Special Correspondence.

The Intermountain Consolidated Railway company has filed an application for a franchise to operate a street car line on the streets of Logan city. It asks for a 50-year franchise on any and all streets that it may select. As the customary \$5 fee did not accompany the request it will likely share the same fate that a similar request did before the county commissioners at their last session.

Arrangements are being made to unveil the monument erected at the cemetery in memory of Elder Henry Root, a pioneer of Logan, on Decoration day. Elder Root died while filling a mission in Belgium in 1900. The monument is erected by residents of the Logan Fifth ward. The dedication exercises will be conducted by Elder H. H. Roberts.

Dan Woodland returned this week from Japan, where he has been laboring in the mission field.

The spectacular extravaganza, "The Witch of the Woods," will be presented at the Thatcher Opera House Saturday and Monday evenings, June 2 and 3. A. C. of the Cache county.

John Squires, supervisor of the Logan forest reserve, has been authorized by the department to fit up an office for himself at government expense. He has been allowed \$100 to erect a cabin in the mountains.

Erling Bjornsen of Norway will lecture in this city June 6 on the "History of Norway."

Dan Roberts of Ogden has been in Logan for a few days attending his brother Robert, who underwent an operation at the hospital a few days ago. The city cemetery is being cleaned up preparatory to the Memorial day exercises.

A movement is on foot to have all business houses close at 5 p. m. during the summer months. This move will probably succeed, as most of the merchants have already agreed to it.

IT IS DANGEROUS TO NEGLECT A COLD.

How often do we hear it remarked: "It's only a cold" and a few days later learn that the man is on his back with pneumonia. That is of such common occurrence that it is not worth mentioning, should not be disregarded. Chamberlain's Cough Remedy counteracts any tendency of a cold to result in pneumonia, and has gained its great popularity and extensive sale by its prompt cures of this most common of ailments. It is pleasant and pleasant to take. For sale by all druggists.

MAST BROKE IN CHOPPY SEA.

Sloops Now Have Good Lead But Yawl Captains Figure They Can Outlast Opponents.

Special Correspondence.

New York, May 27.—It is probable that by tonight the yacht Lila, which was damaged Saturday, and Tamarine, which turned back following the accident to the Lila, will be off again on their race to Bermuda. The Lila will have a new mast ready this morning and it will be stepped and rigged as fast as possible in order that no more time than can be helped is lost and as soon as she is ready both yachts will get away. The mast of the Lila broke about 25 feet from the deck. It was a new mast, and the break was caused by a blow in the water. There was quite a sea outside and when the Lila began to jump in the week end of the mast was bent and snapped off. It was a fortunate thing that the accident happened when the yachts were so near home. If it had broken when they were well out to sea it might have been a long time before the yacht was picked up.
