HERDING! HERDING!

THE undersigned take this method of announcing to the citizens of Great Salt Lake, Davis, and Weber Counties, that we are making extensive arrangements for herding **STOCK**, on the West side of **BEAR RIVER**, in Weber County, near the mouth of the Malad, where the range is unsurpassed by any in this Territory. We will take Stock to herd at the rate of a cent and a half per day each head, and pay all damages accruing to owners through our negligence; and for the benefit of those residing in this County and the Settlements north, we propose to receive stock at the Stray Pound in G. S. L. City, on the first Monday of every month, commencing the 6th of August; at Sessions' Settlement on Tuesdays, at East Weber on Wednesdays, and at Ogden City on Thursdays following, without any extra charge for driving to the herd ground. N.B. Sheep taken on shares, as may be agreed upon by the parties. 20-6m W. E. HORNER, E. K. HANKS.

HELLO EVERYBODY

THAT lives in Great Salt Lake, Davis, and Weber counties, now is your time to have your oxen, cows, and young stock taken good care of this winter. The undersigned takes this method of announcing to the citizens of Great Salt Lake county, and other counties joining on the north, that we have taken up an excellent herd ground in Weber county, 3 miles west of Brigham City, on the west side of Bear river, near the mouth of the Malad, running north as far as the emigration road, and west as far as the Salt Lake, and south as far as where Bear river empties into said lake; this herd ground cannot be beat in any part of the Territory of Utah, for the abundance of good grass and good advantages for water. We will take stock to herd at the enormous rate of one cent per day each head, and bind ourselves to pay all damages accruing to owners through our negligence. We will receive stock at the Union Hotel, on the first and fifteenth of every month; at Sessions' settlement and Farmington, in the main road, on the second and sixteenth; and at Ogden City on the third and seventeenth of every month; the said stock will be driven carefully to the herd ground without any further expense to the owners. N. B. No stock goes out of our possession in the spring until the herd bill is paid. 33-6t ELI H. PEIRCE & CO.

Juab Valley Herd Ground.

THE UNDERSIGNED beg leave to inform the citizens of Great Salt Lake, Utah and Juab counties that they have located on the "Twelve Mile Spring" in Juab valley for the purpose of farming and herding. Persons putting cattle into their herd may depend upon the greatest care being taken of them. Milch cows taken on shares; also calves and sheep on reasonable terms. The herd ground is the best in the Territory and a good Spanish wall corral will be erected, and hay cut to feed in case of severe storms in the winter. We will drive from Messrs. T. S. Williams & Co's yard joining the stray-pen on Monday, 29th Oct. next, and every two weeks thereafter. At each drive, cattle can be received whilst passing thro' Union, Lehi, American Fork, Pleasant Grove, Provo, Springville, Palmyra, Payson and Summit Creek.
