

LOCAL AND OTHER MATTERS.

CORRESPONDENTS writing for publication are requested to write on one side of the paper only. No notice can be taken of anonymous communications. Correspondents' names must in every instance accompany their communications, not necessarily for publication, but as a guarantee of reliability.

**THEATRICAL.**—"Richelieu" to-night with Mr. McCullough as the great Cardinal, Miss Adams as Julie, Mrs. Romney as Marion, Mr. McKenzie as de Mauprat, Mr. Lindsay as Baradas, Mr. Margret as de Beringhen, Mr. Graham as Louis, Mr. Hardie as Joseph, Mr. Hyde as Huguet, and the other characters well distributed. This beautiful drama will never fail to be a favorite with all who appreciate fine sentiment, poetical language, and the many charms which Bulwer throws around all his writings. We have had various delineations of the title role, and expectation will be eager to see that of Mr. McCullough.

**HORSE STEALING.**—On Thursday, B. O. Conner had in his possession a horse stolen from Mr. Pearson, at Echo City, and was so informed. Afterwards he disposed of the horse and tried to get away without any further inquiry concerning ownership. Yesterday he was arrested, and the horse having been valued under \$20, the case came before Alderman Clinton, who after hearing all the evidence imposed a fine of \$75, which was paid. Mr. Conner found that he bought that bit of equine property at more than its full value.

**WOOD MARKET.**—There was a little wood in the market to-day, a small quantity of coal and some hay. Wood could be bought for greenbacks at a little less than cord for the price of hay was so high, per ounce, that there was no getting up to it; and coals were scarce, when they were not black rocks.

**SICK AGAIN.**—Samuel P. Sherman has had another attack of sickness—a relapse, which assumed the form of "falling sickness," and so he fell in front of the Merchant's Exchange. The cause of his "fall" this time was the same as before—too strong an affection for the ardent. S. P. S. rode in state to the City Hall, escorted by a guard of honor detailed for the purpose. He is now a guest of the city.

**FATAL ACCIDENT.**—The following telegram was received by President Young this morning:

Ogden, 27.  
President B. Young:—We have had a fatal accident this morning. Two men got covered up by a fall of dirt at the approach of the lower tunnel. One a resident of Round Valley, named Weist, had his leg broken and was slightly bruised otherwise, but not fatally. The other, named Christian Jorgensen, a resident of the 20th ward, was killed instantly. I have started his remains to the City. They will be down to-morrow.

JOHN SHARP.

**FINE DISPLAY.**—There was a fine display of meats in the Meat Market to-day. Little, Garrett & Co. had the two stands at the entrance hung around with the fattest of beefs, carcasses of mutton, and other seasonable meats, who says that Utah cannot produce good, fat meat, grass fed?

**POLICE.**—Alderman Clinton held a levee this morning, which was well attended. J. R. Cribbs had been drunk and making a disturbance, for which Mr. Cribbs paid \$10 and costs.

S. M. Johnson, a gentleman of color who has been for some time rusticated in the neighborhood of Bear Lake, though he is not by any means the "monster" of that pellucid body of water, was requested to pay \$10 to the City Treasury for having been asserting his equality with a certain class of the "uncolored" in getting drunk and making himself generally disagreeable.

Mr. Lyons was drunk and disturbing the peace, for which he was also fined \$10 and costs.

O. Whitney was fined \$5 for being "overcome."

**BLOODY EPIDEMIC.**—Nevada is suffering in places with a perfect epidemic of blood. The most trivial causes are said to be sufficient for reckless men to use the bowie knife, or the pistol. The Gold Hill News of the 17th says, "The devil, or some other spirit of evil seems to have got into certain classes of our community of late. During the past two or three weeks a perfect carnival of cutting, shooting and desperate affrays has reigned, and human blood has flown freely in Virginia and Gold Hill. This is a terrible state of society, yet the News is unable altogether to account for it, 'though,' it says, 'wickedness is undoubtedly the cause of many of these bloody affrays, but not quite all.' It adds, 'Such ruffianism appears to have broken out like a horrible epidemic, and thus far is decidedly more fatal than the small-pox which so terribly frightened the good people of Virginia a few weeks ago.' The Carson Appeal also says, 'Murder seems to be on the rampage throughout the State. Our exchanges come to us freighted with accounts of stabbings, shootings, and all conceivable ways of taking life. Human blood flows like water in Gold Hill and Virginia.' And both papers demand that the law should reign in its majesty, and that the statute against the carrying of deadly weapons should be strictly enforced. No wonder the peace-loving, law and order-abiding citizens of Utah should object to such an element gaining an ascendancy in this Territory! We not only desire to see human life estimated at its proper value, and lawless men restrained in their course of wrong-doing, but we wish the rising generation taught to look upon such scenes as an evidence of barbarism instead of 'civilization' so vaunted yet so often woefully misnamed. The 'civilization' which has been reigning at Virginia and Gold Hill, Nevada; at Bear River City and elsewhere, should no longer have such a misapprehended name but should be known by its proper title of modern barbarism."

**THE U. P. R.**—Owing to the temporary track laid around the head of Echo, being so far completed that the rails can be laid, work on a portion of the permanent line in the North Fork of Echo is suspended for the winter. The temporary track is about seven miles in length, and is almost ready for the rails. When the rails are laid to that point, it will not take long to bring the cars to Echo City, and wake the echoes in those stupendous old cliffs with the whistle of the locomotive.

We understand the rails are being laid this side of Bear River City.
