FRANK GOTCH IS STILL CHAMPION

Has But Little Trouble in Defeating Raoul De Rouen.

IN TWO STRAIGHT FALLS.

Famous Toe Hold Proves Undoing of Big French Bone Twister—10,000 See Contest.

Kansas City, Mo., March 25.—Frank Gotch of Iowa, champion wrestler of the world, tonight retained his title by defeating Raoul de Rouen in straight falls.

The winning fall was won with Gotch's famous toe hold. The Frenchman allowed his shoulders to be put to the mat almost without an effort. De Rouen was repeatedly cheered for his gameness. With the exception of a few minutes when the men were on their feet, Gotch was always the aggressor. The champion was never in serious trouble. He really won the bout in the first fall when he so weakened his opponent with the toe hold that De Rouen did not care to repeat the experience in the second fall. The time of the falls was 34:45 and 13 minutes flat, respectively.

W. D. Scoville, manager of the Missouri Athletic club, which put up the purse of $8,000 for the match, estimated the attendance at more than 10,000. Of this number 2,500 were from out of town points. The winner's end of the purse was $5,000.

Both contestants were in excellent condition. Gotch, who weighs 212 pounds, was a 10 to 9 favorite, though De Rouen was 40 pounds heavier.

As they entered the arena the Frenchman appeared nervous. The gong sounded at 9:20. De Rouen was the aggressor, while Gotch seemed to take it easy. They went to the mat 9:37, Gotch throwing De Rouen with a leg hold.

From the moment they struck the floor Gotch kept the crowd on its feet. Gotch tried for the toe hold. De Rouen several times tried to strike Gotch in the face with his elbow. In the struggle both men got on their feet. Gotch in a few minutes again secured a leg hold on his opponent and brought him to the mat. Gotch secured a toe hold on the Frenchman, whose face showed extreme agony. He struck Gotch freshly with his elbow, but soon lay still with his chest heaving. He slowly rolled over, but finally broke the hold by bridging and rolling clear over.

FAMOUS TOE HOLD.

Gotch then secured a bar lock and only a supreme effort saved the Frenchman, who made no effort to take the offensive. Referee Heenous brought the men to the center of the ring. After a few minutes' sparring, Gotch secured a hammer lock. De Rouen bridged again and broke it. The Frenchman regained his feet and Gotch pushed him backward over the ropes.

In the ring again Gotch for the third time threw De Rouen with a leg hold, and in a moment secured a full Nelson and put his shoulder to the mat in 34:45.

When the men re-entered the ring for the second time the Frenchman advanced as at first, but with extreme caution. After eight minutes' sparring Gotch repeated his former feat of catching De Rouen's leg and they went to the mat. Gotch uppermost.

Twice the men rolled through the ropes and were brought back. Finally Gotch felt the toe of his opponent, cautiously smiled and gave a quick twist and De Rouen's face became distorted with pain.

Weak Heart Action

There are certain nerves that control the action of the heart. When they become weak, the heart action is impaired. Short breath, pain around heart, choking sensation, palpitation, fluttering, feeble or rapid pulse, and other distressing symptoms follow. Dr. Miles Heart Cure is a medicine especially adapted to the needs of these nerves and the muscular structure of the heart itself. It is a strengthening tonic that brings speedy relief. Try it.

"For years I suffered with what I thought was stomach trouble, when the doctors told me I had heart trouble. I had tried many remedies, when the Dr. Miles' almanac came into my hands, and I concluded to try Dr. Miles' Heart Cure. I have taken three bottles, and now I am not suffering at all. I am cured and this medicine did it. I write this in the hope that it will attract the attention of others who suffer as I did."

Your druggist sells Dr. Miles' Heart Cure, and we authorize him to return price of first bottle (only) if it fails to benefit you.

Miles Medical Co., Elkhart, Ind

A moment later Gotch was proclaimed the victor.

There were two preliminaries of two falls each. Tommy Mowatt of Chicago and "Dago Kid" of Kansas City each won a fall, the last one going to Mowatt. Baker of Table Rock, Neb., won two falls from Nick Snider of Kansas City.

NO FEAR FOR BOISE.

Manager E. C. Farnsworth of the Salt Lake baseball team in the Intermountain league has no fears as to Boise. There has been some talk of Boise not being in the league but Farnsworth states he has received word from J. S. Barnes to the effect that the Idaho town will be in line and that everything is O. K.

ANNUAL TRACK MEET FOR L. D. S. U. BOYS

There is a meeting today of the athletic committee of the L. D. S. U. at which the proposition of organizing track teams among the various classes is being discussed thoroughly. It has been decided that the classes will hold an annual track meet and the one this year will take place at Wandamere during the latter part of next month. Every effort will be made to make the meet a success in every particular.

WRESTLING TOURNAMENT.

Interesting Events Scheduled to Take Place at Y. M. C. A.

There is a great deal of interest centered in the state amateur wrestling tournament scheduled to take place tomorrow evening at the Y. M. C. A. gym. The bouts will be in the five regular weights, 125 pound, 135, 145, 158 and the heavyweight class. Winners of first and second place will be given gold and silver medals and with victory goes the state championship in each class.

The contests will begin at 8 o'clock and most of the best amateurs hereabouts will be seen on the mat. They are all in splendid condition, and it is predicted that some of the fastest and cleverest bouts ever seen here will take place.

CHALLENGE FROM LOGAN.

"Banty" Green, Crack Skater May be Matched Against Schatz.

Logan roller skating fans have discovered a phenom in the person of "Banty" Green, who has developed remarkable speed on the little wheels. Last night he entered a match race against Charles Scofield, who won the state championship this year, and then lost to Willie Schatz. The distance last night was one mile and a quarter and Green won by nearly half a lap. The management there is trying to arrange with Manager O'Mara of the Auditorium for a match with Schatz and no doubt one will be started up, for Green has expressed his intention of entering the six-day race, which starts at the local rink on April 5. Manager O'Mara has sent out the contracts.

GOLF TOURNAMENT.

Pinehurst, N. C., March 25.—One round was played in the seventh annual United North and South championship golf tournament for women today, and close matches ruled throughout. Among the survivors is Miss Julia R. Mix of Englewood, who won 2 up and 1 to play from Mrs. George H. Converse of Braeburn.

STANLEY KETCHEL AND JACK O'BRIEN TONIGHT

New York, March 25.—"Philadelphia Jack" O'Brien will come back into the ring tonight when he meets Stanley Ketchel, middleweight champion of the world in a 10-round bout at the National A. C. It will be Ketchel's first appearance in New York city. O'Brien is eager to redeem himself after being under a cloud for some time, and he hopes to gain public confidence by coming off victor this time. The fight will be one of the most interesting of the season.

WORK FOR UMPIRES.

Manager Murray of Phillies Wants Them to Train.

Southern Pines, N. C., March 25.—Manager Murray of the Phillies has a new scheme for baseball. It is one which is bound to create a whole lot of talk and should result in better umpiring in the major leagues. Murray's scheme is to have the umpires of the National league send south in the spring to train the same as the baseball players.

Such an idea, I am sure, was never broached before, and if adopted it would mark a decided innovation in the national pastime.

Just before the game here yesterday Manager Murray was asked who was going to umpire the game between the Regulars and the Yanigans. His reply was rather startling.

"Do you know," Mr. Murray said, "there should be a decided change in the umpiring of these practice games in the south. The league should assign umpires for the spring training trips. These umpires should be compelled to come south and train the same as the players.

"They should take long walks and runs, and they should umpire the games. They should get their eyes in shape the same as the batsmen. They should start in with the pitchers and get accustomed to straight balls and then to curve balls. Such a plan would result in far better umpires umpiring in the championship games. An umpire could be assigned to each team, and the expenses for this trip could be paid either by the club or by the league. I am going to try and have a rule to this effect passed by the National league next winter."

JONES DECLINES OFFER MADE BY COMISKEY

Portland, Or., March 25.—"Comiskey has nothing to offer that will get me back in the baseball business."

"Not even if you write your own contract?"

"No. I am out of baseball for good. That's final."

This dialogue between President Chas. A. Comiskey of the Chicago American League Baseball club, and Fielder A. Jones today makes it certain that the former manager of the White Sox will not go back to Chicago.

All that was said during the interview was not revealed, but it is known that Jones took the wind out of Comiskey's sails by giving a blank refusal before Comiskey had an opportunity to make an offer.

The men appeared to meet in perfect friendship, and while Comiskey was wringing his former manager's hand in farewell he seemed greatly affected.

There seems to be more of a misunderstanding between Jones and "Old Roman" Comiskey than the public has generally supposed, although it was freely commented upon that Jones came west through Chicago without calling upon the White Sox magnate.

The two men speak kindly and interestedly of one another, yet each has the glitter of war in his eye.

Magnate Comiskey arrived in Portland this morning and announced that he was to have a conference with Jones at 10:30. Jones did not show up at that time, and at 10:45 Comiskey and party left for a drive through the scenic parts of Portland, leaving word that they would be back at the hotel at 12 o'clock.

Jones sauntered into the hotel at 11 o'clock. When given Comiskey's message he wrote his office address on a card and left it for Comiskey, at the same time saying if the Chicago magnate wanted to see him he would find him there.

The men met in private. It is understood that Jones asked a chance to buy a half interest in the team for $250,000.

Comiskey and his party left Portland this afternoon for Vancouver, B. C., en route east.

STATE BASEBALL LEAGUE ORGANIZED IN IDAHO

Boise, Ida., March 25.—A south Idaho semi-professional baseball league was organized at a meeting of representatives held at Nampa this week. It will be a six-team affair, with clubs from Boise, Nampa, Caldwell, Weiser and Emmett. The officers of the league have been decided on, but their names will not be announced until it is definitely known whether or not they will accept.

E. M. Rogers, who managed the Bell Telephone team in the Twilight league last year, and an enthusiastic baseball man of Boise, has been one of the moving spirits in the league, and will manage the Boise team. The league will play Sunday baseball only, the schedule lasting for about 15 weeks. Rogers of Boise stated over the telephone that he had the Riverside parks secured for his games.

Rogers' intentions are to play mostly if not all local players. It is probable that his team will consist largely of the men who made up the Shamrock band last season, as it is known that some of those players have been deeply interested in the organization of the league. Other towns along the Short Line have been agitating the formation of such a league, and will probably have good local teams in the field.

BAD FOR CORBETT.

New York, March 25.—Young Corbett and Bert Keyes met here tonight in a fast 10-round bout. Corbett won a draw only by excellent work in the last four rounds. For six rounds he was beaten and only the bell saved him at the end of the sixth round. When the seventh round began he had rallied, however, and took the aggressive, holding the advantage over Keyes for the remainder of the fight.

NO SPRING PRACTISE.

Ann Arbor, Mich., March 25.—Football Coach Yost has notified the players that there will be no spring football practise at the University of Michigan this year. It is understood to be Yost's belief that he may be able to select a better team in the fall if the men are left to concentrate their minds on their studies during the latter half of the college year so that in the fall there may be fewer football candidates struggle to remove "conditions" in their class work.

FIRST MARATHON.

Takes Place at Portland Tonight—18 Long Distance Starters.

Portland, Or., March 25.—Portland's Marathon race is scheduled to take place tonight, when 18 long distance runners will line up at the scratch to start at the signal of Mayor Harry Lane, who will act as starter of the big event. Among the entries are several high class runners who have performed creditably in long distance races in other places. A. J. Burn, one of the contestants at the London event, is an entry here. Another runner, who is looked upon as a Marathon contest, is Martini Sisto, the Italian entry, who is credited with having beaten Dorando Pietri in Italy several years ago.

DANIELS TO SWIM.

Chicago, March 26.—Daniels, the world's champion swimmer of the New York Athletic club, will defend his national title in the 100-yard A. A. U. event here tomorrow night. Several good men will be pitted against him.

MORE RECORDS GO.

Daytona, Fla., March 25.—The third day's tournament of the Daytona Beach races was confined almost exclusively to motorcycle and bicycle races, there being only two automobile races, the Daytona handicap, which was run twice, a distance of four miles each.

The principal feature was the breaking of the world's motorcycle record by Walter Goerke of Brooklyn, N. Y., who covered 60 miles in 58 minutes 24 2-5 seconds. Goerke also established a new world's record for the kilometer, covering the distance in 27 2-5 seconds.

Robert Stubbs of Birmingham, Ala., also lowered the world's one-mile record for motorcycle, made yesterday by Goerke, in the remarkable fast time of 41 2-5 seconds, against Goerke's time of 45 1-5 seconds.

It was announced tonight that the eighth annual Daytona Beach tournament would be held on this racing course the last week in January of 1910. A large sum of money will be deposited for prizes.

BEANEATERS WIN.

Memphis, Tenn., March 25.—The Boston Americans beat Memphis yesterday, pulling off probably the first triple play of the year when McConville caught a liner, relaying the ball to Wagner at second, who in turn relayed it to Stahl at first.

ON THE RACE TRACK.

At Los Angeles.

Los Angeles, Cal., March 25.—Gloria, the favorite, captured the Chino handicap, today's feature at Santa Anita, in a very close finish, getting the verdict over Footpad by a head. Abiba, a 100 to 1 shot, won the 2-year-old race from Placida and Mike Molett.

Jockey Rice was thrown from Solus in the first race, but suffered nothing more serious than a shaking up.

At Oakland.

Oakland, March 25.—Kiang, a 40 to 1 shot, was the surprise at Emeryville today, the Stover youngster winning the 2-year-old event in clever style. Glipy beat the barrier and set a merry pace, but quit in the last quarter. Duke of Ormonde, starting for the first time, was well fancied, but he ran greenly. El Picaro and Bellwether carried the colors of Thomas H. Williams to victory. Fine weather prevailed, but the track was muddy. Results:

First race, four furlongs, purse—Kiang, 109, Borel, 40 to 1, won; Glipy, 112, Walsh, 10 to 1, second; Sallan, 109, Ross, 8 to 1, third. Time—50 1-5. Twin Screw, Waldo, Matronus, Ashabel, Duke of Ormonde, Fusileer, George N. Randel, Bit of Fortune and Do Do finished as named.

ANXIOUS FOR SEYMOUR.

Houston, Tex., March 25.—That an effort will be made by Manager McAleer of the St. Louis American league team to secure the services of Cy Seymour, dismissed as a member of the New York National league team, was intimated today by McAleer. A dispatch to McAleer from Manager McGraw of the New York team stated that he was open for bids for Seymour, but whether waivers can be secured McAleer considers doubtful.

WEBSTER IS MANAGER.

Trinidad, Colo., March 25.—E. D. Webster, who has been captain and manager of the Trinidad baseball team for the last two seasons, has been signed in the same capacity for this season by the Trinidad Baseball association, and is now in Denver rustling players.

BAD FOR SCHATZ.

Butte, Mont., March 25.—Although Schatz of the Salt Lake team led by half a lap at the conclusion of tonight's racing in the six-day roller skating contest, he was set back by the judge for an alleged failure to lap his partner on a relay. This decision will start the Salt Lake and Butte teams on equal terms tomorrow night, the last of the race.

BIG BID FOR FIGHT.

Col. Andy Mulligan Offers Jeff and Johnson $75,000.

Tacoma, Wash., March 25.—Col. Andy Mulligan, the well known sporting man, has come to the front with an offer of a $75,000 purse for James Jeffries and Jack Johnson. Mulligan stipulates that the contest must take place in or near Tacoma on or before Oct. 15 next, and that it must be for 20 rounds. He has placed a forfeit of $5,000 with a local sporting writer, and as soon as Jeffries and Johnson consent to the match Mulligan will place $5,000 more. When the articles are signed he will put up the balance of the purse.

Jeffries and Johnson have been communicated with and an answer is awaited from the two big men.

ECZEMA CURED IN SIMPLE WAY

No More Dosing the Stomach—Cure The Skin Through the Skin.

When you have a scratch on your hand you wash it out and cleanse it and then the skin cures itself.

The best skin specialists today are agreed that the only way to cure the skin is through the skin. For statistics show that nearly all eczema sufferers are perfectly healthy in all other ways except as to their skin. And if the eczema patients were really suffering from an internal malady, the entire body and not only the skin would be diseased.

You can prove immediately the relief of a true skin cure by using oil of wintergreen as compounded in D. D. D. Prescription. This liquid kills the disease germs, while toning up the healthy part of the skin.

We have now handled this meritorious and thoroughly scientific remedy for so long and have seen its reliable results so many times that we freely express our confidence.
