THE EVENING NEWS.

Monday, - - - May, 8, 1871.

LOCAL AND OTHER MATTERS.

THEATRICAL.—There will be one of the finest dramatic treats at the Theatre to-night that has probably ever been presented there. Tom Taylor's great drama, entitled "Narcisse," will be performed, with Mr. D. E. Bandmann in the title role. This is that gentleman's great master-piece, he being, it is said, unexcelled in its personation. Mrs. Bandmann will appear as Doris Lignault, Mr. George B. Waldron as Duc de Choiseul, and other characters by the company. The farce of "My Turn Next" will conclude the performance.

Mr. and Mrs. Bandmann will take a benefit and make their last appearance here, to-morrow night.

Mr. J. K. Emmet, the eminent character actor, is engaged and will appear shortly.

SERVICES AT THE TABERNACLE TO-MORROW.—In the forenoon the time was occupied by Elder Elias Morris and President B. Young, and in the afternoon by Elder John Taylor.

THE UNCLAIMED CATTLE.—All the cattle collected at Jordan bridge at the recent drive, which have not been claimed, are being kept in a good pasture, and parties interested in any of them may learn particulars by applying to Mr. David Hilton, at the General Tithing office, in this city. The horses which were not claimed,—about three hundred head,—have been turned over Jordan on to their old range.

ARRIVALS.—Dr. Joseph Benedict, who has been on a visit to Long Island, returned to this city on Saturday, accompanied by his wife, father and mother, and Bro. Richard Brower, wife and daughter. Bro's. Francis Benedict and Richard Brower have been connected with the church for nearly thirty years. They purpose, with their families, making Utah their future and permanent home.

SANPETE.—Brother George Farnworth, just in from Sanpete says that grasshoppers are making their appearance in some parts of the county, but not in sufficient numbers to create much alarm for the safety of the crops.

MALAD.—In a letter from Portage, dated the 4th inst. Mr. W. H. Anderson says: We are having very hot weather. Grain and grass is growing splendidly. No hoppers but some crickets who are, however, keeping their distance from our grain fields. Some rich mineral deposits have been found, of which I will report soon.

LOST.—On Friday evening last, a poor man named Thomas Warren, lost, some where between Day's store, East Temple St., and South Fifth St., in the 9th Ward, a very small bag made of unbleached domestic, which contained a twenty dollar bill and seven three cent stamps.

The sum lost may be considered of trifling value by the finder, but its loss is a serious one to the loser, as he is a poor laboring man whose wife and family are in England, and towards whose emigration he has succeeded in saving this sum. If this notice should reach the eye of the finder of the bag and its contents he is requested in the name of justice and humanity to leave them at this office for the owner.

INFORMATION WANTED.—Mrs. Jane Knopp, of West Jordan Ward, Salt Lake County, U. T., would like to hear tidings from her son, Mr. Wm. Knopp, and her daughter Miss E. Knopp; the last she heard of her daughter she was residing in Philadelphia, Pa.; that is three years ago. It is ten years since she heard from her son; he, at that time, was living at St. Louis, Mo. St. Louis and Philadelphia papers please copy.

TERRITORIAL ITEMS.—The following were received per Deseret Telegraph:

PROVO, 6, 2.45, p.m.

Court was called at half-past 8 p.m. yesterday. The prisoner McKay and the jury were present. Hugh White, Thos. Colwell, Edward Robison, U. S. Mashal Patrick and St. Ledger were duly sworn and testified for the prosecution. Pending the cross examination of St. Ledger, the court adjourned till 9 a.m. to-day.

Court was called at 9 a.m. to-day and admitted eight aliens to citizenship. The case against McKay was continued. Edward St. Ledger was cross examined by the defense. The prosecution arrested the defence and presented one witness, who was sworn and testified. At 11 a.m. Hempstead proceeded to address the jury. At 29 minutes to 12 Baskin proceeded to address the jury followed by Hempstead, at 1 p.m. At half-past 1 the Court committed his charge to the jury and at a quarter to 2 the jury retired and the Court took a recess till 3 p.m.

PROVO, 6th, 3 P. M.

Court was called at 3 p. m. Thos. Job was admitted a citizen.

Mr. Robertson appeared and asked that judgment by default be entered in the case of D. Firman, vs. S. F. and B. W. Driggs. The court ruled that sufficent notice had not been given the defendants to answer.

Mr. Robertson asked judgment by default in the case of R. Bachman, against Wm. Wright, in assumpsit. The court rendered judgment by default.

The grand jury came into court, the names were called and nineteen were present, two of their number having been discharged. They presented one indictment.

Mr. Hempstead called up the case of Dayton against Green and others, and presented a motion that the summons and case be quashed, showing his reasons therefor. Mr. Baskin for the plaintiff, answered, and the court ruled that the summons and service be set aside.

Mr. Hempstead called up the case of the U. S. against Joseph Boren, he having been bound over in the sum of $500 for stealing government property. On Boren being called, Mr. Hemstead said he had another indictment against Boren for receiving stolen property and proposing that his former bonds be considered sufficient for his appearance to answer. He also called the case of the U. S. against Wm. Lawrence, alias Larry, for stealing government property. Upon being arraigned they each pleaded not guilty, although the indictments were not read to them, nor their attorney furnished with a copy. Mr. Robertson, for the defendant, proposed to furnish bail for the appearance of Larry, which was set at $500, and in default he was committed to the custody of the U. S. Marshal, until sufficient securities be furnished.

Grand jury came into court all present, and the Judge asked if they had any report to make. Major Hempstead said that the grand jury had got through with all the business before them. They had been engaged on U. S. business until last night, and had been attending to Territorial business to-day. The Judge thanked the jury for their promptness, and stated it was the intention to make the district very pleasant for good people and very unpleasant for bad people. He ordered the Marshal to pay them for another day, and thanking them he discharged the grand jury until the 17th day of October next.

At ten minutes past five the petit jury came into court, all present, and James Taylor, foreman, presented the verdict against McKay, of "guilty of robbing the U. S. mail." On being questioned by the Judge, the jury said it was their verdict that he was guilty of robbing the U. S. mail, without putting the carrier in bodily fear. The regular petit jury were then discharged until Oct. 17, 1871, with the thanks of the court. The Judge sentenced McKay to five years' imprisonment in the penitentiary of this Territory, or some other safe place. Mr. Baskin asked that McKay be admitted to bail for his appearance before the Supreme Court, on appeal on the exceptions he had taken. The court held the matter under advisement.

Major Hempstead asked that Edward St. Ledger be admitted to bail on his own personal recognizance, in the sum of $4,000, for his appearance before this court at the next regular term, which was granted by the court, whereupon St. Ledger appeared and gave such recognizance. The court adjourned till Oct. 17th, next, at 10 a. m.

Gov. Gunnon, 8.

The Conference of the Southern mission closed last evening. There was a large attendance from the surrounding settlements.

Countless numbers of grasshoppers are destroying the wheat and early crops at Harrisburg and Locan.

If you feel dull, drowsy, debilitated, have frequent headache, mouth tastes bad, poor appetite and tongue coated, you are suffering from Torpid Liver or "Biliousness," and nothing will cure you so speedily and permanently as Dr. Pierce's Alt. Ext. or Golden Medical Discovery. Sold by all druggists.

Economy in the Kitchen.—Prudent housekeepers are ever on the alert to practice economy in the culinary department. In no way can this be done more effectually than in the use of a Baking Powder which combines purity, strength and reliability. Dooley's Yeast Powder has attained the deserved reputation of being economical, convenient and wholesome, besides which it will produce from a barrel of flour twenty-five to forty pounds more bread, rolls, etc., than by the old process of raising dough with bakers' or hop yeast. Here alone is a great saving, and authorizes the guarantee that it will give entire satisfaction.

SHINGLES.

60,000 WANTED, of good quality, either sawed or shaved, and must be delivered within twenty days. Parties having them for sale can find a cash customer by applying at No. 2, City Hall.
