It is doubtful if any pugilist, wheth- er retired or now before the public, leads as free and independent a life as       That Dame Fortune plays peculiar pranks even with fighters is well dem- onstrated by the case of Battling Nel- son, who admits he got his real start in	march of the "socker" team in America, and gloated over its victories! But, fudge what team in America did the visitors meet? Who knows and who would watch a game without taking a heating appara- tus along with him to warm him up? But out of the chagrin over constant defeat at Rugby and out of the comola- tion of the victories at "socker" in these country, has been born a classic on the referee's whistle. It is easy to see that it blew for the defeat of the favorite. The sem follows:

And the state of the seasy to see their it blew for the defeat of the favorite. The seasy has been follows:
Probably the greatest Rugby football fare in the history of the game was encoded a pre-acted vesterday at Richmond, where the New Zealanders beat the Surrey Fifteen a pre-acted vesterday at Richmond, where the New Zealanders beat the Surrey Fifteen a pre-acted vesterday at Richmond, where the New Zealanders beat the Surrey Fifteen a pre-acted vesterday at Richmond, where the New Zealanders beat the Surrey Fifteen a pre-acted vesterday at Richmond, where the New Zealanders beat the Surrey Fifteen a pre-acted vesterday at Richmond, where the New Zealanders beat the Surrey Fifteen a pre-acted vester of lowering clouds, which threatened every minute to burst—which, in fact, did eventually drench the great majority of the spectators—over 19.00 people, many of them ladles, made the' way from various parts of the metropole to see the "All Blacks" that everylody is talking about. They expected to see some wonderful football, but they had reckoned without one factor—the roferee. This gentleman—a Londoner, and a member of the Rugby Union Committee—was erigentime in the stage, so to speak, he was in chatre of the tage, so to speak, he was in chatre of the whistle, and as he was in chatre of the whistle, is fancy to his heart's emerpine of the the stage, so to speak, he was chabled to the whistle, and as he was in chatre or the was went whistling their hardest and induce on that hypothesis, the referee must had his eyes closed on and off for the spect of the rules of Rugby is that you may not kick or handle the ball while the some one got the ball, and there was a choiled on the was very little actual football. A Scottish your: lady, whose first football match this was, and evidentify with literary recollections of the efficacy of the ploroch in clan was farst escent after one particularly dangerone "All Black" movement had been stopped at the referee's musical behave. Why aren't the New Zealauders allowed to have a man to whistle for them, too?"

The refere in various corners of the filled mass of legs and arms and black and red and white jerseys danced in rhythm to he referee in various corners of the field. But there was no football.
"When are they going to begin?" Inquired a "socker" enthusiast who had come many miles because a Rugby friend had assured him that he would see something in the way of football he would remember all his life. It was then closely approaching half-time.

THE WHISTLE BREAKS DOWN. THE WHISTLE BREAKS DOWN. Twenty-five minutes from the stari, however, the referee showed signs of fatigue, whereupon the "All Hacks' quickly seizing their opportunity and the ball, drossed the Surrey line and kicked a goal. Several explanations were advanced for the referee's extraordinary lapse, buil the two most generally accepted were that he had either dropeop his whistle or that the pase in it had stuck. Unabashed by harder than ever, and for the remainder of the first half football was again out of the question. — Tring the interval the referee was the musical friends on his magnificently sus-tained effort, though fears were ex-pressed that the severe excitons he had under occasions. Dixon, the New Zealand manager, is also dubious as to the correctness of many of the notes, and that he intends to take the earliest opportunity of interviewing the president of the English Musical Union on the matter. Everybody went away whistling-except the New Zealanders. "No wonder to rained," they said. At the end of these games there is usually a rush for the jorsey of the man who has scored, so that it may be kept as a trophy. Yesterday there was a who scramble for the referee's whistle. ----
