WINNIPEG, 2.—In an interview tonight Premier Norquay explains that
the Indian tribes are being led into rebellion by the halfbreeds, through
Reil's iefluence, but as they are all
short of supplies, they will soon yield
to the milliary force now being concentrated in the field. Although valuable lives have been sacrificed, and
other such sacrifices are sure to folother such sacrifices are sure to follow, the trouble will soon be suppressed. "I am assured," he said, "that Reil has not more than 500 halfbreeds under arms, who can easily be overpowered. Just now the Indians are raiding ranches, and as long as the A DANIS & Co.,

New York, 2.—The following is the official answer to the critiscisms that have appeared in different papers in regard to the lease of the Central Pacific company:

The new lease of the Central Pacific road does not in any way interfere with its relation to the United States will impel the latter to take up arms to defend their property, and the Indian Instrumentality invoked will be the undoing of the halfbreads. government, or jeopardize in the least will be the undoing of the halfbreeds. the payments into the sinking fund That was a fatal mistake of the half-

breeds, No, I don't think the trouble will last long.' NEW YORK, 2.—Cable advices from Aspinwall, received by Postmaster Pearson, report a serious loss of mail matter in the destruction of the city by fire on the 31st ult. The entire mail for the South Pacific, dispatched from New York on the 21st ult. by the steamer Colon, was destroyed, and also the registered mail and ordinary tions imposed by the Thurman act, and in addition a minimum of \$1,903,000 (increased to \$3,600,000, if earned) is to be paid as rental over and above other broke out. As accurately as can now

SHOSHONE, Idaho, 2.—Suit was begun yesterday in the District Court of Alturas County to enjoin the threat-ened issue of bonds for \$80,000 for the purpose of erecting a capitol building at Boise. An injunction was granted by Judge Broderick, with an order to the defendant, the treasurer of Idaho. to show cause on the 21st lost. The suit is brought by a committee representing the taxpayers from nearly all portions of the Territory.

FOREIGE. THE PRENCH NAVY CAPTURES MAKUNG.

THE SITUATION IN TONGUES, ETC.

PARIS, 2.—The following telegram was received from admiral Bourbet: The French men-of-war Bayard Triomphante, Destaing, Ducheffant, Vipere and Annamite under Admiral Lange, attacked Pheng Hoo at 7 o'clock Sunday morning, bombarding the forts defending the harbors of Pong Hou and Makung. The forts and guns were dismantied by 10 o'clock, when two powder magazines exploded, setting fire to the village of Makung, which burned for twenty hours. The feetiwas not injured. A boat from the Triomphante destroyed the chain across the entraces of the setting from home.

Will devote their lives to make them happy. There are not enough of that kind of men to go around, and it is likely that they will all have to work for a living, or at least help build up a home. Sending the children away from home where they have been loved and petted to do housework in a mush-room family and receive snubs and insults, is like consigning them to eternal punishment, besides the loving and trusting character of their children, which is so charming in the home circle, becomes, away from home infunction to the chain across the enteraction of the chain and the second of the chain and the secon French Victory. when two powder magazines exploded, setting fire to the village of Makuag, which burned for twenty hours. The fleetiwas not injured. A boat from the Triomphante destroyed the chain across the entrance to the port of Makung. Marines landed and marched to Makung Monday, and occupied the village Tuesday, after several battles, in which only five Frenchmen were killed. The Chinese garrison, numbering 15,000 men, suffered heavily.

The Peace Proposals.

Paris, 2.-Le Paris reasserts that China has accepted the peace propos-als, and declares that Mr. Campbell conducted the negotiations on behalf of Sir Robert Hart, Inspector-General of the Chinese maritime customs, who was authorized by the Chinese government to carry on negotiations with picking of the leaves. An acre of France. The paper says: China decided to accept the treaty of Tien Tsin, together with a treaty of commerce, provided that one month's armistice be granted, and that the war indemnity demanded by France be abandoned. M Ferry considered the terms acceptable, with a few modifications. The French a disease attacked the eggs in Europe defeat at Langson occurred beforehand, and eggs had to be shipped from Japan. yet Mr. Campbell on Tuesday evening imparted to M. Ferry the Chinese reply, which was favorable. China only re-serving certain details in regard to the date and the manner of evacuation of Tonquin by the Chinese troops.

Persistent rumors were current in the lobbies of the Chambers to-day that Ferry had asked President Grevy to be allowed to sign the preliminaries of peace between France and China. President Grevy insists that the matter be left to the new Cabinent. The basis of the new treaty between France and China are that the Chinese shall evacu-ate Tonquin, the French shall occupy by their conversation. His general improvement continues. His pulse is supplying Gatting guns and such amount of fair volume. He is not suffering any pain.

When Gen. Grant made his request When Gen. Grant made his request "We must humor a sick man, General," yard to-day at three hours' notice for at which the General smiled. At 9 p.m.

New York to saif thence to-morrow for the Listman of Panama.

Président Grevy Insists that the matter be left to the new Cabinent. advantages to France. Bepletion of Passenger Fleets. LONDON, 2.—The steamer America, of the National Line, has been ordered by the government to be gotten in readiness for naval transport service at sea within a fortnight. The America is to be armed with tenguns. The Atlantic steamship companies, it is re-ported, are considering the question of the advisability of raising passenger fares and freight rates. If the con-templated advance be decided upon, the reason given will be the depletion of the Atlantic fleets by the govern-

ment's demand for transports. Concession to England. Earl Dufferin obtained from the Ameer a formal treaty recognizing the right of England to lay out and fortify the Northwestern frontier of Afghanis

Death of a Princes s.

VIENNA, 2.—The Princess Montleer died to-day under suspicious circumstances. Servants of the Princess say she quarreled with a man servant and discharged a revolver at him; that the man was not hurt, but fell, pretending that he was dead, and the Princess terrified at what she had done, sho herself. Examination showed a bullet in the lady's brain and there were also found abrasions and cuts on the neck, which led to the suspicion of murder. The servants were arrested.

BRIEF TELEGRAMS. The approximate gross earnings of the Denver and Rio Grande Ra. Iway for March were \$511,913, a gain of 28 per

cent over 1884. The death is announced at Paris of Louis Adolphe le Doulcet, Compte De Pontecauant, the author of a number of works on music and musical instru-

The French government is much em-barrassed with transport difficulties, and has been in treaty with a German steamship company, which offers to provide transports for 30,000 men to 'onquin at a fortnight's notice. Two agents of the Chinese Six Com-

panies of San Francisco are in the City of Mexico, with the view of securing government permission for the Mexican Navigation Company to import 20,-000 Chinese laborers into Mexico. The New York East Methodist Conference opened yesterday. In New York the American Copyright League will issue to-day an ad-dress to the public explaining the injustice done native and foreign authors by want of an international

In San Francisco, Miss Lillian Smith, a California girl aged 14 years, broke 100 glass balls to-night with a Winhester rifle in 2 minutes and 35 secends. This beats all previous records, Carver's best being 2:36. The Italia, of Rome, in an article on The Italia, of Rome, in an article on the monetary conference, says: Depretls, Prime Minister, and Magliani, Minister of Foreign Affairs, decided to favor bi-metallism. The acceptance of this principle, it adds, depends upon neither France nor Italy, even though Belgium and Switzerland consent. The solution of the problem depends upon Germany, whose acceptance is hoped for under pressure from France and Italy.

copyright, and calling upon the people to ald in demanding favorable action on this subject by the 49th Congress.

In Philadelphia late this afternoon, Sullivan and McCaffrey entered the court house, accompanied by counsel. Judge Fell placed the pugilists under 5,000 each to answer at the next term of court the charge to set up and maintain a pugilistic contest, and an additional \$5,000 each to keep the peace. Some difficulty was had in obtaining bondsmen, and the pugilists remained in the court room nearly two hours before friends succeeded in finding persons to enter the necessary security.

Silk Culture for Girls.

Every sensible mother of limited

means, as she looks over her family of interresting, but to some extent help-less girls, has doubtless often thought "what she shall do with them." They all deserve, or will deserve, husbands rich, handsome, tender and true, who will devote their lives to make them

Triomphante destroyed the chain across the entrance to the port of Makung Marines landed and marched to Makung Monday, and occupied the village Tuesday, after several battles, in which only five Frenchmen were killed. The Chinese garrison, numbering 15,000 men, suffered heavily.

The France Chainese Was.

Paris, 2.—General de Lisle telegraphs as follows from Hanoi, under date of Wednesday: "General Negrier is making favorable progress toward recovity."

I description from home.

Under these circumstances, any remunerative industry that will afford employment in the family circle will be welcomed with joy. The raising of small fruits, such as strawberries, raspberries and blackberries, is pleasant and profitable work, but it cannot the interstices of other labor with a pleasant and profitable employment. We say pleasant employment, for those who have attended silkworms through

which was made without serious loss.
The Freuch brigade has 20 days' ammunition and provisions, and is able to await convoys. No further reason is given in regard to the very rapid evacuation of Dong Dong. The Chinese so far only appear desirous of occapying their former positions to the northward of Deoquen and Deovans. The
