LOCAL BRIEFS.

Tomorrow's Lecture—At the Feast of Tabernacles will be the subject of Dr. Talmage's lecture at Barratt hall at 12:30 tomorrow.

Ewing Property Sold—O. F. Peterson has bought from David Ewing 12½ acres on Fifth East between Eleventh and Twelfth South streets for \$10,000. Mr. Peterson will divide the tract into building lots.

New Business Block—Mayor Thompson and James D. Murdoch are planning to build a \$50,000 business block on west Second South street just west of the alley leading to McCoy's stable. The building will be three stories high and have a frontage of 60 feet and a depth of 145 feet.

Deserter Arrested—Emmett Izor, private in B company Eleventh Infantry, stationed at Fort Russell, has been delivered to the commanding officer of Fort Douglas as a deserter. Albert J. Harvey, a civilian working at Garfield, Izor was out there working, and in an unguarded moment "gave himself away."

Will Publish Here—An amendment to the articles of incorporation of the Deseret Farmer's Loan publication has been filed in the secretary of state's office which provides that the office of the paper be changed to Salt Lake where it will be published in the future and it also provides that the capital stock shall be increased from \$2,000 to \$10,000.

Increase in Capital—There was a stockholders' meeting yesterday afternoon, of the Bell Telephone company, which voted the proposed increase of capital from \$2,500,000 to \$10,000,000. The new stock will be sold at \$100 a share with no rebate, the additional capital to be used for the purchase of general enlargement of the plant throughout the system.

Bankruptcy Petition—A petition in voluntary bankruptcy was yesterday filed in the United States circuit court by Frederick L. Hanson, of this city. The liabilities are scheduled at \$2,742.43, while the assets are placed at \$425, which is claimed as exempt. Mr. Hanson is an agent for the Union Mutual Benefit Life Insurance company, with offices in the Progress block.

Back From Los Angeles—Thomas Homer returned from Los Angeles yesterday, having gone south with the Elks' excursion. He was accompanied by Peter Haack and William G. Bradshaw, of the Angel city, and Mr. Mabel Lepp of Buffalo, N. Y. Mr. Homer reports Los Angeles residents as much interested in Salt Lake realties, and the gentlemen accompanying him echoed the sentiment.

Branches for Elks' Show—William H. Moreland of Denver arrived in town last evening from Montana where he has bought three carloads of branches for the wild west shows to be given next July in connection with the Elks' convention. These horses were taken from the range, and some of them have hair on their backs suggestive of the hide of a grizzly bear. "Basting" these branches will be made a special feature of the proposed show.

Business Change—A deal involving \$25,000 has just been consummated whereby the Nebraska Furniture company has changed hands. The new officers are John A. Sharp, president; Ed E. Jenkins, vice president; H. J. Smith, Jr., secretary and treasurer; and C. E. Davey, manager. These gentlemen with Homer Blood, G. E. Sanderson and Joseph J. Daynes, Jr., are the principal stockholders. More capital has been added to the business, and the stock is to be increased at once.

Removal of Stock Yards—The Salt Lake stock yards will be removed without delay to the tract adjoining the new packing house site, and be enlarged and improved. The yards will be given a capacity of 5,000 cattle, 5,000 sheep, 5,000 hogs and 1,000 horses, with hay racks, barns, sheds, sheep and hogs, and other equipment. The promoters of the new packing industry say there will be a hotel in the immediate vicinity for stockmen who are bringing their animals to market, there will be a bank building, numerous dwellings, and other structures to go up there, making something of a town.

Annual Athletic Dance—The students of the Salt Lake High school are planning a big event for next Friday evening at the Museum building of the University of Utah. It is the annual athletic dance, which is always a prominent social event at the high school and which this year promises to be more important than in any previous year, owing to the increased support of athletics by the public. A committee consisting of Frank King, Mont Elliot, Lester Moreton, Earl Van Cott, Fred Bassett, Howard Young, Ray Hoy and Don Lindsey, has the dance in charge and is working hard to make it a big success.

M. K. Parsons Returns—M. K. Parsons returned yesterday afternoon from a month's absence in the east, where he testified before the house committee at the hearing on interstate and foreign commerce in consideration of the 25-hour law, the time stock in transit is allowed to remain in cars before unloading for feeding and rest. Mr. Parsons also visited prominent stock breeders in Iowa and Colorado and found them much interested in the proposed international fair. They promised to do what they could to help along the fair stock show. Mr. Parsons says more good horses are being shipped into Utah than ever before.

In a Frigid Condition—City Food Inspector Frazier who looked over the slaughterhouse yesterday to the state board of health, states that he counted 82 dead hogs in pens occupied by live animals which were feeding off the carcasses. He also says that the yards were covered with six inches of filth. Secy. Beatty of the state board says: "The law covering the slaughter and sale of animals used for food should be radically changed and should provide for a central slaughterhouse, in which all the animals used in the city must be slaughtered. They should be subject to expert inspection both before and after killing. If the people of Salt Lake fully understood existing conditions they would eat little meat."

Application for Water—A Duchesne water users' association has, through its representative, F. R. Hardie of Jefferson street, this city, filed an \$1,000 acre feet on the flood waters of

The board of education at its next meeting will be asked by a committee from the Ladies Literary club to appoint a lady member of the board to fill the vacancy caused by the resignation of H. C.
