

# -let us deliver to your home a Buck's stove on approval

—a white enameled oven which insures clean, wholesome food

—good health is largely dependent upon clean food—clean food cannot be prepared in a dirty oven.  
—a sanitary oven is even a greater necessity than a sanitary refrigerator—for during the process of baking, chemical changes render contamination doubly easy.  
—why take great care in the preparation of a fine cake, for instance—then bake it in an oven, the seams and joints of which are filled with contaminating filth?  
—Buck's white enamel is not a paint—but a white glass enamel—burned into the pores of the iron—and is practically everlasting.  
—Buck's ovens are absolutely clean—a reason why you should own one.

—here is the greatest stove offer ever made to the buying public of this city.

—through special arrangements with the Buck's Stove and Range Company we are enabled to deliver to any home in the city or vicinity, a Buck's Range, cook stove, hard coal or hot blast heater for a thorough approval test.

—if the stove does not perform all of its functions properly—does not do all that we say it will do, we will cheerfully remove it and refund any payment that may have been made on the same.

—and we will give you our written guarantee that we will do just as we say we will do.

—this once-in-a-lifetime-offer is based on our faith in these wonderful stoves—you cannot afford to miss it.

—take advantage of it today, as the offer stands good but for a short time.

—Buck's hot blast—the great fuel saver

—this stove produces more heat for less money than any other stove in the world.

—by means of air ducts, in an encircling ring, heated oxygen is admitted to the surface of the burning coal, thus allowing all gases to be consumed.

—you will save at least one-third of your fuel expenditures if you use a Buck's hot blast heater.

—this is just one of the many very good reasons why you should own one.

—one dollar a week pays for any Buck's stove or range selected from our stock—and sent to your home for free and thorough test.

—the most liberal credit and the most courteous treatment extended to all.
