LOCAL AND OTHER MATTERS.

THEATRE.—On Sunday morning the congregation was addressed by Elder George Tinsdale and Gen. B. Wallace, and in the afternoon by Elder David Candland and President John A. Smith.

THEATRE.—A fair house assembled last evening and the play of "Pine Gold" was very successfully performed. This evening Mr. Bates will appear as "Lady Gay Scamper" and Mr. Bates as "Sir Harcourt Courtly" in the beautiful comedy of "London Assurance." This is an excellent bill.

MEMORIAL AT THE DISTRICT TELEGRAPH OFFICE.—For the purpose of securing the telegraph line between Salt Lake City and the Pacific coast, a memorial was presented to the District Telegraph Office at Salt Lake City, May 21, 1872.

SECRETARY DELAND AND PARTY LEFT THE CITY ON SATURDAY EVENING.

MORE JUDICIAL MALICIOUSNESS.—How is this after the late decision of the U. S. Supreme Court? Defeated in one direction, the Federal officials who wish to rule this Territory with the despotism of tyrants are trying to accomplish their ends in another direction, as will be seen by the following:

BEAVER, MAY 21st.

J. D. T. McAllister, Territorial Marshal.

FATAL ACCIDENT.—The following special dispatch was received this morning:

COVE CREEK, MAY 21st.

Editor Deseret News:—About seven o'clock, last evening, as Fred Westfall, a young man twenty-two years of age, resident of Provo, was crossing the bridge over the creek, he was loaded with a heavy freight, and while crossing, he fell from the bridge, and was killed. His brother, who was in company with him, is returning home with the body.

PEACE AND PLENTY.—C. A. Connelly writes from Leeds, Washington County, May 15th: "Crops never looked so well in Dixie as they do now. Everything seems to be flourishing; the Lord is greatly blessing us; peace and plenty prevail."

CALLER.—We have had calls from the following gentlemen: Edgar Skinner, Esq., who is in this city representing the St. Louis house of W. H. Gunsmuth & Co., importers of real lace, dress trimmings, notions, etc. Mr. Skinner is staying at the Townsend House and will remain in town three or four days. We also received visits from Messrs. John Smith and R. H. Roberts, the former representing the large and substantial boot and shoe manufacturing firm of Benedict, Hall & Co., New York, and with whom the merchants of this city have had extensive business dealings of a recent manufacture and parties knowing themselves indebted will please call and settle immediately.

INSURED BY A SNOWBLIND.—On Saturday last a number of miners were caught in a snowslide in Little Cottonwood Canyon. All of the party escaped without injury except one, named Manning, who had one of his legs broken, besides receiving some other injuries more or less severe. One of the men had a very narrow escape, only saving himself by holding on to a tree. Manning was brought to town on Sunday night. He was confined in the hospital, and on the 10th of May, he was discharged. On reaching the city he was at once taken to the house of Dr. Anderson, 13th Ward, under whose skillful treatment he is expected soon to recover.

MORE OF THEM.—Here are more cards repudiatory of that infamous petition:

SALT LAKE CITY, May 20, 1872.

Editor Deseret News:—We were astonished and mortified beyond description, to see our names published in connection with a memorial to the U. S. Senate, in which we were called on to endorse some monstrous and unwarranted claims. We are not acquainted with the person who has so dishonored our names, and we are not prepared to endorse any such claims. We are not prepared to endorse any such claims. We are not prepared to endorse any such claims.

SALT LAKE CITY, May 21, 1872.

Editor Deseret News:—I am the daughter of Mrs. Margaret J. Foreman, and only fourteen years of age. I was not aware that my name had been attached to the memorial, and I was surprised and indignant, and I was not prepared to endorse any such claims. I am not prepared to endorse any such claims. I am not prepared to endorse any such claims.

SALT LAKE CITY, May 21, 1872.

Editor Deseret News:—I wish to say to the public that I did not know the contents of the memorial presented to me until I saw it in your paper. I was surprised and indignant, and I was not prepared to endorse any such claims. I am not prepared to endorse any such claims. I am not prepared to endorse any such claims.

SALT LAKE CITY, May 21, 1872.

Editor Deseret News:—The Territorial Democratic Central Committee of Utah held a meeting at 7 o'clock last evening, at the office of Gen. E. M. Barham, at which it was decided to issue the following call for a Territorial Convention, which we have been requested to publish:

THE TERRITORIAL DEMOCRATIC CENTRAL COMMITTEE OF UTAH, do hereby call a Territorial Convention, to be held at Salt Lake City, on Saturday, June 15th, 1872, at 2 o'clock p. m., for the purpose of selecting delegates to represent Utah in the National Democratic Convention to be held at Baltimore, Md., on Saturday, July 14th, 1872. Also to choose a permanent central committee for the Territory, and to transact such other business as may be deemed proper.

WE suggest that each county send the following number of delegates:
 Salt Lake County, 7; Tooele, 5; Washington, 4; Summit, 3; Utah, 10; Davis, 7; Juab, 5; Morgan, 3; Sanpete, 3; Cache, 3; Beaver, 3; Rich, 1; Box Elder, 3; Millard, 4; Weber, 3; Iron, 4; Washington, 4; Kane, 3; Wasatch, 3.

Judge Strong.—His honor, Judge W. Strong, of the bench of the Supreme Court of the United States, and Mr. Strong, are in town, and staying at the Townsend House. The Judge was visited yesterday by President H. Young, Geo. A. Smith and R. H. Wells, also by a number of other in-

CHOICE FLOWERS.—We had the pleasure of seeing, to-day, some beautiful geraniums and pelargoniums, in flower, just received by Mr. Richard Matthews, of this office, from San Francisco. Mr. Matthews is an enthusiastic amateur horticulturist, and spends the very little leisure time he has, in the cultivation of choice beautiful flowers, shrubs and small fruits. To gratify himself and the taste of friends he has occasionally imported, during the last year or two, rare specimens from celebrated nurseries East and West. And in this way he has opened up a connection which will enable him to fill orders promptly for any of our citizens who may desire to gratify their taste for the beautiful by investing means in this direction. Mr. M. has always been found in the Townsend building, and from an extended acquaintance with him, we are enabled to state that he is thoroughly trustworthy, and will be found to merit the confidence of any who may favor him with their orders.

A RAILROAD WATCH.

Travelers by Railroad frequently find their watches completely demoralized by the confusion of the train. To overcome this difficulty, we have long been a problem with watchmakers, and it is now successfully accomplished in the new grade made by the AMERICAN WATCH CO. OF WALTHAM.

This watch is made in the most substantial manner, on the most approved principle, and combines all the recent improvements. It has a new micrometric regulator, by which the slightest variation can be easily corrected. It is carefully adjusted, and may be entirely relied on to run accurately, wear well, and ENDURE THE HARDEST USAGE, without any derangement whatever. We confidently recommend this watch to the trade and the public as the BEST WATCH FOR THE PRICE IN THE MARKET.

The full trade-mark engraved on the plate of each watch is "AMERICAN WATCH CO., CRESCENT-ST., WALTHAM, MASS." and it is distinctively known as the CRESCENT-ST. Watch.
