DEATH TO HAIR ROOT AND BRANCH New Discovery By The Misses Bell A Trial Treatment FREE To Any One Afflicted With Hair on Face, Neck or Arms

We have at last male the discovery which has buffed chemist and all others for conturies—that of also interva-ing superflous hair, root and branch, entirely and permanently, and that too without impairing in any way the finest or most sensitive skin. It is carried possible to overstate the importance of this discovery, or the great good and satis-faction it will be to those affinited with one of the most disfauring and agravat-ing bieneishes—that of superfluous hair on the face of women, whether it be at mas-inche or growth on the back, checks or arms.

tache or growth on the neck, checks or arns. The Misses Beil have thoroughly tested its efficacy and are destrous that the full merits of their treatment to which they have given the descriptive mime of "KILL-ALL-HAIR" shall be known to all stilloted. To this end a trial will be sont free of charges, to any indy who will write for it. Without a cent of cost you cau see for yourselves what the discovery is: the cristicace of your own senses will then coavince you that the treatment "KILL-ALL-HAIR", will rid you of one of the greatest drawbacks to perfect lovelines, the growth of superfluctus hair on the face or neck of women. Presse understand that a personal demon-stration of our treatment costa you

stration of our treatment costs you nothing. A trial will be sait you free, which you can use yourself and prove our chains by sending two stamps for tmailing.
