call at the F. J. Hill Drug company and ask what their customers report.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

"MASTER OF HAWTHORNE."

Edward Corrigan Takes Invalid Wife To Cottage on Track.

Chicago, June 3.—In a little cottage inside the great circle of a deserted race track, whose course is now overgrown with weeds and grass, Edward Corrigan, former "master of Hawthorne," will care for an invalid wife this summer.

From an invalid's bed in a Lexington (Ky.) hospital Mrs. Corrigan has turned her eyes to the "cottage" at the Hawthorne track where she and her husband spent many a happy day.

In a letter to Tom Carey, present owner of Hawthorne, Corrigan yesterday told of the wish of his sick wife, saying he believed the visit would prolong her life. "While I do not care to return," writes Corrigan, "I do not wish to deprive Mrs. Corrigan of her oft-expressed wish, and I would like to bring her. We may stay only a few days, and at most but a few weeks."

The return mail carried a favorable answer to Corrigan's letter from Carey and an invitation to spend as much time as he wished at Hawthorne.

EASY FOR KETCHEL.

Schenectady, N. Y., June 2.—Tony Caponi of Chicago was knocked out by Stanley Ketchel in the fourth round of a scheduled 10-round bout before the American A. C., here tonight. The westerner put up a miserable exhibition and seemed utterly unable to ward off the blows of the champion who landed whenever and wherever he wanted.

Caponi was knocked down once in the second and four times in the fourth pound, on the last fall taking the count.

From the first Ketchel went after his man hammer and tongs. He was apparently in the best of condition.

TO LEGALIZE BOXING.

Madison, Wis., June 3.—The senate has concurred in the Drew bill legalizing boxing bouts of 10 rounds under certain restrictions. The opponents of the bill are preparing to carry the fight before Gov. Davidson in the hope of inducing him to veto the bill. The governor has six days in which to consider it.

ROLLER WINS ANOTHER.

Bloomington, Ill., June 3.—Dr. B. F. Roller of Seattle, last night defeated J. Challender of Chicago, known to the wrestling world as the "Mysterious Conductor."

Roller was given two falls, both by the toe hold, the first in 29 minutes and the second in 30. It was Challender's first defeat in many months.

MATCH FALLS THROUGH.

Pittsburg, Pa., June 3.—Plans to have James J. Jeffries meet an "unknown" here have fallen through, as it has developed that the proposed "unknown" was to be Sam Berger, his sparring partner. One ingenious promoter suggested getting the men together and charging high admissions. The idea aroused much excitement when first announced as Jeffries consented, believing that it was to be merely a sparring exhibition, such as he had been giving on the stage. When the plan was exposed, all negotiations were dropped.

DENVER TEAM LEADS.

Seattle, Wash., June 3.—The Denver five-men team carried off first honors in last night's contest at the tournament of the Western Bowling congress held at the Madison park pavilion. The Denver team won with a total of 2,723 pins for the three games. The other teams finished as follows:

Spokane, 2,705; Vancouver, 2,664; Seattle (Websters), 2,640; Salt Lake City, 2,524; San Francisco, 2,441; Seattle (Basil's Stars), 2,168.

DECLARE TEAMS ARE PROFESSIONALS

New York, June 3.—Maj. J. J. Dixon, chairman of the National Registration committee of the Amateur Athletic union, today received a telegram from Albert Martin, chairman of the registration committee of the Rocky Mountain association, stating that his committee had declared professional the University of Colorado track team and the Leland Stanford university track team. The telegram states that the University of Colorado withdrew from the Rocky Mountain association and scheduled and held a meeting on the date set for the Rocky Mountain association championships, in defiance of the A. A. U. and without sanction or registration.

The suspension of these two large college track teams probably will stir up a controversy in the west, as the Leland Stanford team expects to compete in the conference meet at Chicago on June 5. Later in the season the A. A. U. championships will take place at the Alaska-Yukon-Pacific exposition, and the Stanford university and the University of Colorado teams will be barred from competing.

CLAUDE ROSSMAN, EX-TIGER, CLAIMED BY ST. LOUIS TEAM.

Claude Rossman, who has been playing first sack for the Detroit Tigers for the last two years, is now a member of the St. Louis Americans. The Detroit club recently asked waivers on the first baseman, and the St. Louis management put in a claim for him. It is said Rossman has not been on the best of terms with Jennigs since the world championship series of 1907, when he got in bad with the manager of the Tigers by giving out an interview in which he said that a first baseman did note need a head. Rossman contended that all he needed was "ability to catch thrown balls and stand at the plate and wallop out clouts that send runs over the plate." Rossman's throwing in recent games has been very poor.

GREAT BROOKLYN HANDICAP TODAY

Of Nineteen Horses But Six Were Named Overnight—Looks Like Small Field

New York, June 3.—From an eligible list of 19 horses, but six have been named over-night to start in the twenty-third renewal of the Brooklyn handicap, which will be run today at Gravesend, and should there be no added starters, when the bugle calls out the thoroughbreds for the parade to the post it will be the smallest field that ever faced the barrier in this classic event.

Top weight for the mile and a quarter journey has been assigned to James R. Keene's Commando colt Celt, which has yet to take the dust from any horse save his own unbeaten stablemate and brother-in-blood Colin, though the handicapper has been partial to him only by one pound, for Celt will be asked to pick up 127 pounds as against 126 allotted Sam Hildreth's well-tried Plaudit colt, King James. Frank Gill, Restigouche, High Private and Berkeley are the other entrants.

CELT A FAVORITE.

By reason of the fact that last year Celt romped home a winner of the Brooklyn in the record time for the race of 2:01 1-5, and in so doing defeated a manifestly better lot of horses than will compete with him today, he will in all probability be established a prime favorite in the betting though there will not be those lacking who will pin their faith to the other entrants and especially to the Hildreth horses, King James and Restigouche, the first named of which has earned the plaudits of the multitudes and rich stakes for his owner from the Atlantic to the Pacific, and across the border in Canada. It is not improbable that Hildreth will also start the grand old campaigner Montgomery, which made a show of the field in the second race at Belmont park yesterday. Montgomery will be asked to cary 112 pounds.

It is stated that although the authorities will have an ample force of uniformed and plain-clothes policemen at the track today there will be no effort made by the police to stop oral betting and that only those persons who record bets are likely to meet with opposition.

VALUE OF STAKE $5,000.

The Brooklyn handicap is the fourth race on the card and the horse will go to the post about 4 o'clock. The value of the stake is but $5,000—$20,000 less than it was last year. The indications this morning point to fair weather and a fast track.

The entries, weights and the probable jockeys follow:

Horse.	Weight.	Jockey.
Celt	127	Butwell
X-King James	126	G. Burns
X-Restigouche	114	Dugan
Frank Gill	116	Scoville
High Private	102	Butler
Berkeley	102	Greevy
X-Coupled as Hildreth entry.		

STANFORD-COLORADO ATHLETIC TROUBLES

Both Universities Will Fight Ruling—Dr. Herman, President Central A. A. U. Says Sanction Not Necessary.

Chicago, June 3.—Dr. George K. Herman, president of the Central A. A. U., who is to referee the intercollegiate conference track and field meet in this city on next Saturday, stated today there would be no trouble between the central body and the conference association concerning the suspension of Leland Stanford university by the Rocky Mountain A. A. U.

"According to the dispatches shown me today," said Dr. Herman, "the only reason for the suspension of the Stanford and Colorado teams is that they competed in a dual meet without sanction from the Rocky Mountain A. A. U. As a matter of fact, such sanction is not necessary for a dual meet."

COLORADO WILL FIGHT.

Denver, June 3.—Colorado colleges under the leadership of Colorado university and aided by Stanford university, will fight the ruling of Chairman Bert Martin of the Rocky Mountain division of the A. A. U., declaring Stanford and the University of Colorado track teams professionals and ineligible to compete at Chicago next Saturday. What promises to be a long drawn out battle was started this morning when the decision of Mr. Martin was received. Colorado university takes the stand that the A. A. U. holds no jurisdiction over its athletes in college meets so long as these affairs are not scheduled A. A. U. affairs. However, it is accepted that the university athletes cannot compete at Chicago but an appeal will be taken and a heated battle is promised to obtain the amateur rights of the college men of Colorado as well as Stanford university. Hope is expressed that a compromise may be effected whereby the Stanford athletes may compete at Chicago.

DEAFNESS CANNOT BE CURED.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
