FOR THE RELIEF
OF SAN FRANCISCO

Corporations and Citizens Con-
tribute Liberally Both Money
And Provisions.

EVERY TRAIN CARRIES FOOD.

Tabernacle Choir Will Give Concert to
Relief Fund—Special Re-
lief Committee.

Ogden, April 21.—The Ogden city council at a special meeting held yesterday afternoon at 3 o'clock passed a resolution unanimously subscribing to the San Francisco relief fund \$2,000. A committee was appointed by the council to see that provisions, clothing and other necessities are purchased with the money and forwarded to the sufferers without delay.

WORK OF SCHOOL CHILDREN.

The work of the school children was most praiseworthy. During the day they had collected one carload of eatables and clothing, which was packed and sent to San Francisco on a special train that had been secured by a committee named Wilson from the east. That car arrived in California by noon today. Later in the day a car containing \$50,000 worth in general merchandise was donated by John H. Keweenaw & Sons company, which was also forwarded to the coast on the limited train. David Eccles and the Ogden Milling & Elevator company contributed a carload of flour which was also sent out yesterday afternoon.

\$1,000 FROM BANKS.

A total of \$1,000 was donated by the Ogden banks, as follows:

First National bank, \$300; Pingree National, \$200; Commercial National, \$200; Utah National, \$200; and Ogden State, \$200. The banks selected H. T. Dyer to purchase necessities with the cash, which will be loaded into a car and shipped today. E. J. Keweenaw & Co. contributed a carload of groceries. The amalgamated sugar company, \$500; Ogden Waterworks company, \$100; Rapid Transit, \$50.

MASS MEETING.

The mass meeting called for last evening was fairly well attended. Mayor E. M. Frisby called the meeting to order and explained briefly the devastation and hunger in San Francisco, and called upon all present to generously contribute of money or its equivalent for the suffering humanity.

Judge J. A. Howell said that the American people had been looking upon a sufferer people, but their benevolence in the past few days had demonstrated clearly to the world that when severely required it, they were the most charitable in the world. Father Morrison, T. D. Johnson, Judge H. H. Bishop, Rev. Carver and Rev. Blair all made short pleas for the people to come forward and freely give of their abundance.

FLYER BAGGAGE IMPRESSED.

The mayor stated that the baggage company had generously consented to furnish the relief committee with one-half baggage car space every day on the Flyer in which to send provisions, as long as they may desire, and the committee desires for many days to be able to send this amount and a great deal more.

TABERNACLE CHOIR CONCERT.

The Ogden Tabernacle choir has generously consented to give a concert next Thursday evening at the Ogden Tabernacle for the relief fund. Some of the best artists in the state will contribute to the evening's entertainment. A committee of ladies has been appointed to look after the selling of tickets, and the people will be expected to buy as many tickets as possible, that the choir can raise a substantial fund.

A MERCHANT

PHILANTHROPIST

The largest merchandise store in all the Willamette Valley is that of James Craig, in Silverton, Oregon. And Mr. Craig is not only a big merchant, he is a philanthropist as well. He takes a genuine interest in the welfare of his neighbors, as this letter will show: Office of James Craig, General Merchandise.

Silverton, Or., Oct. 15, 1905.

MR. J. FULTON CO.—Gentlemen: I would like you to send me a bunch of your pamphlets. I can send lots of customers to your local druggist, as I am a strong believer in your cure for Bright's Diseases, due to the following: The local physicians gave a young lady up as incurable. Her father brought a pamphlet of yours to me for my advice. I found I knew two of those whose names were given, viz.: Dr. S. Sub-Treasurer Spaulding and Dr. Zeile. I wrote Spaulding. His reply was so satisfactory that the young lady's father ordered six bottles. Before she had finished two she was out driving and to-day is teaching school in Arizona, healthy and well. I have done lots of talking for you this past few years, and a good many of my customers who have been afflicted are well. The reason that I am writing this is that another one wants to start taking the compound, and wants to read up on your literature.

Yours truly,

JAMES CRAIG.

Did you ever hear of anything else in all the world that was so effective that business men would go among their neighbors and urge them to take it? We solemnly declare to you that Bright's Disease and Diabetes are now cured in about 87% of all cases by the "Fulton's Compound." Send for free booklet to J. F. Fulton, Co., 409 Washington St., San Francisco, or to F. T. Hill Drug Co., Local Agents, Salt Lake.

MOVEMENT FOR RELIEF

Of Earthquake Sufferers—Council Appropriates \$750.

Special Correspondence.

Provo, April 21.—The city council met last evening, in special session, and called on Mayor Frisby to consider the matter of making an appropriation for the relief of the sufferers from the San Francisco disaster. The sum of \$750 was appropriated.

MURRAY DEPARTMENT

The "News" is delivered in Murray every night. E. A. Larkin, Manager. Orders and advertisements received. Office at D. B. Jones' Block.

The following business was transacted at the last session of the city council.

The committee on streets recommended that the Rocky Mountain Bell Telephone company be instructed to remove its poles to the 10-foot curb on Vine street. The committee also recommended that the sidewalks on Vine and Seventeenth south streets be 10 feet instead of 8 feet wide, as recommended at the last meeting, as the latter would leave but a short space for pedestrians, and with the poles on the curb there would be ample street space; hence a wider sidewalk was recommended, which was adopted.

The street committee also recommended that the surveyor be instructed to continue his work along Vine street on the north side at the pole extension east as the Telephone company and also the Progress company will require a line or a survey when removing their poles. The same was adopted.

Judge Wm. B. Erickson presented a petition asking the council to appropriate \$100 to defray the expenses of keeping delinquent children at the Morris Home in Salt Lake City, where it costs \$1 per week. Parents who are unable to pay the costs for delinquency, but the arch parents who are unable to meet this obligation, and for them it is asked, the appropriation to save their children from being committed to the State Industrial school. The amount was granted.

In answer to a claim of Mr. Gustaf Elison because of the establishment of a street grade which has rendered access to his premises difficult, the attorney contended that the city is not responsible for the Morris Home for the injured. Mr. Elison was instructed to purchase new beds and bedding for the city jail.

The clerk was instructed to write the architect and ask them to draw up plans and specifications according to plans drawn by committee on improvements for the proposed city jail.

The council decided to leave the grade on Seventeenth South and State streets as it is at the present time.

The office of a city engineer was created. The sprinkling of the streets was left as last summer with exception of the portion south to the city limits, which was referred to the street sprinkling committee.

The clerk was instructed to write the Progress company and Rocky Mountain Bell Telephone company to remove their poles to the 10-foot curb on Vine and Seventeenth south streets.

Many Logan People in Stricken City—Commercial Club Proffers Aid.

Special Correspondence.

Logan, Cache Co., April 20.—At a special meeting of the Commercial club held yesterday, President Ballard was instructed to wire the mayor of San Francisco, extending the sympathy of the citizens and making a proffer of any aid that Logan can furnish to alleviate the conditions of those made homeless by the great calamity.

LOGANITES IN SAN FRANCISCO.

The greatest anxiety is felt here for the safety of the Logan people now in San Francisco. Every effort possible has been made to reach them by wire, but so far without success. Mrs. Hannah Thatcher of this city has 14 members of her family in the stricken city.

Mr. W. H. Apperly has a wife and daughter there, and when last heard from they were residing in that part of the city which suffered most from the earthquake. Among the Logan people known to be in the city at the time of the disaster were the following: C. D. W. Palmer, wife and two children, Hattie Thatcher, H. C. Hansen, wife and one child; Joseph W. Thatcher, wife and two children; Hattie and Wilbur Thatcher; Andrew Elison, Jr., and wife, Mrs. E. J. In two days ago, but was disregarded. This morning just before entering, the men decided that the company had had sufficient time to decide what it intended to do, and if no raise was forthcoming the works would be closed until other arrangements are made or substitutes supplied. The strikers were informed that it would be an easy matter to get all needed help, but they doubted it. They are determined to have the raise or prohibit future operations. The Greeks handed in a petition of a similar nature, which was granted, and the citizens feel they are entitled to as much recognition as the foreigners and they have the sympathy of the people.
