HOME FIRE MEETING.

#### The Annual Election Held Yesterday Afternoon.

The annual meeting of the stockholders of the Home Fire Insurance company was held at the company's office yesterday. In the absence of Presiient Heber J. Grant and Vice President George Romney, John Henry Smith was chosen to preside over the meeting. The president's report for the year 1900 made a strong showing, the net premiums received, and the turns from investments, being the largest in the history of the company, while the fire losses were the smallest for many years. The annual election of flicers took place, and resulted in the choice of the following: Heber J. Grant, George Romney, John R. Barnes, Ellas George Romney, John R. Barnes, Elias S. Smith, Henry Dinwoodey, Joseph F. Smith, John C. Cutler, John Henry Smith, Thomas G. Webber, Charles S. Burton, David Eccles, P. T. Farns-worth and Francis M. Lyman, as the board of directors, and L. S. Hills, treasurer: Horace G. Whitney, secre-

pany until that company gives proper recognition to the miners." This reso-lution is in accord with the action of the tary. THE BIG WATER CASE. the boycott is to be carried out in its entirety it will mean that no institution is to be patronized by the sympathizers of the strikers which uses coal mined by Resumed This Morning -- Will Require Two Weeks More.

The trial of the big Jordan water strictest sense of the word it will be far reaching in its effects. case was resumed this morning in The meeting last night was called to Judge Morse's court, with the usual arlegal lights in attendance. Hon, F. S. Richards, at whose instance, be-cause of illness, the court adjourned from last Friday until today, was present, having recovered by the short rest from the strain of the past few weeks

consumed in the trial. The Galena canal, which is owned by smelting company near Sandy, th water from which is used for smelting ourposes and for the irrigation of about 1,000 acres of land, occupied the great-ir part of the day in putting in its side of the case.

thought that before the whole It is case is finished, two more weeks will be required by the remaining defend-ants in introducing their testimony.

#### Gone to Coalville.

Judge Stewart, who presides over the criminal branch of the Third district court, has gone to Coalville, and he will hold court in Summit county for the next eight or ten days. Summit county is also under the Judge's jurisdiction

#### Question of Alimony.

The only matter that came before Judge Hall this morning was a motion in the divorce case of Theresa Wilkin-son vs R. M. Wilkinson Jr., made by defendant to reduce amount of tem-porary alimony, and time of its paywhich the court heretofore orment. dered defendant to pay plaintiff, in the sum of \$50 per month, commencing on January 1, 1901, together with \$100 fees

for plaintiff's attorney. The plaintiff testified that she has contracted to pay \$15 per month board for her child, while she only earns \$5 per month, as nurse at St. Mark's hospital, and that she has no property or

other income. Defendant claims he is willing to sup port his wife if she will live with him, but that he is not able to pay her the amount ordered by the court, as he has no property of value, and earns but inal wages. At the conclusion of the hearing the

took the matter under advise ment, to give his decision later.

## OFFICER HERE FOR HASSELL.

Last evening Constable R. H. Leeper of Reno, Nev., reached this city with requisition papers for W. F. Hassell, the young man accused of obtaining money under false pretenses. There are two or three charges against Hassel here, but it is thought that they will here, but it is thought that they will be dismissed. Officer Leeper said that Hassell passed two checks in Reno, one for \$50 and the other for \$20, and then left the town. As soon as he can get his papers honored, Mr. Leeper will return to Reno.

#### A Good Thing.

German Syrup is the special prescription of Dr. A. Boschee, a celebrated German Physician, and is acknowledged to be one of the most fortunate discov ries in Medicine. It oulckly cares loughs, Colds and all Lung troubles of the severest nature, removing, as it does, the cause of the affection and leaving the parts in a strong and healthy condition. It is not an experi-mental medicine, but has, stood the test of years, giving satisfaction in every case, which its rapidly increasing sale every season confirms. Two r bottles sold annually, Boschee's Two million Gor man Syrup was introduced in the Unit-ed States in 1868, and is now sold in every town and village in the civilized world. Three doses will relieve any ordinary cough. Price 75 cents. Get Green's Prize Almanac, For sale at A.

order at 8 o'clock by President J. H. Brittain in the chair. The strikers' com-mittee, composed of J. H. Hoye, Lewis mittee, composed of J. H. Hoye, Lewis George and P. J. Rooney, was invited to state their case which they proceeded to do at length, after which they left the room and the Federation discussed the Meet and Elect Officers in Their New situation with the result given above.

COMMITTEE TALKS.

The Veteran Volunteer Firemen met last night for the first time in their When seen the committee stated to new hall on Canyon road. The object of the "News" that they were much pleased at the reception they had re-ceived by the people of Salt Lake, and proceeded to express themselves as bethe gathering was for the nomination of officers for the association for the ensuing year, to be elected on the first ing very hopeful that the trouble at the mines would be adjusted in an equita-Monday in March, which resulted as follows: The committee then spoke ble manner. at length in regard to the proceedings president, S. R. Skidmore; recording secretary, R. H. Hardy, E. J. Petty, W. which were held at Castle Gate or Sunday, and also criticized the open let-H. Bywater; financial secretary, E. J. ter of Ed Wannebo who is employed as a guard at the scene of the trouble. They stated that the Federation never Petty, J. W. Snell; treasurer, C. H. Banks, R. J. Knight; trustee for three years, James Oswald, W. H. Bywater, H. H. Richards, H. Barnes, W. H. a letter to the man as he says i sent did and further that Wannebo is not a Clayton, Reuben Simpson; trustee for two years, William Odd, J. D. Hawkes, W. H. Bywater, W. H. Clayton, L. Simpson; sergeant-at-arms, F. B. Everdelegate to the Federation. mittee dwelt at length on the sending of armed men to guard the company's property and emphatically denied that ett; steward, R. J. Knight there ever was or would be any need of armed guards at the scene of the President Ottinger in making a short speech congratulated the veteran fire-

trouble as they were determined to act as peaceable citizens at any cost, come men in that they now had a hall in what might. The statement which had been made to the effect that the men which to meet. finished. He said he believed the City Council would extend substantial aid who were agitating the strike were "a lot of saloon burns and loafers" also denied with much feeling which would enable the association to complete the hall in the near future Mr It was given out that another meeting George stating with some warmth that would be held on the 15th of this month as far as the committee was concerned. at which time it is intended to dedicate that two out of three members were to tal abstainers, while the third was a the hall. derate man in his actions and tastes. Coming back to the resolutions framed at Castle Gate on Sunday, Mr.

George said: CRITICIZES RESOLUTIONS.

"The resolution framers say that the treatment accorded the company by the the three are no real grievance exist-ing. In answer to this we, the represen-tatives of the men of Scofield and Clear died December 12, 1900, in Forest Dale, this county, and left an estate consist-ing of real and personal property, as Creek would say the men who passed this resolution don't know what they are talking about, for a better treatfollows: Real estate of the probable value of \$200; cash in Zion's Savings ment in order to settle a grievance would not be accorded any company than that which we have already given them. We made them all kinds of propthe decedent are said petitioner, her husband, and four children, whose ages ositions that the human mind could range from six weeks to eight years. onceive of, in order to settle the matter and yet have received a blank refusal each time. To say that we should have given them three days more to consider the matter in order that the company might have more time to consider the proposition, which was the fairest that could have been made, and to get any advance at all, is to say and to reveal to the general public their utter lack of knowledge of the situation. We gave the company not less than nine days all told before any action was taken, namey, six days at Winter Quarters, and three days at Clear Creek. We would like to know how much time the com pany wishes to consider a just demand its employes, and how much time would the company give us if they saw fit to introduce and impose upon us reduction?

VIEWS OF CONSERVATIVES.

"The resolution framers say also that any tendency of a cold to result in the entire number of men who have families and who have been long empneumonia. ployed by the company have been op-posed to the strike, and have expressed satisfaction with the wages paid and the treatment awarded them by the company. In answer we would say that we never saw the day ever sinte we MENT cures them quickly, without pain or detention from business. Price 50 cents in bottles. Tubes, 75 cents. Z. have been employed by the company in which grievances have not been ex-C. M. L. Drug Dept. pressed by those already mentioned in regard to the unjust treatment which has been accorded them both in and VALENTINES! out of the mines. We care not whether it be in regard to matters in the mines or out of the mines in connection with the company store system. Who has ever met a man or an honest employe of the Pleasant Valley Coal company who has said that it is perfectly right and just that he should be compelled to load 3,200 pounds of coal for one ton, or sixty cents? Who is the man that says it is right for the company to make a profit of 100 per cent to 150 per
