SOUTH MACHINES

In a recent issue of your paper there appeared an article under the signature of M. B. Bowles, "dealer" in sewing machines, in which we find an implication (not an accusation) that the agent of the Singer Manufacturing Company, in this city, has been palming off on the people of Utah, old machines for new. In justice to our patrons, we will say that our instructions from the home office in this matter are imperative and are as follows: "You are in no case to sell second-hand machines for new, but sell them for what they are, and at reduced rates." In no case do we depart from these instructions.

A Company, which by its combined energy and skill through nearly 20 years of experience, has placed upon the market a machine unequalled, whose factories are turning out 6,000 machines per week, whose sales for the last three years nearly equal those of all other companies combined, and which to-day, stands head and shoulders above all of its competitors is certainly not driven to sell old machines for new, much less to practice any kind of deception. Again, this implication becomes much more absurd when we consider that this "dealer" gets his machines from a firm in Chicago, which every one in the sewing machine business knows has been for years dealing in second hand and inferior machines, highly finished and sold throughout the country by irresponsible parties. The machine built by the Singer Manufacturing Company, and which has won a world-wide reputation, may be known by the patented trade mark on the side of the arm, and is found only in the hands of responsible agents.

LOCAL AND OTHER MATTERS.

The Aged Ones.—The "old folks" left for Ogden, this morning, a cheerful happy throng of veterans.

Not Found.—The body of the little girl Williams, drowned in Ogden River, three weeks since, has never been found, although diligent search has been made. So we learn from the Junction.

Splendid Crops.—The grain crop upon the dry plain north of Kayaville, looks splendid. The wheat is about four feet five inches high, and the average yield is expected to be from 20 to 25 bushels to the acre. The breadth sown in grain, covers an area of several thousand acres.

Gone.—Mr. Hemingway, accompanied by his family, departed from Salt Lake City, for good, yesterday morning. He adds another to the formidable array of those who, by seeking to migrate against the interests of this community and the principles of right, have accomplished nothing but their own discomfiture. He will take up his residence in Louisville, Kentucky.

The Indian Troubles.—Yesterday fifteen soldiers left Camp Douglas for Terrace, on the Central Pacific Railroad. The two companies of the Fourteenth Infantry at Camp Cameron, near Beaver, and a portion of the Fifth Cavalry stationed at Fort Russell, have been ordered to the same vicinity. Hostile Indians are reported to be in considerable force in that locality.

Back Again.—A number of our readers will remember the circumstances of Samuel Rogers, while in the employ of the city, being very badly stung by the maniac Sherman, last summer, while the latter was confined in the jail. Rogers had a close call, but recovered. A few months ago he, at the solicitation of his relatives, went east, to Philadelphia, to reside. He soon got sick of staying there, returned here on Saturday, and has been installed in his old position.

He states that the streets of Philadelphia are crowded with people out of employment, and one can scarcely walk a few rods without being accosted by starving people asking for alms.

Horrible Depravity.—A horrible case of depravity has been brought to light in this city. Dr. A. B. Higgins, of San Francisco, who has been in the habit of paying periodical visits to this city, was arrested, and placed in jail last evening, on a charge of procuring an abortion for, and twice defiling the person of a young married woman. Some of the details are too filthy for publication.

It appears from the affidavits on file in the Justice's court, that the woman visited Spangui twice in last December, and that he, according to her wish, procured an abortion for her, she being at that time two months pregnant. By her representations she was also induced to submit to the defilement by him of her person on two occasions. In addition from this case, she contracted a loathsome disease, for which she has been, since then, under treatment of one of our resident physicians.

The foregoing are the facts of the case, as alleged, and the affair is of the most repulsive and abominable description. If the allegations are true, Dr. A. B. Spangui is one of the most wicked and depraved characters living, and is deserving of the most severe punishment that the law admits of in such cases. The woman who figures in this case is a resident of the Tenth Ward.

To Presidents and Members of the Seventies.

You are hereby notified that a meeting of the Seventies will be held in the Council House, on Wednesday, the 12th inst., at half past 7 p.m. All Seventies are respectfully invited to attend.

JOS. YOUNG, SEN., A. P. ROCKWOOD, JOHN VAN COTT, ROBERT CAMPBELL, Clerk.

Salt Lake City, June 10, 1878.

Fatal Accident.—On Saturday evening last, at a few minutes before six o'clock, Wm. Lambert Gorrings, aged twenty-six years and four months, of Bountiful, Da-County, son of Wm. Osborne and Fanny Gorrings, of that place, sustained an accident which resulted in his death, at seven o'clock in the evening of the following day.

Deceased was an off-bearer in the employ of Mr. Wm. Rounds, of Bountiful, in charge of Mr. D. B. Bybee's mill, in Cottonwood Cañon, Morgan Co., about twenty-three miles in a north-easterly direction from Ogden City. At the time of the occurrence the attention of the deceased was drawn to the crack of a whip, made by one of the hands, who had just come to the mill from his work in the mountains and, to escape which, being near-sighted, he stepped back or aside, and stubbed his foot against a board, and fell upon the driving-belt of the mill. From this perilous position, the mill being in motion, he did all he could to extricate himself, and the hands tried to assist him, but, in a moment, he was carried between the belt and the wheel, receiving fearful injuries. Dr. Johnson, of Ogden, was immediately sent for, but, on arriving, at once pronounced the case hopeless. He, however, did all that could be done, to alleviate the unfortunate man's sufferings.

The young man had been at the mill only one month, and was of exemplary habits and much respected. His sudden death has cast a gloom over the neighborhood where he resided, and the esteem in which he was held was yesterday manifested in the large assemblage which followed his remains to the cemetery at Bountiful.

Old Folks Excursion.—The train, which consisted of 11 cars and two cabooses, left the depot at 7.40. The first caboose contained the 10th Ward band, and in the second were the committees. President John Taylor and Elders W. Woodruff and Joseph F. Smith; Bishops Hunter, Harky and Burton, Elder Joseph E. Taylor and several Ward Bishops were aboard. There were 552 passengers on the train, including about 60 that were taken up by the way, exclusive of the 10th Ward band, and the 7th Ward Girls Club, who sang in every car. Good feeling and hilarity prevailed, and all seemed to enjoy the trip. Lemonade and sweetmeats were passed around, and Brothers Savage, Goodrich and Edgington were active in looking after the comfort of the old people. Conductor Z. Jacobs was kind and attentive. Crowds were assembled at each station by the way, and greeted the excursionists. The train arrived at Ogden at 9.30.

Accidentally Killed.—On May 21st, Charles Russell, son of Thomas and Margaret Russell, of Galva, Illinois, was almost ground to shreds on a railroad in that vicinity. The accident occurred at an early hour of the morning, while the unfortunate young man, who was a militia man, was returning from a neighboring town, where he had been participating in decoration ceremonies the previous day. After he fell, unobserved, from the car on which he was traveling, four trains ran over the body, mangleing it beyond recognition. According to the statement of the papers, deceased was a young man of good character. His parents are members of the church. The family are formerly from Sunderland, County of Durham, England.

Drowned.—Yesterday morning a young man, named Rankin, while bathing in Farr's mill pond, Ogden River, was drowned. Deceased was about twenty-two years of age, and came to Utah about a year ago, from Glasgow, Scotland, where his parents and other relatives now reside, and to whom the news of his untimely death will be a blow. He came here in advance of his parents, in the hope of being able to render them assistance to emigrate. He resided for some time in the 3rd and 21st Wards of this city, and was employed a short time in Z. C. M. I. He was an intelligent young man, of exemplary habits. At the time of his death he was in the employ of Mr. Robert Baird, tinner, of Ogden.
