A few of the more temperate first year, cropped the second, and acre. This obtains a patent for the land.

JERUSALEM FOR THE JEWS.

THE enthusiasm among the perse. cated Jews at Bucharest over the movement for their dolonization in Palestine is very suggestive. It shows how easily by the farce of circumstances the Hebrew mind may be turned in the direction of a literal fulfilment of the predictions of their ancient seers.

One of the prominent features of the work in which the Latter-day of the said laws of the United States ering as in their own. The mission of our Elders is first to the Gentiles and then to the Jews. They have to prepare a people for the coming of the Lord, and that preparation ex-tends to the Jews for the reception of the Messiah. The "times of the Gentiles" are nearly fulfill' 1. When "the ful-ness of the Gentiles" has come in, the Gospel will be takes from them, and the door of salvation will not

and the door of salvation will not only be opened for Judah, but the sons and daughters of that house will enter in with Joy and make ready for the advent of the great bridegroom, the royal son of David, the lion of the tribe of Judah. And this will be brought about through the ministrations of men holding the Holy Priesthood in this Church,

It is His power which will render the remnants of Judah willing and ready to perform their part in the drams of the great consummation. He that scattered Israel will also gather Israel. And the time is near First Ships when the sayings of Isalah will receive practical realization: "Speak ye comfortably to Jerusalem, and cry unto her that her warf re is shipped to Livernool. This is when the sayings of Isaiah will

"There is nothing like having a careful, far-seeing executive at the General Land Office for some time. Several arrests have already been made and three parties are now unlarly at a time when some 1 ew and der indictment in Dakota for print important measure is to be tried and success or failure is likely to hinge on the acts of local officials. ing and issuing the fraudulent cer-tificates.
