#### ANNOUNCEMENT FOR VOLUME SEVEN.

The publisher of the CONTRIBUTOR takes pleasure in announcing to its numerous readers and the public generally, some of the leading features of the new volume which commences in October.

## THE MISSOURI PERSECUTIONS.

Arrangements have been made, at great expense, to illustrate a series of articles on the Persecutions of the Latter-day Satuts in Missouri, with scenes of the most interesting events.

Photographs of these scenes (from which pen and ink sketches have been made by Dan Weggeland, Esq.) were taken by our own representative, Elder B. H. Roberts, who visited the places for that purpose, and descriptions of them will be written by him. They will include the following:

Temple Bite at Jackson County, Mo. (The Cantre State of Zion). Battle Scene at Crooked River (Where Aposts David Patten fell House of the Prophet Joseph at Far West, Hann's Mill (Scene of the masseore)

The Month of Fishing River (Scene of the steam boat explosion) Liberty Jall (Where Joseph and six others were imprisoned). Adam-ondi-Aluman (Slowing roles of the anchot start Lyman Wight's House, at the Villey of Diahman, Richmond Court House and Jali.

Also a FULL FACE PORTRAIT of JOSEPH SMITH, the PROPHET.

Great care is being taken to have these views carefully engraved, and to present them and the narrative of the thrilling incidents. which they illustrate, in the most authentic manner, that they may be, not only of immediate interest, but of permanent value to the students of Church History.

In this connection we desire to procure the names of all living Saints who passed through that period of our people's history, viz. 1831 to 1840, and will send the Magazine Free for One Year to the head of each family who will send us their names, places and times of birth, period spent in Missouri, and brief account of experiences there with their present address.

The new volume will be replete with the usual variety of original matter, from the pens of our best local writers, embracing numerous sketches of travel, biographies, religious, political, scientific, historical and narrative contributions, Christmas Stories, Poetry, etc., etc.
